## Corporate Fund Revenues

The Corporate Fund accounts for most of the essential operating functions of the Village and has the most diverse sources of revenue. The primary sources of revenue are sales tax, property tax, home rule sales tax, joint dispatch charges, utility taxes and income tax.

### Property Taxes

Property taxes are the second largest source of revenue for the Village Corporate Fund and represent 18% of the total Corporate Fund revenues. The Village Board approves a tax levy in December each year, and the following year the Cook County Treasurer collects the funds from the property taxpayers and remits them to the Village. The Village receives most of its property tax revenue corresponding to the two installment due dates of these taxes which have typically been March 1 and August 1 in the past several years. It should be noted that in 2021 the second installment due date was moved from August 1 to October 1. As of September 2022, the second installment bills have not been issued and are expected to be issued and due prior to January 1, 2022. The property tax levy historically has been assigned to pay for a portion of the Corporate Fund operating expenditures, specific debt obligations and the Village portion of the Police, Fire and IMRF pension contributions.

The 2022 total property tax levy is projected to increase by \$402,260 or 2.67%. A portion (0.50%) of this increase is attributed to new EAV growth associated with newly annexed, constructed, or improved property in the Village for the 2021 tax year. The remaining 2.17% increase in 2022 is due to the annexation of approximately 290 acres of land to the Village of Glenview, which resulted in the reallocation of property taxes to the Village Corporate Fund. Because the increase is due to a redistribution of property taxes collected there should not be any Village portion property tax increase to the typical property owner in the Village in 2023. If there were an increase to one's property tax bill, it would be attributable to the property valuation which is assigned at the County level.

Property taxes levied by the Village in 2022 for collection in 2023 total \$15,652,348 which is 2.67%, or \$402,260 greater than the property taxes levied in 2022 (\$15,069,179).

The 2022 property tax levy is as follows:

Tax Levy	0.50% Increase of 2021 Original Levy	Loss Provision	2022 Extended Tax Levy	2023 Budgeted Collections
<b>Corporate</b>	\$3,636,676	\$109,100	\$3,745,777	\$3,670,861
<b>IMRF</b>	\$1,081,487	\$32,445	\$1,113,932	\$1,091,653
<b>Debt</b>	\$1,810,100	\$90,505	\$1,900,605	\$1,862,593
<b>Police Pension</b>	\$3,814,106	\$114,423	\$3,928,529	\$3,849,959
<b>Fire Pension</b>	\$5,129,069	\$153,872	\$5,282,941	\$5,177,282
<b>Total</b>	\$15,471,438	\$500,345	\$15,971,783	\$15,652,348

<b>Current Property Taxes 410110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$2,309,874</b>	<b>\$3,670,861</b>

Accounts for the Corporate line item on the annual Village of Glenview levy. The Corporate line item estimated to be collected in 2023 is \$3,670,861.

<b>Prior Property Tax 410115</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>(\$36,000)</b>	<b>(\$50,000)</b>

Accounts for current year collections and refunds on prior years' Corporate line-item levies. During each year the County both collects delinquent property taxes from prior years' levies (receipts to the Village) and refunds prior years' levies to property owners due to corrections at the County level (dollars taken from the Village). In recent years the corrections/refunds have been greater than the receipts to the Village for the prior years' levies so the 2023 budget of (\$50,000) is based on the most recent prior years' trends of prior property tax receipts and refunds.

<b>Property Tax Debt Service 410120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,841,190</b>	<b>\$1,862,593</b>

Accounts for an annual levy for the 2012B Refunding Bonds which were originally issued for the construction of the Police Station in 2004. The Debt Service property tax levy estimated to be collected in 2023 is \$1,862,593 which corresponds to the required 2023 principal and interest payment due per the bond ordinance. It should be noted that the amount estimated to be collected equals 98% of the extended levy amount as the County adds "loss and cost" of 5% to the debt service levy line item to account for the uncollectable amounts.

<b>Prior Property Tax – Debt Service 410125</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>(\$25,000)</b>	<b>(\$25,000)</b>

Accounts for current year collections and refunds on prior years' debt service line-item levies. During each year the County both collects delinquent property taxes from prior years' levies (receipts to the Village) and refunds prior years' levies to property owners due to corrections at the County level (dollars taken from the Village). In recent years the corrections/refunds have been greater than the receipts to the Village for the prior years' levies so the 2023 budget of (\$25,000) is based on the most recent prior years' trends of prior property tax receipts and refunds.

<b>Property Tax – Pensions 410130</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$9,758,390</b>	<b>\$9,027,241</b>

Accounts for the annual Police Pension and Fire Pension levies. The 2022 Police Pension and Fire Pension property tax levies to be collected in 2023 are \$3,849,959 and \$5,177,282 respectively which are \$731,149 lower than the 2021 levy because of favorable investment results and correction of an error in the prior year fire pension actuarial calculation. The Actuarially Required Contributions/Levies for the pension funds for the past two years are as follows:

Tax Levy	2020 Levy Collected in 2021	2021 Levy Collected in 2022	2022 Levy Collected in 2023
<b>Police Pension</b>	\$3,749,715	\$3,889,067	\$3,849,959
<b>Fire Pension</b>	\$5,785,450	\$5,869,323	\$5,177,282
<b>Total</b>	\$9,535,120	\$9,758,390	\$9,027,241

It should be noted that the amount estimated to be collected equals 98% of the extended levy amount as the County adds "loss and cost" of 3% to the pension levy line items to account for the uncollectable amounts.

<b>Property Tax – IMRF 410140</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,344,286</b>	<b>\$1,091,653</b>

Accounts for the annual Illinois Municipal Retirement Fund (“IMRF”) levy. The 2022 IMRF property tax levy estimated to be collected in 2023 is \$1,091,653 which is based on a 2022 IMRF Employer Contribution Rate of 7.39%. The \$252,633 decrease in 2023 increase is due to the decrease in the Employer Contribution Rate which was 9.73% in 2022. It should be noted that the amount estimated to be collected equals 98% of the extended levy amount as the County adds “loss and cost” of 3% to the IMRF levy line items to account for the uncollectable amounts.

<b>Prior Property Tax – IMRF 410141</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>(\$20,000)</b>	<b>(\$20,000)</b>

Accounts for current year collections and refunds on prior years’ IMRF line-item levies. During each year the County both collects delinquent property taxes from prior years’ levies (receipts to the Village) and refunds prior years’ levies to property owners due to corrections at the County level (dollars taken from the Village). In recent years the corrections/refunds have been greater than the receipts to the Village for the prior years’ levies so the 2023 budget of (\$20,000) is based on the most recent prior years’ trends of prior property tax receipts and refunds.

<b>Current Road &amp; Bridge Tax 410160</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$454,500</b>	<b>\$460,000</b>

Accounts for Road & Bridge property tax collections which are distributed from Maine Township and Northfield Township through Cook County. The Village anticipates Township distributions in 2023 to be approximately \$460,000 which is based on the trend of Road & Bridge Tax received in recent years. The Village collected \$459,115 in 2020 and is estimating collections of \$454,500 in 2022.

<b>Prior Road &amp; Bridge Tax 410170</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>(\$4,500)</b>	<b>(\$4,500)</b>

Accounts for current year collections and refunds on prior years’ Road & Bridge levies and the 2023 budget of (\$4,500) is based on the most recent trends for prior years’ collections.

**Utility Taxes**

<b>Utility Tax – Electricity 410210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$2,062,700</b>	<b>\$2,160,894</b>

Accounts for taxes on electricity, which are based upon established rates per kilowatt-hours used or consumed in a month. The Village Board adopted a tax on the purchase of electricity in August of 1998. Revenues received from these taxes are generated based on actual usage and largely depend on fluctuations in temperatures and populations. The taxes are collected by ComEd and remitted to the Village monthly.

The Village’s Electricity Utility Tax revenue has remained consistent over the past few years. The 2022 projection is estimated to be 1.6% higher than 2021 actuals and the 2023 budget assumes a 1.6% increase over 2022 projections for a total of \$2,160,894.

	2018	2019	2020	2021	2022 Estimate	2023 Budget
<b>Electricity Revenue</b>	\$2,240,268	\$2,104,169	\$2,042,277	\$2,093,370	\$2,126,864	\$2,160,894

<b>Utility Tax – Telecommunications 410220</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$927,244</b>	<b>\$833,393</b>

Accounts for a 6.0% tax on telecommunication services. This tax is collected and distributed by the Illinois Department of Revenue monthly and is imposed on voice lines, cellular phones, and any other telecommunication devices. The tax can be imposed in quarter-percent increments and cannot exceed 6.0%. The Simplified Municipal Telecommunications Tax Act was passed by Illinois legislature in 2002. It repealed Glenview’s 5% municipal telecommunications tax and 1% telecommunications infrastructure maintenance fee and replaced it with a single tax for telecommunications services. The Illinois Department of Revenue has been collecting the 6.0% tax on the Village’s behalf since January 1, 2003.

The Village, along with other governmental agencies, has continued to see a decline in the telecommunications tax distributions over the past several years. This is due in large part to the decline in the number of land line services residents are maintaining in their homes and businesses. The telecommunication tax is collected on cell phone usage but is not applicable to the data which usually make up the largest portion of the bill. Considering these factors, the Village predicts a continued decrease of 15% in 2022 and in 2023.

	2018	2019	2020	2021	2022 Estimate	2023 Budget
<b>Telecommunications Revenue</b>	\$1,684,979	\$1,526,415	\$1,283,383	\$1,153,485	\$980,463	\$833,393

<b>Utility Tax – Nicor 410230</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,515,669</b>	<b>\$1,517,891</b>

Accounts for a tax imposed on the privilege of using or consuming gas in the Village at the rate of \$0.045 per therm which is called a Straight Gas Utility Tax.

Historically, the Village had been using a Municipal Use Tax which was based on the price per therm. Then the Gas Use Tax (“GUT”) was implemented and made available on a national basis after deregulation of the natural gas utilities in 1998. As Glenview customers began to purchase their gas from out of state vendors under this deregulation, it was not taxed by the Village’s Municipal Utility Tax. The Village’s analysis of the available Gas Use Tax showed that an additional tax of \$0.045 per therm would equalize the Municipal Utility Tax. The Village Board adopted the Gas Use Tax on October 21, 2008 and collections began on November 1, 2008. In 2016, the Village Board amended the agreement with Nicor Gas from a combined Municipal Utility Tax (MUT – based on price) and Gas Utility Tax (GUT – based on number of therms) to a straight GUT Tax to stabilize the revenue stream by taking price per therm out of the equation and be more predictable for budgeting purposes. The tax is collected by Nicor, who imposes a 3.00% administrative fee and remits the tax to the Village monthly.

	2019	2020	2021	2022 Estimate	2023 Budget
<b>Nicor Gas Use Tax Revenue</b>	\$1,545,899	\$1,351,213	\$1,359,737	\$1,459,511	\$1,517,891
<b>Percentage Change</b>	0.11%	(12.59%)	0.63%	7.34%	4.00%

The 2023 budget for Nicor Gas receipts is based on an estimated number of taxable therms that the Village expects to receive from Nicor. The Village estimates 32,433,578 of taxable therms in 2022, which is an increase over the 2021 actual amount of 31,159,132. January, March, and April of 202s recorded lower temperatures than the same three months of 2021, resulting in increased gas usage. The estimated number of therms is based on analysis of historical therms and average monthly temperatures in past years. To calculate budgeted tax revenue, taxable therms are multiplied by the Village imposed tax (\$0.045 per therm) and then reduced by Nicor’s administrative fee (3.00%).

