This meeting will be conducted by audio or video conference without a physically present quorum of the Natural Resources Commission ("NRC") because of a disaster declaration related to COVID-19 and public health concerns affecting the Village of Glenview. The NRC Chairperson has determined that an in-person meeting at Village Hall is not practical or prudent because of the disaster. The Chairperson will be physically present at Village Hall, but the other NRC members will be located elsewhere because the disaster has made their attendance infeasible. Physical attendance at Village Hall by the public is also not feasible because of the disaster. Members of the public may join the meeting using the information provided above. The meeting will also be recorded using video or audio technology, and the recording will be made available to the public, as provided by law.

Public comment can be submitted in advance of the meeting via voicemail at 847-904-4536, email at rflakne@glenview.il.us, or by mail directed to Robyn Flakne Flakne, 2500 E. Lake Avenue, Glenview, Illinois 60026.