<b>Sales Tax 410310</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$22,271,112</b>	<b>\$23,003,621</b>

Accounts for the Village’s one percentage point (1.0%) share of the State sales tax rate. The sales tax is imposed on the sale and consumption of goods and services. Sales tax proceeds are collected by the State of Illinois and remitted to the Village monthly. The Village’s sales tax of 9.75% consists of a State Retail Tax of 6.25% (of which the Village receives 1%), a Cook County Tax of 1.75% (raised by 1% on Jan 1, 2016), a Regional Transit Authority Tax of 1.0% and the Village’s Home Rule Sales Tax of 0.75%.

At 26%, Sales Tax is the Corporate Fund’s largest revenue source. The Village has seen continued increases in sales tax revenue in 2021 and 2022. This increase can partially be attributed to the sales tax legislation that was passed at the state level now requiring online retailers to collect both state and local taxes resulting in higher sales tax revenue collections. The first nine months of 2022, sales tax receipts were up about 7%. With many economists predicting a recession, 2022 estimates are conservative and only include a 4% increase over 2021 actuals as sales tax was impacted the most during the Great Recession (2007-2009).

	2018	2019	2020	2021	2022 Estimate	2023 Budget
<b>Sales Tax Revenue</b>	\$18,072,001	\$18,360,660	\$18,206,509	\$21,727,766	\$22,596,877	\$23,003,621
<b>Percentage Change</b>	4.92%	1.60%	-0.84%	19.34%	4.00%	1.80%

The 2023 budget of \$23,003,621 in sales tax receipts reflects the trend of continued growth in collected revenues but at a conservative rate of 1.8% over 2022 projections.

<b>Home Rule Sales Tax 410320</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$10,738,686</b>	<b>\$11,654,357</b>

Accounts for the Home Rule Sales Tax assessed by the Village to be imposed on the sale and consumption of goods and services except for vehicles, food for human consumption that is to be consumed off the premises where it is sold and prescription and non-prescription medicine and drugs. Home Rule Sales Tax is distributed by the Illinois Department of Revenue. The Village implemented a Home Rule Sales Tax effective July 2004 at a rate of 0.50%. In December 2007 the Village Board approved a 0.25% increase in the Home Rule Sales Tax rate, bringing the new rate to 0.75% effective July 2008. The Home Rule Sales Tax may be imposed in 0.25% increments with no maximum rate limit. The Village’s Home Rule Sales Tax still stands at 0.75%. The State imposed a 2% administrative fee effective July 1, 2017 for the distribution of this tax. With legislative pressures from local municipalities, the State reduced this administrative fee from the 2% to 1.5% with the adoption of the July 1, 2018 budget. The 1.5% administrative fee is still in place.

Home Rule Sales Tax is the Corporate Fund’s third largest source of revenue. Like sales tax revenue, the Village has seen consistent increases in home rules sales tax revenues which is also impacted by the sales tax legislation passed at the state level related to online sales. The first nine months of 2022 have seen an increase of just under 10% when compared to 2021 home rule sales tax collections. The Village estimates a conservative increase of 7% in 2022 and 1.8% in 2023 as home rules sales tax would likely be affected if there was a recession.

	2018	2019	2020	2021	2022 Estimate	2023 Budget
<b>Home Rule Sales Tax Revenue</b>	\$8,849,722	\$8,756,960	\$8,630,650	\$10,699,335	\$11,448,288	\$11,654,357

<b>Business District Tax 410330</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$60,000</b>	<b>\$110,473</b>

Accounts for monthly Business District Tax distributions from the Illinois Department of Revenue. The Village Board adopted the Business District Tax for the Chestnut Waukegan Business District in November of 2012 to fund the development or redevelopment in that designated area. The Business District Tax may be imposed in 0.25% increments and cannot exceed 1.0%. The Village’s Business District Tax is 1.0%. The tax has a maximum duration of twenty-three years. Business District Tax has seen strong growth over the prior year, with an increase of 46.26% from 2020 to 2021. Through the first nine months in 2022, Business District Tax receipts have increased by 20.19% compared to the same months in 2021. The Village’s 2023 budget reflects a continued increase and is set at \$110,473.

<b>Hotel Room Tax 410410</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$750,000</b>	<b>\$747,808</b>

Accounts for collections of a tax imposed by the Village upon the use and privilege of renting, leasing, or letting of rooms in a motel or hotel in the Village at the rate of 6.0% of the gross room sale revenues from such rental, leasing or letting, exclusive of revenues received from food, beverage, and other sales. A 5.0% tax was first implemented by the Village in May of 1985. The Village Board agreed to increase the tax from 5.0% to 6.0% in February of 2008. There are seven hotels and motels that remit this tax to the Village monthly.

Hotel Room Tax receipts saw a sharp decline of 61.29% in 2020, from \$1,250,053 in 2019 to \$483,874 because of the pandemic. As the travel restrictions began to be lifted in 2021, the Village saw increases in hotel room tax receipt revenue. Staff is keeping an eye on this revenue line but anticipates revenue of \$733,145 in 2022, a 1% increase over 2021, and a 2% increase or \$747,808 in 2023.

<b>Amusement Tax 410420</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$25,000</b>	<b>\$25,000</b>

Accounts for collections of a 4.0% tax imposed by the Village upon the admission fee or charge upon every amusement patron for the privilege of admission to any qualifying amusement in the Village. The Village Board adopted the Amusement Tax in January of 1998. Due to COVID-19, 2020 receipts saw a decrease of 91.30%. The Village did not receive any amusement tax in 2021 due to the Village’s only movie theater being closed. The theater is anticipated to open late in 2022 so no revenue is projected in 2022. The 2023 budget is conservatively set at \$25,000.

<b>Miscellaneous Tax 410490</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$0</b>	<b>\$1,000</b>

Accounts for miscellaneous taxes that cannot be classified elsewhere, including an annual distribution of Charitable Games and Pull Tabs/Jar Games tax and license fees from the Illinois Department of Revenue. The 2023 budget of \$1,000 is based on this revenue returning to pre-pandemic levels.

## Licenses & Permits

<b>Business License 420110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$16,000</b>	<b>\$20,000</b>

Accounts for purchases of licenses to operate a business within the Village. The Business License account consists of a \$45.00 fee for new businesses and a \$95.00 fee for restaurants (in addition to the annual \$95.00 health inspection fee). Business licenses are required for all businesses which have locations within the corporate limits of the Village. Effective January 1, 2017, Glenview businesses are no longer required to annually renew their business licenses. The license fee is only required for new businesses. The Village is estimating \$16,000 in receipts for 2022 based on year-to-date activity and analysis of previous years. As the Village anticipates receipts to increase next year, the 2023 budget has been set at \$20,000.

<b>Health Inspections 420115</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$12,350</b>	<b>\$21,850</b>

Accounts for restaurant inspection fees, which are \$95.00 annually. The 2023 budget is based on 230 inspections for a total of \$21,850.

<b>Liquor License 420120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$200,000</b>	<b>\$245,000</b>

Accounts for purchases of liquor licenses. Liquor license renewal forms are mailed out by the Village near the end of the year. Liquor license annual fees range from \$550.00 to \$2,400.00. All fees are listed in Chapter 30 of the Village's municipal code. The Village is projecting \$240,000 for 2022 and a 2023 budget of \$245,000.

<b>Contractors' License 420130</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$15,000</b>	<b>\$15,000</b>

Accounts for contractor license registrations. General Contractor License annual fees are \$50.00, while Demolition License Fees are \$35.00. Receipts are not consistent and can vary on a year-to-year basis. The 2023 budget has been kept flat with the 2022 budget at \$15,000.

<b>Oversized Vehicle Permits 420210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$22,000</b>	<b>\$22,000</b>

Accounts for purchases of oversized vehicle permits. Permit costs vary depending on the weight of the vehicle and the trip duration. All fees are listed in Chapter 30 of the Village's municipal code. The 2022 year to date receipts are consistent with the same period from 2021. As such, the 2023 budget remains flat at \$22,000.

<b>Building Permits 420310</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,800,000</b>	<b>\$2,705,967</b>

Accounts for purchases of building permits for any work in connection with the construction, erection, enlargement, remodeling, altering, repairing, raising, lowering, underpinning, moving, or wrecking of any building or structure. Building permit revenue can vary from year to year depending on the number of larger projects anticipated each year. During 2022, permits for multiple projects that were not planned for were pulled bringing the 2022 projection to \$2,711,830. The 2023 budget of \$2,705,967 is based on the anticipated core projects and large projects.

	2018	2019	2020	2021	2022 Estimate	2023 Budget
<b>Building Permits Revenue</b>	\$2,335,045	\$1,439,918	\$1,612,530	\$2,447,532	\$2,711,830	\$2,705,968
<b>Percentage Change</b>	15.71%	-38.33%	11.99%	51.78%	10.80%	-0.22%

<b>Engineering Review Fee 420315</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$212,716</b>	<b>\$215,800</b>

Accounts for engineering review fees. The fee is calculated as 1% of engineering costs estimate, with a \$200.00 minimum for the first three lots and \$100.00 for every lot greater than three lots. Based on an analysis of previous years and upcoming projects, the 2023 budget for Engineering Review Fees is \$215,800.

**Fines & Fees**

<b>Traffic Fines 430110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$80,000</b>	<b>\$71,600</b>

Accounts for traffic fines issued by the Village and the monthly traffic fines distribution from the Clerk of the Circuit Court of Cook County. The 2023 budget of \$71,600 is based on lower receipts in the first nine months of 2022 plus revenues that had previously been recorded in the Commuter Parking Fund.

<b>DUI Court Fines 430160</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$14,000</b>	<b>\$5,000</b>

Accounts for the Clerk of the Circuit Court of Cook County’s monthly distribution of DUI court fines. There has been a significant decrease in DUI fines which may be a result of defendants being found not guilty and/or fees being reduced during the court process. The 2023 budget of \$5,000 is based on current trends.

<b>Other Fines 430290</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$32,000</b>	<b>\$32,000</b>

Accounts for court fines and fees from the Village’s Administrative Adjudication process. The Village’s Administrative Adjudication, or hearing, process is a quasi-judicial tribunal for the expedient, independent and impartial adjudication of municipal ordinance violations that were previously heard only in the Cook

County Circuit Court. In 2011, the Village Board adopted Ordinance 5454 that amended Chapter 2 of the Glenview Municipal Code, which added Article VII, establishing the office of Administrative Adjudication.

The Administrative Hearing process is independent from Village departments that investigate, initiate, and prosecute Code violations. Cases involving Building Code violations, Fire Code violations, unlicensed businesses, health and sanitation, parking, inappropriate conduct, and other ordinance matters involving the quality of life in the Village are heard through this process.

Revenue for this account fluctuates and is dependent on the number of court cases during a given year. The Village is forecasting the 2023 budget to be flat with the 2022 budget at \$32,000.

**Charges for Services**

<b>Yard Waste Sticker Sales 440220</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$3,000</b>	<b>\$3,200</b>

Accounts for yard waste sticker sales. Landscape waste stickers should be attached to 30-gallon paper yard waste bags. Effective January 1, 2018, stickers cost \$3.05 each and can be purchased at the Village Hall and various other locations in Glenview. Stickers can also be purchased online at Groot’s website. The 2023 budget of \$3,200 is based on the previous three years of actual receipts.

<b>Tipping Fees 440230</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$890,000</b>	<b>\$890,000</b>

Accounts for waste management fees from Groot Industries, Inc. Groot collects a contract service charge plus a \$6.05 monthly SWANCC fee from each residential customer. Only the \$6.05 monthly SWANCC fee is remitted to the Village; Groot keeps the contract service charge. Groot remits the payments to the Village on a quarterly basis. The Village is anticipating receipts to remain at the same level as the previous few years. The 2023 budget remains flat at \$890,000.

	2018	2019	2020	2021	2022 Estimate	2023 Budget
<b>Tipping Fees</b>	\$890,300	\$887,608	\$887,299	\$887,299	\$890,000	\$890,000

<b>Host Community Revenue 440240</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$116,227</b>	<b>\$121,139</b>

Accounts for a hosting fee that the Village receives from SWANCC monthly to operate a transfer station in Glenview. SWANCC pays the Village \$0.40 per ton of municipal solid waste coming into the Glenview Transfer Station. Recycling is not counted in this calculation. The 2023 budget of \$121,139 includes a 1% increase over 2022 projection.

<b>Planning Application Fee 440410</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$8,000</b>	<b>\$8,000</b>

Accounts for fees charged to process applications. The 2023 budget has been kept flat with the 2022 budget of \$8,000.

<b>Reimbursements 440425</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$184,272</b>	<b>\$150,000</b>

Accounts for various reimbursements and refunds. Revenue in this account is typically offset by a correlating expenditure. Reimbursements vary on a year-to-year basis and are difficult to estimate. The 2023 budget of \$150,000 is based on current year actuals.

<b>Alarm Monitoring Charge 440510</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$9,000</b>	<b>\$3,000</b>

Accounts for false alarm fees. If the Village of Glenview Police Department responds to more than three residential false burglar alarms per residential system at the same premises within any twelve-month period, the owner/lessee of such residential burglar alarm system shall pay the Village \$50.00 for alarms numbered four through eight, and \$100.00 for each subsequent alarm. False alarm fees for commercial premises are \$25.00 per false burglar alarm after the third false burglar alarm. The 2023 budget, which is based on the previous three years of actual receipts, is a decrease from the 2022 budget.

<b>Police Extra Duty 440540</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$200,000</b>	<b>\$452,938</b>

Accounts for police supplementary services provided by the Village’s Police Department to the public. These services may include police officers assigned to special events, traffic control, or special escorts. These services vary on a year-to-year basis depending on the number of events held during the year.

<b>9-1-1 Surcharge 440605</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,020,000</b>	<b>\$1,020,000</b>

Accounts for monthly 9-1-1 surcharge distributions from the Illinois Comptroller. This surcharge covers the costs of Glenview providing 9-1-1 emergency response services to its residents. In July of 2017, Illinois House and Senate lawmakers passed HB1811, which increased the fee that phone users pay for 9-1-1 service to \$1.50 per month per line from \$0.87, effective January 1, 2018. The increase was an effort to fund the transition to Next Generation 9-1-1 and cover increasing costs. Telecommunications companies impose the 9-1-1 fees on their customers and then remit the collected fees to the Illinois Comptroller.

The current 9-1-1 surcharge rate of \$1.50 per device was scheduled to sunset on December 31, 2021 but has been extended through 2023. The 2023 budget has been kept flat with the 2022 budget at \$1,020,000.

<b>Insurance Reimbursement (Ambulance Billing) 440615</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,782,180</b>	<b>\$1,800,000</b>

Accounts for billing for ambulance services. The Village’s Fire Department provides emergency medical transport services to residents and businesses residing in the Village and its unincorporated areas. The department operates three paramedic ambulances 24 hours per day. On average, the department responds to 4,500 requests for emergency medical transport services annually.

The ambulance transport fees are reviewed annually and are approved by the Village Board as part of the annual fee ordinance. The current fees, as reflected in the Village’s municipal code, are included below:

<b>Ambulance Transport Fees</b>			
<b>2022</b>		<b>2023 (Estimate)</b>	
<b>Resident</b>	\$ 1,160.14	<b>Resident</b>	\$ 2,400.00

<b>Per Mile of Transport</b>	\$ 14.69	<b>Per Mile of Transport</b>	\$ 15.13

The budget of \$1,800,000 is based on historical trends of about a 1% increase.

<b>Dog Impounding Fees 440625</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,000</b>	<b>\$1,000</b>

Accounts for animal impound and animal impound redemption fees. Animals impound fees are \$50.00 per day and animal impound redemption fees are \$10.00. There is no charge for animal/pet identification tags. The budget of \$1,000 is based on the previous three years of receipts.

<b>Lease Fees 440635</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$979,881</b>	<b>\$891,074</b>

Accounts for lease payments for the Village’s cell towers and gun firing range. The cell towers are leased by Sprint, T-Mobile, SiriusXM, Verizon and AT&T and are used for the operation of radio equipment,

antennas, and other equipment for transmitting and receiving communication signals. Depending on the lease agreement, payments are made either on a monthly or annual basis. The 2023 budget of \$891,074 is based on all the scheduled lease payments due to the Village.

<b>Annexation Fees 440640</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$0</b>	<b>\$0</b>

Accounts for fees paid by unincorporated residents who annex their property into the Village. Although the Village did annex property in 2022, annexation fees were waived as part of the agreement and no other collections are anticipated in 2022 or 2023.

<b>Special Event Fees 440650</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,000</b>	<b>\$1,000</b>

Accounts for fees paid to hold special events. Any outdoor event conducted on Village owned, leased, or maintained property and any indoor or outdoor event that has a significant impact on the community are considered special events. The budget of \$1,000 is based on the previous three years of activity.

<b>Supervision Fees 440655</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$6,000</b>	<b>\$8,000</b>

Accounts for court supervision fees distributed by the Clerk of the Circuit Court of Cook County monthly. The budget of \$8,000 is based on previous year activity.

<b>Ground Emergency Medical Transport 440660</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$30,000</b>	<b>\$1,100,000</b>

Accounts for reimbursement for the Ground Emergency Medical Transport (GEMT) reimbursement program which will provide increased cost reimbursement to the Village for services related to Medicaid ambulance transports provided by the Village. The 2023 budget of \$1,100,000 is based on the Village's history of Medicaid related transports and costs. The Village is required to remit 50% of GEMT revenue to the State quarterly which is budgeted as an expenditure.

**Intergovernmental**

<b>Personal Property Replacement Tax 450105</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$275,672</b>	<b>\$478,805</b>

Accounts for Personal Property Replacement Tax (PPRT) distributions from the Illinois Department of Revenue. PPRT are revenues collected by the State and paid to the Village to replace money that was lost when the State discontinued local municipalities' authority to impose personal taxes on corporations, partnerships, and other business entities. Tax receipts are distributed in eight installments: January, March, April, May, July, August, October, and December. During the past several years the State has diverted millions of dollars away from the PPRT revenues and there have been local legislative pressures to fight to retain this funding. However, 2021 receipts came in approximately \$200k over budget and the 2022 receipts through August are \$300k over budget. The significant increase is due to strong corporate profits earlier in

the year combined with a planned transfer into PPRT at the state level. The 2022 projection of \$736,623 is based on the current trend. The 2023 budget is \$478,805 which accounts for expected decreases in corporate profits and assuming no transfer into PPRT in 2023.

<b>State Income Tax 450110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$6,253,722</b>	<b>\$7,354,455</b>

Accounts for monthly Income Tax distributions from the Illinois Department of Revenue. The Village receives a portion of the State’s 4.95% personal income tax on individuals, trusts, and estates, and 7.00% tax on corporations. Income tax is distributed to the Village on a per capita basis and the Village’s current population based on the 2020 census is 48,705.

	2018	2019	2020	2021	2022 Estimate	2023 Budget
<b>Income Tax Revenue</b>	\$4,508,718	\$5,014,901	\$5,147,028	\$6,356,983	\$7,354,455	\$7,354,455
<b>Percentage Change</b>	10.62%	11.23%	2.63%	23.51%	15.69%	0.00%
<b>Per Capita Basis</b>	\$96.46	\$107.29	\$110.12	\$127.29	\$151.00	\$151.00

As the chart above indicates, the Village saw a 23.51% increase in income tax revenue for 2021. Income tax in 2022 has continued to benefit from positive factors including an improving labor market, extraordinary Corporate Income Tax receipts, and higher than estimated tax payments from individuals with pass-through entities. These elevated levels are not expected to be the new baseline but there is no additional information to support or refute this. As such, the 2022 budget and 2023 projection are estimated to be \$151 per capita.

<b>Local Use Tax 450115</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,889,754</b>	<b>\$1,899,495</b>

Accounts for monthly Use Tax distributions from the Illinois Department of Revenue. Use tax is a tax imposed on the privilege of using, in Illinois, any item of tangible personal property that is purchased anywhere at retail. In most instances, registered retailers act as the collectors of use tax and pay the tax to the Illinois Department of Revenue when they file their monthly sales tax return. The Illinois Department

of Revenue then distributes 20.00% of the collections for general merchandise and 100.00% of the collections on qualifying food, drugs, and medical appliances to local governments on a per capita basis.

In June 2019, the Leveling the Playing Field for Illinois Retail Act was signed into law by Gov. Pritzker. Starting on January 1, 2020, marketplace facilitators such as Amazon are required to collect the 6.25% Use Tax on marketplace sales from certain retailers. Starting on January 1, 2021, marketplace facilitators and eligible remote retailers are required to collect both Illinois’ 6.25% Retailer’s Occupation Tax (ROT) and any locally imposed ROT, instead of the 6.25% Use Tax, on online purchases from sellers based on where the product is delivered. This change has resulted in flat growth in use tax receipts for 2021 and 2022 and a corresponding increase in sales tax receipts for the Village. Use Tax receipts are expected to be moderate for the remainder of 2022 and through 2023. The first nine months of 2022 have shown a 0.81% increase as compared to the same period of 2021. The 2023 budget of \$1,899,495 is based on the Illinois Municipal League’s listed Local Use Tax per capita.

	2018	2019	2020	2021	2022 Estimate	2023 Budget
<b>Local Use Tax Revenue</b>	\$1,373,010	\$1,577,084	\$2,040,735	\$1,867,089	\$1,889,754	\$1,899,495

<b>Glenbrook Fire Protection District 450120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$2,655,522</b>	<b>\$2,760,287</b>

Accounts for payments to the Village by Glenbrook Fire Protection District for fire suppression services and emergency medical services. The Village calculates the amount due based on the EAV and submits an invoice to the Fire District on an annual basis. The budget is based on what the Village has historically billed the Glenbrook Fire Protection District. The 2022 estimate is \$2,788,169 in line with the 2022 bill. The 2023 budget is set at \$2,760,287 which is a 1% decrease from 2022 due to an estimated decrease in the district’s EAV because of the annexation of the Allstate property to the Village.

<b>Village of Golf Fire Protection 450125</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$143,000</b>	<b>\$143,000</b>

Accounts for the Village of Golf fire protection service fee per an intergovernmental agreement where the Village provides fire protection and emergency medical services to the Village of Golf. Based on the agreement between the Village and the Village of Golf, the Village of Golf will compensate the Village \$143,000 for these services in 2023.

<b>Grant Proceeds 450135</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$15,624</b>	<b>\$0</b>

Accounts for grant proceeds, such as Illinois Comptroller Joint ETSB consolidation grants anticipated to be received in 2022. In 2021 the Village received an American Rescue Plan Act (ARPA) grant for \$3,215,624, with \$315,624 allocated to the Corporate Fund. The Village is set to receive second tranche of ARPA funds in the amount of \$3,215,624 in 2022 which will be allocated to the Water Fund and Capital Projects Fund as directed by the Village Board during the 2022 budget workshops.

<b>State Cannabis Tax 450140</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$87,669</b>	<b>\$121,763</b>

Accounts for monthly Cannabis Tax distributions from the Illinois Department of Revenue. Adult recreational cannabis was legalized in Illinois on January 1, 2020. The state imposed an excise tax on these sales and a portion of this revenue is allocated to local governments based on the population. This is an allocation that local governments will receive regardless of whether there is a dispensary located in the government’s jurisdiction or if the government imposes a local tax on adult-use cannabis sales. Collections through the first nine months of 2022 are 31.76% higher than the same period in 2021. The State issued 149 new dispensary licenses in July 2022. Recipients have 180 days to open their businesses but may request an extension. It is assumed that the new stores will open gradually. The Village is budgeting State Cannabis Tax revenue of \$121,763 for 2023, which is based on the Illinois Municipal League’s listed Cannabis Tax per capita.

<b>Village of Lincolnwood Inspections 450151</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$15,000</b>	<b>\$15,000</b>

Accounts for the Village of Lincolnwood’s use of the Village’s sanitarians for health inspections at the rate of \$80 per inspection, re-inspection, complaint, or complaint re-inspection per the memorandum of understanding between the two villages dated March 1, 2015. The Village of Lincolnwood is billed by the Village every six months. Based on actual previous year receipts and the expectation for inspections to return to pre-pandemic levels, the Village’s 2023 budget will remain the same as the 2022 budget at \$15,000.

<b>Village of Morton Grove Inspections 450152</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$15,000</b>	<b>\$15,000</b>

Accounts for the Village of Morton Grove’s use of the Village’s sanitarians for health inspections at the rate of \$80 per inspection, re-inspection, complaint, or complaint re-inspection per the memorandum of

understanding between the two villages dated May 9, 2016. The Village of Morton Grove is billed by the Village every four months. Based on actual previous year receipts the Village’s 2023 budget will remain the same as the 2022 budget at \$15,000.

<b>Outsourced Dispatch Revenue 450170</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$7,114,968</b>	<b>\$7,570,399</b>

Accounts for quarterly payments received by the Village for providing emergency 9-1-1 dispatching services to other municipalities’ residents and businesses. The Village currently has dispatch service agreements with the following municipalities: Grayslake, Highland Park, Highwood, Lake Bluff, Lake Forest, Morton Grove, Niles, Glencoe, Kenilworth, Northfield, Winnetka, Lindenhurst, and Wilmette. The budget of \$7,570,399 is based on the agreed upon payment schedules with each municipality for the dispatch services that the Village provides.

The State of Illinois passed Public Act 99-0006 (Act) on June 29, 2015. The Act requires all communities with populations of less than 25,000 to consolidate their emergency telephone system boards with other communities that either alone, or in combination, exceed the 25,000-population threshold. The Village operates a Joint Emergency Telephone System Board (Joint ETSB) with the above municipalities.

**Investment Income**

<b>Interest – Savings 460110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$50,000</b>	<b>\$8,020</b>

Accounts for interest income from the Village’s savings accounts at Busey Bank. The revenue from this account is dependent on short-term interest rates and investable funds. Based on the anticipated interest rates and investable funds, the Village’s 2023 budget is \$8,020.

<b>Interest – Investment 460120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$165,000</b>	<b>\$162,050</b>

Accounts for interest income for the savings account and the investments of certificates of deposits, treasuries and securities through PMA, Inc. and Illinois Funds. Interest from the Cook County Treasurer (property taxes) is also recorded to this account. Rates have begun to recover from pandemic levels, so expected interest income has increased. Based on the anticipated interest rates and investable funds, the Village’s 2023 budget is \$162,050.

**Other Revenues**

<b>Franchise Tax – Nicor 470110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$35,000</b>	<b>\$45,179</b>

Accounts for franchise gas payments to the Village. The payment is currently only made by Nicor Gas on an annual basis and is typically received in January each year. The payment is calculated by taking the Village’s therm allocation of 74,692 (based on the Village’s population) and multiplying it by the rolling three-year average of gas costs rate. The Village Board adopted an ordinance granting Nicor the right to

construct, operate and maintain a gas distribution system in the Village for a term of 50 years from July 2, 1973. The 2023 budget of \$45,179 is based on prior year payments.

<b>Franchise Tax – Cable 470120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$823,464</b>	<b>\$850,000</b>

Accounts for cable franchise payments to the Village. According to Sec. 74-6 of the Village’s Municipal Code, “any telecommunications carrier or provider that desires to construct, install, operate, maintain or locate telecommunications facilities in any public way or otherwise for the purpose of providing cable service to persons within the Village shall first obtain a cable franchise from the Village.” The payment is currently made by AT&T, Wide Open West, and Comcast on a quarterly basis. The Village does not expect a large fluctuation in payment amounts and the 2023 budget is set at \$850,000 which is relatively flat with 2021 actual receipts.

<b>Service Fees 470951</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$180,000</b>	<b>\$40,000</b>

Accounts for payments from the Willow Creek Community Church for service fees. Under the agreement between the Village and the Willow Creek Community Church, the Village will receive a total of \$1,780,000 in payments in exchange for services over a period of twenty years. The 2023 budget is set at \$40,000 annually until 2035 based on the agreement.

<b>Miscellaneous Revenue 470999</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$50,000</b>	<b>\$50,000</b>

A portion of the revenue in this account comes from electronic citation fees from the Clerk of the Circuit Court, fees for FOIA requests, and other revenues that tend to be one-time in nature. The 2023 budget of \$50,000 is based on prior year activity.

**Contributions & Transfers**

<b>Administrative Charges – Library 480350</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$134,965</b>	<b>\$135,000</b>

Accounts for payments from the Glenview Public Library in exchange for administrative and maintenance support provided by the Village. Glenview Public Library pays the Village for the cost of these services monthly. The 2023 budget is set at \$135,000.

<b>Transfer from Wholesale Water Fund 490520</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$325,000</b>	<b>\$325,000</b>

Accounts for transfer from the Wholesale Water Fund for the reallocation of wholesale water costs.

<b>Transfer from Insurance Fund 490630</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$250,000</b>	<b>\$250,000</b>

Accounts for transfers from the Insurance & Risk Fund.

<b>Transfer to Corporate Purpose Bonds Fund 590310</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$2,218,332</b>	<b>\$2,235,732</b>

Accounts for the transfer to move property tax revenue to the correct fund to pay the General Obligation Refund Bond Series 2012B and the General Obligation Bond Series 2013A. On December 18, 2012, the Village issued the 2012B bonds in the amount of \$14,575,000. This debt helped finance the construction of the Municipal Building, which was originally planned to be used as the Village’s Police Station. On December 19, 2013, the Village issued the 2013A bonds in the amount of \$6,065,000. This second debt issuance was issued for the purpose of financing the Municipal Building expansion, including the Village Hall relocation.

The Corporate Fund transfers out all property taxes received for the 2012B and 2013A bonds to the Corporate Purpose Bonds Fund where it is recorded as revenue. The Corporate Purpose Bonds Fund then makes the debt service payments. The 2023 budget, which is based on the agreed upon debt repayment schedule, is \$1,810,100 for the 2012B bonds and \$425,632 for the 2013A bonds.

## *Management Services Department*

---

The Management Services Department includes two divisions: Administration and Joint Dispatch/IT. The focus of the Administration division includes the Village's customer service hub with a focus on responding to resident requests, community engagement efforts, business analytics, police records, and the Village Manager's Office who oversees the daily operations of the Village. Joint Dispatch/IT is responsible for receiving 911 calls, dispatching appropriate police and fire units to calls for 13 communities, and answering general non-emergency calls. IT supports all technical aspects of computers, Village Networks, storage and some application management.

Administration is staffed by 26 full-time employees and 2 part-time employees (Village Manager, Deputy Village Manager, Assistant Village Manager, Director of Management Services, Deputy Director of Management Services, (2) Assistants to the Village Manager, Deputy Village Clerk/Executive Assistant, Special Projects Manager, Administrative Coordinator, Community Engagement Manager, Cable TV Coordinator, Cable Video Producer, Human Resources Manager, Human Resources Generalist, Utility Billing Representative, Customer Service Manager, (4) Customer Service Representatives, Communications Analyst, part-time Customer Service Representative, Records Coordinator, (3) Records Clerks, and part-time Records Clerk), additionally there are 7 full-time equivalent (FTE) contracted Finance division staff.

Joint Dispatch/IT is staffed with 48 full-time employees and 8 part-time employees (Director of Public Safety Support Services, Deputy Director of Public Safety Support Services, Quality Assurance Training Supervisor, Application Support Specialist, (7) Shift Supervisors, (37) full time Telecommunicators, and (8) part-time Telecommunicators), additionally there are 5.5 full-time equivalent (FTE) contracted IT division staff.

The 2023 Management Services Department budget of \$23,965,955 is up 3.14% from the 2022 projection and up 3.12% from the 2022 budget. The 2023 budget includes a continued focus on the Village's community engagement efforts, enhancing the customer service experience, organizational development, and making life better for citizens and staff. The 2023 budget has managed to keep expenses minimal, while accounting for increased costs due to unprecedented inflation. Many project implementations were carried out in 2022, with a few new projects slated for 2023 all geared towards making Glenview better for the community and personnel who support it.

In 2023, the Management Services Department will continue the implementation of the Community Engagement Plan with an increased focus on video storytelling of Village programs, people and "All Things Glenview" supported by the hiring of communications analyst. The department will also be launching the new Village website aimed at providing a better user experience, streamline back-end editing functionality, and provide a more dynamic user experience consistent with the Community Engagement Plan. Launching the new website will also enable the Business Analytics division to begin publicly publishing key performance indicators and data for the Village's various departments in 2023. Additionally, recently vacated positions have allowed for restructuring of the customer service team. The Resolution Center and Records Division Supervisor positions have been consolidated into a single Customer Service Manager responsible for managing these two divisions. Two part-time positions (cashier and part-time records clerk) have been upgraded to full-time to provide additional customer service support to the public.

<b>Regular Salaries 511110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$5,973,720</b>	<b>\$6,200,726</b>

Accounts for a portion of the salary expense for full-time Management Services employees. The FY 2023 Budget includes a 2.5% merit increase and merit bonuses for non-union employees and a 2.75% increase for union positions covered by the Joint Dispatch union contract. The current contract expires 12/31/2022. The 2023 budget is up from the 2022 budget due to the following position changes combined with salary increases: one additional Customer Service Representative, a Human Resources Manager, an Assistant to the Village Manager, a Records Clerk, and Customer Service Manager offset by a reduction of a Management Analyst, a Business Analytics Analyst, Resolution Center Supervisor, and a Records Supervisor.

Accounts for salary expenses for (1) Part-Time Customer Service Representative (CSR), (8) Part-Time Telecommunicators (TCs), Village President, (6) Trustees and (1) Part-Time Records Clerk. The FY 2023 budget includes a 2.5% increase for part-time CSRs, TCs, and Records Clerk. The 2023 budget is primarily lower than the 2022 budget due to the reduction of one Part-Time CSR position and transitioning one part-time Records Clerk position to full-time.

Overtime Salaries 511210	2022 Budget	2023 Budget
	\$919,317	\$1,115,939

Accounts for the Corporate Fund share of overtime salaries associated with Joint Dispatch for Telecommunicators and supervisors, GVTV, Resolution Center, Records, and overtime costs incurred for community special events. The remaining share of overtime salaries are included in the Commuter Fund for Records and Water and Sewer Funds for the Resolution Center.

Joint Dispatch including FLSA (see below)	\$1,005,867
GVTV	\$2,022
Resolution Center	\$3,603
Records	\$8,386
Special Events	\$96,061
<b>TOTAL</b>	<b>\$1,115,939</b>

Joint Dispatch Overtime:

- **Structured \$215,000** – Overtime related to staff attending meetings, training, drills, festivals, public education events, and for holiday pay for staff working their regular shift on holidays. The 2023

budgeted amount represents an increase over the 2022 budget due to regular supervisory meetings, recruitment, in-person training and phone and radio quality assurance reviews and follow up.

- **Hireback \$265,768** – The 2023 Hireback amount is a 28% increase from 2021 actual. The increase is largely due to step and COLA increases for staff. Staff anticipates several open positions needing to be filled with Hireback dollars into 2023. As of budget, dispatch is managing an approximately 20% vacancy rate in 2022 with on-going recruitment to fill vacant positions. In addition to the vacancies, COVID continues to impact Dispatch with high levels of sick leave usage.
- **FLSA \$525,099** - Overtime due to being on a 12-hour schedule. Per the Fair Labor Standards Act (FLSA), Telecommunicators must be paid overtime for every hour worked over 40 hours in a week. Each Telecommunicator works 36-48 hour weeks each year, resulting in 208 hours of overtime pay per employee on the 12-hour schedule. As an offset each Telecommunicator works 1,976 hours of regular time rather than 2,080 hrs. While listed as overtime due to it being paid at a time-and-a-half rate, it is part of the base pay of Telecommunicators. Hourly rates are negotiated for the FLSA rates to keep annual pay within market.

### Joint Dispatch Overtime 2019 - 2023

#### GVTV Overtime:

- Overtime for after hours and weekend coverage of special events for GVTV broadcasting in a total 2023 budget amount of \$2,022, which is based on an anticipated 40 hours of overtime for GVTV staff for Memorial Day, Veteran’s Day, July 4<sup>th</sup> and other community events that require GVTV coverage.

#### Community Special Events Overtime:

- Overtime for Police, Fire, and Public Works related to staffing the Glenview Memorial Day Parade, Summerfest, July 4<sup>th</sup> Festivities (Twilight Show partially offset by the Park District), Blocktoberfest, and Holiday in the Park events hosted by the Chamber of Commerce in the total amount of \$96,061. These amounts are estimates based on historical trends in personnel needs for community special events.

<b>Event</b>	<b>Amount</b>
Memorial Day Parade	\$1,274
Glenview Summerfest	\$19,419
Glenview Fourth of July	\$39,136
Blocktoberfest	\$31,356
Holiday in the Park	\$4,876
<i>TOTAL</i>	<i>\$96,061</i>

Records and Resolution Center Overtime:

- This budget is based on historical utilization, as well as anticipated needs related to Police Records reporting requirements for mandatory deadlines such as Freedom of Information Act requests, and National Incident-Based Reporting System (NIBRS ) statistic requirements, and administrative adjudication hearings (\$8,386). Resolution Center overtime is typically related to providing water billing oversight, as well as, attendance at public gatherings to enhance public outreach (\$3,603).

<b>Holiday Pay 511230</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$99,465</b>	<b>\$101,479</b>

Accounts for the costs of 56 hours of holiday pay for Joint Dispatch Supervisors, full-time Telecommunicators (per the union contract), and one part-time Telecommunicator.

<b>Longevity Pay 511240</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$18,278</b>	<b>\$21,154</b>

Longevity amounts are paid to non-exempt, non-union employees with 7 or more years of service hired prior to 7/17/2012 per the Employee Handbook (9 employees) and to Telecommunicators hired prior to 10/1/2011 with 7 or more years of service per the union contract (4 employees). Longevity amounts are included in union contracts and the employee handbook at a specific point in time and are increased annually based on the annual September change in CPI. The estimated change in CPI is 9% based on current trends. Longevity is allocated across funds in the same proportions as regular salaries. The 2023 budget increased due to inflation causing a higher CPI figure.

<b>Vacation Buy Back 511270</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$41,000</b>	<b>\$49,100</b>

Accounts for the vacation time compensation paid to Management Services Department employees for a certain number of accrued and unused vacation hours in accordance with the Employee Handbook and union contracts. The 2023 budget is based on review of program participation in prior years.

<b>Sick Buy Back 511280</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$4,000</b>	<b>\$5,500</b>

Accounts for the sick time compensation paid to Management Services Department employees for a certain number of accrued and unused sick hours in accordance with the Employee Handbook and union contracts. The 2023 budget is based on review of program participation in prior years.

<b>Deferred Compensation 512110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$22,426</b>	<b>\$24,333</b>

Accounts for a portion of deferred compensation paid to the Village Manager, Deputy Village Manager, Assistant Village Manager, Director of Management Services and Director of Public Safety Support Services at 3% of their base salary per the Employee Handbook. Deferred compensation is allocated across funds in the same proportions as regular salaries.

<b>Auto Allowance 512120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$28,560</b>	<b>\$29,712</b>

Accounts for the auto allowance paid to the Village Manager, Deputy Village Manager, Assistant Village Manager, Director of Management Services, Director of Public Safety Support Services, and Deputy Director of Public Safety Support Services per the Employee Handbook. Auto allowance is allocated across funds in the same proportions as regular salaries.

<b>FICA Payments 514110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$541,251</b>	<b>\$587,093</b>

Accounts for the employer FICA (Social Security (6.2%) and Medicare (1.45%)) payments applied to the FICA Wages (salaries, longevity, vacation and sick buy back, deferred compensation and auto allowance).

<b>IMRF Payments 514210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$689,629</b>	<b>\$566,701</b>

Accounts for a portion of the employer's share of the Illinois Municipal Retirement Fund (IMRF) Pension Contributions. The 2023 employer rate is 7.39% of IMRF wages which include salaries, OT wages, vacation and sick buy back, longevity and deferred compensation. The 2023 rate is 24% lower than the 2022 rate of 9.73% primarily due to positive investment results and changes in the actuarial assumptions.

<b>Health Insurance 514410</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$917,081</b>	<b>\$1,017,314</b>

Accounts for a portion of health insurance, dental insurance, and insurance opt-out incentive for eligible Management Services personnel. The Village offers employees a choice between two health insurance plans which include an HMO option and a PPO option. The HMO rates increased 1.0% and the PPO rates increased 4.7%.

<b>Incentive and Recognition 515300</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$2,300</b>	<b>\$2,900</b>

Accounts for employee recognition within Dispatch. Includes supplies for National Telecommunicator Week (\$1,200), years of service recognition (\$500), and purchase of holiday meals on Christmas Day and Thanksgiving Day (\$1,000). Also included is recognition expenses for GVTV volunteers that provide 100 or more hours annually (\$200).

Audit services were competitively bid in 2017 and a five-year contract with an optional five-year extension was entered into with Baker Tilly Virchow Krause, LLP (“Baker Tilly”). The financial charge for service is calculated by resource demand across funds and updated annually (see table). Fund specific services are charged for items such as the annual Waukegan/Golf TIF report and Continuing Disclosure services.

The budget for Baker Tilly audit services is \$62,018 with a \$54,886 Corporate Fund Cost. The total proposed Corporate Fund 2023 budget is \$59,396.

The Village provides various payment methods to give citizens a range of options for commuter parking permits, building permits, Police issued local ordinance violations, ambulance billing and other miscellaneous payments, many of which can be processed online. An annual transaction receipt analysis of accounts charged to each fund began in 2017 to determine the fund allocation for the next year. Fund allocations (see table above) are based on an analysis of receipt activity. For 2023, credit card transactions will be processed through Tyler Cashiering/Payments (Munis payments) and Persolvent (for LAMA payments – Community Development budget), and no longer through CardConnect and PayPal. These new methods will provide more payment options and enhanced flexibility for the Village’s customers.

<b>Economic Development Agreement 521171</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$4,961,478</b>	<b>\$4,294,000</b>

Accounts for incentive agreements for economic development including sales tax incentives and other revenue sharing agreements. The 2022 projections of \$5,471,000 are 10% higher than the original 2022 budget. This is primarily due to the one-time incentive of \$1,680,000 awarded to the Thomas Place Development to assist in financing the rehabilitation of the building to increase additional affordable senior housing units. This amount was not included as an individual expenditure in the budget as it was approved at the final 2021 Board meeting and will be paid out of fund balance. Excluding this one-time payment, economic development agreement expenditures are expected to be fairly flat with 2021 actuals for 2022. The 2023 budget also is being kept flat with 2022 projections with the exception of the addition of a payment to Prospect Heights related to the annexation and development of the former Allstate site.

<b>Business District Distribution 521172</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$30,000</b>	<b>\$55,236</b>

Accounts for the distribution of shared sales tax from the Chestnut/Waukegan Business District to the developer per the incentive agreement. The businesses within this district collect an additional 1% sales tax that is remitted to the Village from the State of Illinois like all sales tax. The 2023 budget is an estimate based on a 5% increase to the 2022 projection of \$52,606 (2022 projection is a 10% increase of the 2021 \$47,824 actual).

<b>Contractual Disbursements 521180</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$4,000</b>	<b>\$4,000</b>

<b>Finance and Accounting Services 521205</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$973,044</b>	<b>\$1,013,689</b>

The Village outsourced financial services to Lauterbach & Amen in 2009. The 2023 budget includes comprehensive finance management services provided through 7 full-time on-site staff as well as additional Chief Financial Officer and managerial staff support. The financial charge for service is calculated annually by resource demand across funds. The majority of activity is in the Corporate Fund (88.5%). The remaining 11.5% represents work effort in the other funds. The 2023 budget projects a base contract increase of 3% from the 2022 contract amount, for a total contract value of \$1,145,411 with the Corporate Fund allocation being \$1,013,689.

<b>Information Technology Services 521215</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$782,923</b>	<b>\$857,200</b>

Information technology (IT) functions are supported through contracted services. The primary IT contract is a managed service provider with on-site technical resources during business hours and after hour's emergency support. The program staffing level is annually reviewed and allocated across funds based on general technology resource demands (see table). The proposed 2023 Budget includes one-time projects such as upgrades to wireless access within the Village facilities, offsite data back-ups, and storage upgrades.

		<b>\$425,735</b>

Accounts for the cost of supporting non-profits and Village-sponsored programs that benefit Village residents. Applications for funding are evaluated by a staff committee and funding recommendations are provided to the Village Board for final review and approval. The 2023 funding for recurring costs for non-profit services is \$427,216.

Other Professional Services 521290	2022 Budget	2023 Budget
		<b>\$492,699</b>

Accounts for the service fees for outside firms and agencies that support the work of the Management Services Department. Please see the content below the chart for additional details. Special projects to implement software solutions are also budgeted in this account. There is a decrease from 2022 to 2023 due to a \$25,000 reduction in consultation services regarding the Sexton Landfill project which is near to completion; a \$15,000 decrease due to the discontinuation of Media Communication Monitoring and Reporting services following an evaluation of the communications team; reduction of the scope for communications services support due to the hiring of the Community Engagement Manager position; completion of Incode Local Court software implementation totaling \$20,700; and a reduction in the cost of dispatch quality assurance of approximately \$9,000.

			<b>TOTAL</b>	<b>\$386,271</b>

*Organizational Development and Diversity and Inclusion Consultant* \$25,000  
An organizational goal of the Village is the development and implementation of a strategy to further promote a workplace culture that values diversity, equity and inclusion of all individuals working on behalf of the Village. Consultation services are included in the 2023 budget are to implement and support recommendations resulting from the cultural alignment study conducted in 2022.

*Consultation Services* \$65,000  
From time to time, the Village works with consultants in a specialized field of work to provide data analysis, legislative support and consultation on County, State and Federal projects that impact the residents of

Glenview. The 2023 budget was developed based on anticipated needs in addressing Federal, State and regional initiatives (\$60,000). A portion of this account is allocated to conducting environmental studies at the Sexton Landfill, the proposed site of the Patriot Acres Compost Facility due to leachate pollution detected at the property; these studies are being conducted with the Village of Glenview and the Solid Waste Agency of Northern Cook County (SWANCC) (\$5,000). This budget was decreased by \$25,000 compared to 2022 due to the near completion of the Sexton Landfill project.

*Communications Supplementary Services* \$81,510  
 The continued implementation of the Community Engagement Plan is a major Village goal for 2023. The Community Engagement Manager is providing enhanced storytelling, social media and engagement opportunities with communications supplementary services provided by Public Communications Inc., a third-party communications consultant that provides digital communications support and graphic design. This amount was determined based on an analysis of the current costs and the anticipated scope of services for 2023.

*Rapid Notification* \$25,791  
 Rapid notification systems are used to disseminate information to large groups of people via phone call, text message, and email. Information can be for boil orders, water main breaks, missing persons, or other information that may have a time sensitive component to the message. The Village is using Rave Alert for rapid notification. In 2021, staff re-negotiated a shared purchase amongst Joint Dispatch Customers. The 2023 amount of \$25,791 includes \$3,674 for Glenview’s share of the annual licensing agreement. Glenview pays the annual license fees for each agency and is then reimbursed by the agency for their share of the fee.

*Smart 911* \$16,590  
 Smart 911 is a service that allows residents to voluntarily register and provide medical and family information that would be beneficial for public safety to have access to in the event of the person calling 911. Smart 911 is owned by Rave, the same company operating the Village’s rapid notification system. Smart 911 is a shared purchase of which Glenview pays \$2,147 of the \$16,590 annual license fee. Glenview pays the annual license fees for each agency and is then reimbursed by the agency for their share of the fee.

*Emergency Medical Dispatch ProQA* \$16,660  
 In 2018, Glenview purchased ProQA software for the Emergency Medical Dispatch program. In 2020, 4 additional licenses were added and Glenview signed a multi-year agreement for support which resulted in a discount in licensing. The discount for the multi-year agreement is 20% resulting in a license cost of \$1,190 per license per year for 14 licenses versus the non-discounted price of \$1,500 per license. This agreement ends in 2023 and will need to be re-negotiated for future years beginning in 2024.

*Frontline* \$10,151  
 Frontline is a public safety tool for tracking parking permission and vacation watches. It allows public access for customers to enter their own information rather than call into the police department or dispatch. Taking phone calls for parking permission occupies a significant amount of time. In 2023 dispatch added training tracking, increasing our annual cost.

*Priority Dispatch Quality Assurance Review Services* \$16,650  
 Dispatch initially budgeted to outsource review of Emergency Medical Dispatch Protocols. Staff learned of an Artificial Intelligence tool that could aid in Quality Assurance and save on costs. Implementation of the AI tool is ongoing in 2022. Budget for the AI tool through our EMD vendor is approximately 36% less totaling \$16,650 in 2023 (original budget of \$25,992).

----------------------------------------	--------------------	--------------------

	<b>\$500</b>	<b>\$500</b>
--	--------------	--------------

Accounts for the cost of court reporting services as needed for depositions or other litigation events. Historically, these expenditures have ranged from \$0-\$1,500 based on need. Due to the infrequent usage of court reporting, the 2023 budget remains at one session at \$500.

<b>Legal Service/Retainer 521520</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$324,000</b>	<b>\$333,720</b>

In 2019, the Village completed a review of legal services related to general legal counsel, prosecutorial services, employment law, and labor management. The evaluation considered a number of factors including experience, size and depth of the firm, concentration on municipal law, practices areas, and potential cost. Based on the evaluation, the Village’s Board of Trustees appointed Ancel/Glink as the Village Attorney. The 2023 budget accounts for the cost of the Village Attorney retainer for general work, FOIA consultation, required attendance at Village Board and Commission meetings and other work per the terms of their agreement.

<b>Outside Litigation 521540</b>	<b>2022 Budget</b>	<b>2023 Budget</b>

Printing and Publishing 522150	2022 Budget	2023 Budget
	\$41,782	\$78,605

Accounts for the cost of printing the newsletter and other Village materials. The increase from 2022 to 2023 is primarily driven by the rising cost of the Village's paper newsletter. This is directly related to the increased cost of paper being seen by printing and publishing companies. The Glenview Report is printed and delivered to all addresses in Glenview ten times per year and is one of the primary vehicles for key Village communications. This line item totaled \$32,000 in the 2022 budget. Staff recently completed a formal request for proposal process for these services through December 2023. The resulting pricing substantially increased from the lowest responsible bidder. These services are budgeted at \$63,000 for 2023.

<b>Software Licensing 522160</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,651,027</b>	<b>\$1,925,728</b>

This account includes ongoing software maintenance charges as well as any proposed projects that require software. The selection of new software is competitively bid and awarded. The charges are allocated across funds based on general technology resource demands using Charts 2 (All Funds) and 3 (Corporate Fund only), updated annually, and summarized below by function. Software that supports a specific function is charged directly to the appropriate account. For example, utility billing software is charged toward the Water and Sanitary Sewer Funds and New World software is offset through Joint Dispatch revenue.

The FY 2023 software budget includes ongoing support of MUNIS SaaS (Software as a Service); telephones; dispatch software solution to interface Glenview’s Computer Aided Dispatch software to neighboring jurisdiction’s Computer Aided Dispatch software; police ALJ software; and O365;. New Software requests total approximately \$160,000 and include Payroll, Performance Metric tracking, and updated offsite data back-up for disaster recover. Additionally, staff has budgeted 7-10% increases for core software packages such as MUNIS, O365, and Talentspace (SABA performance tracking software).

	<b>\$104,145</b>	<b>\$197,210</b>

Accounts for the cost of regularly scheduled maintenance to existing or newly purchased equipment in Joint Dispatch. There are three new items added to maintenance for 2023 which account for 96% of the increase from the 2022 budget. In 2022, a fire new station alerting system was installed and no maintenance was needed in 2022. The cost of maintenance is \$26,900. In 2018 Joint Dispatch upgraded the 911 phone system and pre-purchased a multi-year agreement. The agreement ended in 2022 requiring on-going maintenance in 2023 and beyond. Lastly, dispatch console cleaning services was added in 2023. The consoles are under warranty and the manufacturer requires a certified provider to maintain the equipment.

Audio Visual Supplies 531025	2022 Budget	2023 Budget
	\$4,663	\$8,362

Accounts for the supplies for the Glenview TV production. Each year GVTV provides an updated equipment request to support annual programming. The 2023 budget includes replacement of two camcorders (\$7,657), and a wireless microphone system (\$705). The variance from year to year is primarily due to the need to replace two camcorders in 2023 versus 2022 when one was replaced.

<b>Batteries (Specialized) 531030</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$2,984</b>	<b>\$3,008</b>

Accounts for battery backup uninterruptible power supply (UPS) batteries for computer equipment which provides power in a main power failure. One unit replaced annually with larger replacement budgeted as needed.

<b>Computer Supplies 531060</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$7,500</b>	<b>\$7,557</b>

Accounts for the provision of computer operational supplies to replace older or broken equipment such as headsets, flash drives, mouse, keyboards, speakers, wiring and laptop batteries.

<b>Computer/Printer/Copier Toner 531070</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$29,840</b>	<b>\$39,951</b>

Accounts for consumable printer supplies (toners and fusers) for thirteen (13) copiers – 5 large heavy duty, 8 small/medium duty and fifty-five (55) Village printers and supplies for a large format color plotter and a blueprint machine. The FY 2023 budget is based on 2022 projections of \$37,500. This account is projected to be over budget due to increased demand on copy supplies with more staff back in the office regularly. The total budget of \$42,463 is allocated across funds with Corporate Fund expenditures of \$39,951 or 94% of the total budget.

<b>Electronic Equipment and Supplies 531080</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$73,035</b>	<b>\$220,771</b>

This account includes expenditures for extended warranties and maintenance agreements for network hardware (servers, data storage devices, routers, and wireless access points), audio visual video equipment, Kronos Time Clocks, Voice-over IP and conference phone replacements, and leasing of GPS hardware/software for a total IT Corporate Fund budget of \$217,621. This account also includes network switches/hardware to support Joint Dispatch, and various pieces of equipment to support GVTV (\$3,150).

<b>General Office Supplies 531110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$9,955</b>	<b>\$11,055</b>

Accounts for office supplies used in the Village Manager’s Office (\$1,100), consolidated supplies for Finance/Records/Resolution Center (\$8,505) and Dispatch (\$750) as well as postage machine supplies for the Municipal Center postage machine (\$700). These figures were developed through a review of previous year expenditures and anticipated 2023 needs.

<b>Traffic Control Supplies 531225</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$800</b>	<b>\$1,700</b>

Accounts for 4<sup>th</sup> of July Twilight Show (fireworks) crowd and traffic control supplies (i.e. cones, barricades, signage, flares and direction glow-sticks). This amount is based on a three-year average which has increased from previous years based on increased activity level as these events have resumed.

<b>Uniform and Shoe 531230</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$28,000</b>	<b>\$28,000</b>

Full-time uniform allowance, \$600 per Telecommunicator and Supervisor. Part-time uniforms are initially provided and then replaced as needed.

<b>Function</b>	<b>Description</b>	<b>Qty</b>	<b>Unit Cost</b>	<b>Total Cost</b>
Dispatch	Full-Time Telecommunicator Supervisor Uniform Allowance	45	\$600	\$27,000
Dispatch	Part-Time Telecommunicator Uniform Allowance	2	\$500	\$1,000
<b>TOTAL</b>				<b>\$28,000</b>

<b>Other Supplies 535050</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$64,845</b>	<b>\$76,236</b>

Accounts for miscellaneous equipment required to support various programs, as well as coffee supplies and costs related to employee engagement events and initiatives. The Village is also expanding its apparel program to offer apparel to all staff and contractors. Previously this program was limited to non-union positions and contractors. Dispatch budgets to replace heavy duty chairs in the dispatch center each year. Heavy duty chairs are also referred to as 24/7 use chairs, as these chairs are typically in use 24 hours per day, 7 days a week. The wear and tear on 24/7 furniture means they have to be replaced more often than a typical office chair. Repair parts over the lifespan of a chair are also included in the budget.

## ***Public Works***

The Public Works Department is responsible for maintaining the high quality and safety of Glenview's infrastructure and facilities. The Village owns and maintains 154 lane miles of roadway, 288 miles of sidewalk, 2,159 streetlights and 30,593 public trees. Public Works is responsible for pothole patching, street sign maintenance, street sweeping, snow plowing, Geographic Information Systems (GIS), street lighting and traffic signal maintenance, sidewalk repair and maintenance, parkway tree removals and plantings, and brush pick up. The Village currently owns and maintains 31 facilities including the municipal center, five fire stations, two train stations, eight water pumping stations, four sanitary sewer lift stations, two storm sewer stations, two parking decks and other various facilities. Beyond annual operating maintenance, these facilities require capital maintenance and improvements to ensure they meet and exceed their useful lives and provide safe and clean environments for use by Village residents and staff. Annually, the Village Board reviews and approves the facilities capital improvement plan to ensure that Village facilities are properly maintained. All department functions are accounted for in several Village Funds (Corporate Fund, Glenview Water Fund, Glenview Sanitary Fund, Commuter Fund, Wholesale Water fund, Capital Equipment Repair Fund, Municipal Equipment Repair Fund and Facility Repair and Replacement Fund).

The Public Works Department is staffed with 35 full-time positions including a Public Works Director, Deputy Director of Public Works, Public Works Superintendent, an Assistant to the Village Manager, (5) Public Works Supervisors, (19) Maintenance and Equipment Operators (MEO's), an Executive Assistant, a Management Analyst, (2) Field Inspectors, a Fleet Supervisor, and (2) Mechanic Technicians. Additionally, the Public Works department employs the help of (4) winter seasonal hires to assist with snow and ice operations and (4) summer seasonal positions.

As stated above, the Public Works Department budget and activities are included as part of eight Village funds. The Corporate Fund budget includes road, snow/ice, landscape, tree and facilities maintenance. Some highlights within the 2023 Public Works Department budget include:

- Overall staffing is recommended to remain status quo.
- Costs for many services, commodities and contracts has risen more than typical and have been adjusted herein to maintain current service levels.
- Natural gas has seen a large cost increase of approximately 260% year over year (2021 to 2022). Current projections for 2023 expect natural gas costs to stay at elevated levels.
- The Village's public/parkway tree program budget has been adjusted to match canopy expansion recommendations in the Urban Forest Management Plan approved by the Village Board in April 2022.

<b>Temporary/Seasonal Salaries 511130</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$29,400</b>	<b>\$29,986</b>

Accounts for the cost of four (4) winter seasonal employees and four (4) summer seasonal employees to assist with Public Works core service delivery. These positions are allocated as follows: 29% to the Corporate fund, 58% to the Water fund, 4% to the Wholesale Water fund, and 9% to the Sanitary Sewer fund.

<b>Overtime Salaries 511210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$167,500</b>	<b>\$162,444</b>

Accounts for overtime salaries and on-call pay for non-exempt Public Works employees that primarily results from the commitment to maintain appropriate service levels during unscheduled occurrences. Examples of such circumstances include inclement weather, water main breaks, and other infrastructure or facility emergencies. The 2023 budget is based on the Village’s hybrid model that leverages the value of in-house PW staff and outside contractors through outsourcing to perform typical PW functions such as locate services, asphalt repairs, etc. This is based on the three-year average plus the changes negotiated to the collective bargaining agreement in 2020.

<b>Longevity Pay 511240</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$13,588</b>	<b>\$14,165</b>

Longevity is paid to Public Works union employees per the union contract with 7 or more years of service hired prior to 1/1/15 (15 employees) and Public Works non-union non-exempt employees per the employee handbook with 7 or more years of service hired prior to 7/17/2012 (7 employees). Longevity amounts are included in union contracts and the employee handbook at a specific point in time and are increased annually based on the annual September change in CPI. The estimated change in CPI is 9% based on current trends. Longevity is allocated across funds in the same proportions as regular salaries.

<b>Vacation Buy Back 511270</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$25,000</b>	<b>\$30,000</b>

Accounts for the vacation time compensation paid to Public Works employees for a certain number of accrued and unused vacation hours in accordance with the Public Works Union contract and the Employee Handbook. The 2023 budget is based on review of program participation in prior years.

<b>Sick Buy Back 511280</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$0</b>	<b>\$0</b>

Accounts for the sick time compensation paid to Public Works employees for a certain number of accrued and unused sick hours in accordance with the Public Works Union contract and the Employee Handbook. The 2023 budget is based on review of program participation in prior years.

<b>FICA Payments 514110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$82,902</b>	<b>\$93,212</b>

Accounts for a portion of the employer portion of FICA (Social Security (6.2%) and Medicare (1.45%)) payments for Salaries, Deferred Compensation, Vacation Buy-Back and Longevity. All Public Works employees are subject to Social Security and Medicare taxes.

<b>IMRF Payments 514210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$102,524</b>	<b>\$87,841</b>

Accounts for a portion of the employer's share of the Illinois Municipal Retirement Fund (IMRF) Pension Contributions. The 2023 employer rate is 7.39% of IMRF wages which include salaries, OT wages, vacation and sick buy back, longevity and deferred compensation. The 2023 rate is 24.05% lower than the 2022 rate of 9.73% primarily due to positive investment results and changes in the actuarial assumptions.

<b>Health Insurance 514410</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$173,541</b>	<b>\$183,316</b>

Accounts for a portion of health insurance, dental insurance, and insurance opt-out incentive for eligible Public Works personnel. The Village offers employees a choice between two health insurance plans which include an HMO option and a PPO option. The HMO rates increased 1.0% and the PPO rates increased 4.7%.

<b>Incentives and Recognition 515300</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$300</b>	<b>\$300</b>

Accounts for gift certificates per the union contract.

<b>Certification Pay 515700</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$750</b>	<b>\$750</b>

Account for incentive pay for employees who maintain an Arborist certification.

**Contractual Expenditures**

<b>Landscape Services 521220</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$327,543</b>	<b>\$697,940</b>

Accounts for the cost of Village owned median maintenance, monthly general landscaping services, monthly landscape services for The Glen Town Center, natural area maintenance, fence repairs, and the Patriot Boulevard median landscaping project. Other projects funded from this account include seawall erosion repairs, fishing platform repairs, north monument plant maintenance, Lake Glenview aeration maintenance, and other habitat restoration projects. An additional \$32,560 is budgeted in the Water Fund for sod restorations. The 2023 budget increased due to absorbing landscaping costs for the Glen as well as costs previously budgeted in the Consolidated Contract line item.

<b>Medical Services 521230</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,400</b>	<b>\$2,890</b>

Accounts for random drug testing of Public Works employees per the union contract and Federal Department of Transportation regulations for employees who hold Commercial Driver’s Licenses (CDL). The 2023 budget increased due to higher unit prices and increased quantity of testing.

	<b>Qty</b>	<b>Unit Price</b>	<b>Total</b>
Random Drug Testing (three employees selected quarterly)	12	\$165	\$1,980
Random Drug Testing – Annual Administrative Fee	1	\$250	\$250
Random Drug Testing – Additional As-needed	4	\$165	\$660
		<b>TOTAL</b>	<b>\$2,890</b>

<b>Other Professional Services 521290</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$605,089</b>	<b>\$591,069</b>

Accounts for the service fees for outside firms and agencies that support the work of the Public Works Department. Some services are associated with repairs from vehicle accidents which damage Village property. The Village seeks recovery to the full extent allowed from insurance coverage related to any property damage.

The Village joined the GIS Consortium in 2006. GIS staffing is provided through the Municipal GIS Partners. The program staffing level and services are reviewed annually. Once needs are determined, the budget is allocated across funds based on general technology resource demands.

<b>2023 Budget</b>	<b>\$47,803</b>

Tree and Stump Programs

Staff has developed a six-year tree program to remove dead and diseased trees and stumps throughout the Village. Starting in 2020, the Village was separated into six geographic sections (shown below) and trees and stumps are removed from one section annually. The Village’s tree program includes tree and stump removal, tree trimming, tree planting, and tree assessments. The Village also receives routine tree and stump removal requests and emergency tree and stump removal requests via the work order program. An annual tree survey of the next year section is conducted to determine the program costs for the following year. In

2023, staff will be servicing tree and stump removal, tree trimming and tree planting in section 4 and will be performing tree assessments in section 3.

## ***Police Department***

---

The Glenview Police Department provides quality law enforcement services to residents and businesses in a safe and secure environment that fosters a sense of security. The Police Department services include crime investigations, juvenile crime investigations, patrol operations, traffic and parking enforcement, and crime prevention education.

The Police Department is staffed with 77 sworn positions including a Chief, Deputy Chief, (4) Commanders, (12) Sergeants and (59) Police Officers. Additionally, the Police Department employs (2) Public Service Officers, one Property Evidence Officer, (2) Police Social Workers and one Executive Assistant.

The 2023 Police Department budget of \$18,187,899 is a 13.6% increase over the 2022 budget. Although personnel expenses account for the majority (74.1%) of the proposed increase, other factors include vendor price increases for materials, services, memberships, and operational needs associated with inflation. There are also several notable additions to the budget that speak to addressing the safety of the community. A continued focus has been placed on public safety and ensuring Glenview residents feel safe. Some of the additions include increasing staffing levels for a social worker, temporarily backfilling a vacant position and resources for enhanced safety initiatives, a security camera system that incorporates license plate reading technology which allows participating communities to share information, and the purchase of a drone. The drone will be used for rapid field and tactical deployments, search-and-rescue operations, surveillance, giving first responders visual cues, and crime and crash scene documentation. Other adjustments to the police budget include re-allocating some expenses to accounts in the police budget that had previously been budgeted in other accounts. One prime example is the creation of a Software Licensing account that outlines the licensing fees for programs used exclusively by the Police Department which was previously budgeted in the Information Systems (IS) Budget. Much thought and groundwork has gone into the formulation of the 2023 police budget with goals being carefully established and defined with public safety at the forefront.

### **Personnel Expenditures**

<b>Regular Salaries 511110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$8,065,748</b>	<b>\$9,549,896</b>

Accounts for the salary expense for police officers per the Police Union contract and full-time non-union Police Department employees allocated to the Corporate Fund. The 2023 budget includes a 2.5% merit pay increase and merit bonuses for non-union positions, and a 2.75% estimated cost of living adjustment for union positions. The 2023 budget also includes the allocation of resources for increased social worker related needs and the continued enhanced safety initiatives for the community. One position will temporarily backfill a position for an officer currently on military leave for over a year. Upon the officer's return from active duty the position will be removed through attrition.

<b>Position</b>	<b>Corporate Fund</b>
Police Chief	100%

<b>Part Time Salaries 511120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$150,000</b>	<b>\$150,000</b>

Accounts for the estimated salaries for part-time police officers. This program was budgeted in 2022 and 2021 but has not been pursued yet due to other department priorities. The plan is to explore this program in 2023.

<b>Overtime Salaries 511210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$650,000</b>	<b>\$600,000</b>

Accounts for overtime salaries for non-exempt Police Department employees which primarily results from the commitment to maintain appropriate staffing levels. Overtime pay is also an essential element in sustaining the minimum number of personnel during unscheduled occurrences. Examples of such circumstances include sick time, officer injury, unforeseen court delays, etc. Furthermore, overtime is unavoidable due to ongoing investigations, mandatory court appearances, training, vacations, and incidents that may take place towards the end of an officer’s shift. The overtime trend from 2019-2023 is as follows:

<b>Reimbursed Overtime 511225</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$70,000</b>	<b>\$72,000</b>

Accounts for the overtime salary expense expected to be covered and reimbursed by outside parties that have requested police presence for their event. The overtime trend from 2019-2023 is as follows:

<b>Holiday Pay 511230</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$295,779</b>	<b>\$340,733</b>

Accounts for the costs of 96 hours of holiday pay for fifty-eight (58) Police Officers in accordance with the Police Union Contract and 56 hours of holiday pay for twelve (12) Sergeants at their base hourly rate.

<b>Longevity 511240</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$58,984</b>	<b>\$69,041</b>

Longevity amounts are paid to Police Officers per the union contract with 7 or more years of service (27 employees) and Police Department non-union non-exempt employees per the employee handbook with 7 or more years of service hired prior to 7/17/2012 (13 employees). Longevity amounts are included in union contracts and the employee handbook at a specific point in time and are increased annually based on the annual September change in CPI. The estimated change in CPI is 9% based on current trends. Longevity is allocated across funds in the same proportions as regular salaries. The 2023 budget increased due to three sworn employees reaching 7 years of service in 2023.

<b>Vacation Buy Back 511270</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$50,000</b>	<b>\$40,000</b>

Accounts for the vacation time compensation paid to Police Department employees for a certain number of accrued and unused vacation hours in accordance with the Police Union contract and the Employee Handbook. The 2023 budget is based on a review of actual program participation over the last few years.

<b>Sick Buy Back 511280</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$5,000</b>	<b>\$4,000</b>

Accounts for the sick time compensation paid to Police Department employees for a certain number of accrued and unused sick hours in accordance with the Police Union contract and the Employee Handbook. The 2023 budget is based on a review of actual program participation over the last few years.

<b>Deferred Compensation 512110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$5,688</b>	<b>\$5,915</b>

Accounts for the deferred compensation paid to the Police Chief at 3% of base salary.

<b>FICA Payments 514110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$181,883</b>	<b>\$201,250</b>

Accounts for the employer FICA (Social Security (6.2%) and Medicare (1.45%)) payments applied to the FICA Wages (salaries, longevity, vacation and sick buy back, deferred compensation, and auto allowance). All Police Department employees are subject to Medicare while non-sworn employees are subject to Social Security in addition to Medicare.

<b>IMRF Payments 514210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$40,588</b>	<b>\$40,103</b>

Accounts for the employer’s share of the Illinois Municipal Retirement Fund (IMRF) Pension Contributions. The 2023 employer rate is 7.39% of IMRF wages which include salaries, OT wages, vacation and sick buy back, longevity and deferred compensation. The 2023 rate is 24.05% lower than the 2022 rate of 9.73% primarily due to positive investment results and changes in the actuarial assumptions.

<b>Health Insurance 514410</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,111,403</b>	<b>\$1,323,433</b>

Accounts for the employer portion of health insurance, dental insurance, and opt-out incentives for eligible Police Department participants. The Village offers employees a choice between two health insurance plans which include an HMO option and a PPO option. The HMO rates increased 1.0% and the PPO rates increased 4.7%. The 2023 budget increased as a result of rate increases and employee changes in coverage.

<b>Incentives and Recognition 515300</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,500</b>	<b>\$1,500</b>

Accounts for the expenses associated with police academy graduations, retirements, promotions, and bereavement.

**Contractual Expenditures**

<b>Medical Services 521230</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$15,315</b>	<b>\$20,400</b>

Accounts for hospital medical services for prisoners, quadrennial police physicals exam program with stress test, and the annual Northern Illinois Police Alarm System (NIPAS) member physicals as provided for in the Union Contract and Employee Handbook. Quantities stayed the same as the previous budget year, except for one additional NIPAS officer physical. This account shows an increase of \$5,085 due to projected increases in vendor pricing for provided services and the additional NIPAS physical.

<b>Description</b>	<b>Qty</b>	<b>Unit Cost</b>	<b>Total</b>

<b>Printing and Publishing 522150</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$4,885</b>	<b>\$4,975</b>

Accounts for the printing of business cards, various police department forms, event signage, adjudication hearing forms, on-street permits, ordinance ticket printing, and weatherproof citation envelopes used with the new Brazos ticketing system. The account’s minimal increase is due to rising vendor pricing. Also, the department will no longer have the need to share in the group ticket purchasing process eliminating the purchase of P-tickets. Actual P-tickets will only be used as backup in case of electronic citation system failure.

<b>Equipment Maintenance 522230</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$13,541</b>	<b>\$166,635</b>

Accounts for the maintenance of equipment used in police department operations, enforcement, and for the Starcom radio maintenance. There are two essential additions to this account that will allow the department better opportunities for transparency and addressing crime. The first is the Axon video system (\$80,000) for body-worn camera equipment and software. Purchase of the cameras is mandated by the Illinois Safe-T Act, January 22, 2021. The Act mandates that police departments implement a body-worn camera program based on population. Axon offers proprietary hardware and software through Evidence.com. This software is used by the Cook County State’s Attorney for uploading video-based evidence. The other is the Flock Safety System (\$77,350/first year), a security camera system that incorporates license plate reading technology and gives advanced warning to police on vehicles entering the community that have been entered into LEADS Online or NCIC (National Crime Information Center) as a wanted vehicle from criminal activity or stolen. Numerous surrounding communities have contracted and implemented with this company. It provides the ability for the sharing of information between communities, and the system can assist with criminal investigations. The cameras will be placed at all the main arterial entries leading into the Village.

<b>Vehicle Equipment Maintenance &amp; Repairs 522295</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$5,700</b>	<b>\$6,600</b>

Accounts for the maintenance of after-market vehicle equipment, costs associated with vehicle markings through MPC and Suburban Accents, and a new annual police motorcycle maintenance fee of \$1,600. Average yearly payments made from this account can vary depending on necessary maintenance.

<b>Selections &amp; Promotions 523020</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$76,350</b>	<b>\$64,884</b>

Accounts for costs associated with new hires as well as intradepartmental promotions. This account reflects an 8% CPI rate increase related to vendor pricing offset with the removal of the Sgt's promotional examination (\$28,250) for a total decrease of \$11,466. The examination process occurs every three years with the next Sergeant promotional process occurring in 2025.

<b>Specialized Batteries 531030</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$800</b>	<b>\$5,300</b>

Accounts for the replacement batteries for the department issued gun mounted flashlights (100-gun mounted lights), StarCom replacement batteries for portable radios, and a new line item for the replacement of StarCom microphones. The microphones are not repairable and therefore need to be replaced once broken. The purchase of the microphones has created a \$4,500 increase in this account.

<b>General Office Supplies 531110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$750</b>	<b>\$950</b>

Accounts for the office supplies used by the Police Department. The increase of \$200 reflects the rise in vendor pricing on basic office supplies such as paper products, pens, binders, folders, etc.

<b>Meeting Supplies 531140</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$2,300</b>	<b>\$2,300</b>

Accounts for meeting supplies for departmental staff meetings, new hire orientations, hosting of monthly detective meetings, NIPAS annual meeting, and supplies for training programs hosted by the Department.

<b>Uniforms/Shoes 531230</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$88,400</b>	<b>\$122,700</b>

Accounts for uniform and shoe allowance provided for eligible police department personnel including new hires per Union contract or Employee Handbook. Officers receive replacement vests every five years based on hire date. Officers were issued new ballistic rifle protection vests in 2021 with the normal 5-year rotation resuming in 2026. An account increase of \$29,300 reflects the potential hiring of eight officers (new positions and backfilling positions) in 2023 with quantity increases for reimbursements under the Union contract for evidence technicians by \$1,900, exempt staff, NIPAS, and detectives by \$3,000, and Sergeant and Officers by \$2,250. Vendor price increases are anticipated for additional badges by \$2,100, new officer uniforms by \$16,500, and academy uniforms by \$550. The budget also includes a new line item for two motorcycle officer uniforms at \$1,500 each, and the uniforming of a new NIPAS Mobile Field Force member at \$5,000.

<b>Other Supplies/Tools 535050</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$36,440</b>	<b>\$59,880</b>

Accounts for the supplies and tools used in the Police Department. This budget reflects an increase of \$23,400 for a new line item of Medi-packs that contain emergency equipment needed for police rapid deployments. Other highlights include the deletion of 2-line items no longer needed (\$1,000 for child safety seat supplies per change to State of Illinois install procedures and the one-time \$3,500 for the NIPAS rifle purchase), an addition of a miscellaneous line item of \$500 to cover unexpected needs for supplies and tools, and a \$500 reduction to the animal supplies line item. Line-item increases also include vendor price increases for equipment, coffee, evidence collection supplies, and disposable prisoner blankets.

<b>Pension Expense 540240</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$3,889,067</b>	<b>\$3,849,959</b>

Accounts for the 2023 Village Police Pension Contribution to the Police Pension Fund. This employer contribution is funded through a separate line item on the 2022 Property Tax Levy. The 2023 budget is 1.01% lower than 2022 which demonstrates stability in contributions.

<b>Training 540300</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$137,919</b>	<b>\$167,855</b>

The police training budget has been thoroughly evaluated to include identified training needs to ensure all training courses are related to state statutory and mandated trainings, department requirements to establish minimum standards, advanced training intended to increase skills, and training developed to address specific issues such as active shooter, use of force, media relations, and de-escalation training. The

budget also accounts for employee professional development in areas that will enhance employee careers, maintain and develop additional skills to benefit the organization, and improve services to residents and the community. This account is fluid in nature, and constantly changing to reflect a more precise version of required training which has increased the budget by \$29,936 (21%). Basic budget adjustments include vendor price increases, quantity increases, addition and deletion of one-time training, and training moved to or from other accounts. Some major highlights are:

**Administrative/Managerial and General Training**

- Drone Operator training (\$4,280)
- Managing Investigations (\$150)
- Managing the Media in Law Enforcement (\$2,796)
- Truck Enforcement training (\$1,335) for Traffic Unit Officers.

**De-escalation/Use of Force**

- Arrest and Control Tactics training (\$16,000) where the instructor is IRMA (intergovernmental risk management agency) certified. Attending officers will become certified trainers.
- Force Science (\$3,650) for law enforcement (study of use of force incidents)

**Evidence/Investigations**

- Crash Investigation Training I & II

**Law and Procedural Updates**

- Legal & Liability Risk Management for policy development (\$600)

**Professional Development**

- Social-Media in Law Enforcement (\$3,400) for police communications officer

<b>CERF Charges 560010</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$240,362</b>	<b>\$389,800</b>

Accounts for charges from the Capital Equipment Replacement Fund (CERF) for future replacement of vehicles and equipment used by the Police Department. The total CERF annual charges are calculated based on the Village’s policy of maintaining a fund balance of 37% of accumulated reserves. Each fund’s charges are determined by their share of the total reserves. New equipment and vehicles added to CERF by the Police Department has resulted in an increase in the department’s share of costs.

## ***Fire Department***

The Glenview Fire Department provides high quality fire suppression and emergency medical services to residents and businesses residing in the Village of Glenview, Village of Golf, and unincorporated areas of Cook County. The Fire Department services include emergency medical services, which comprise the majority of all calls for service and provides rapid advanced life support response to emergency medical incidents; fire suppression and rescue, which responds to and mitigates a broad range of emergency situations including fires, hazardous materials incidents, below or above ground rescues, water and ice rescues and miscellaneous hazard investigations; and administrative responsibilities, including managing the department's financial matters, budget requests, budget compliance, short term and long term goal development, relations with public and private entities, as well as personnel matters including staffing, discipline and labor relations.

The Fire Department is staffed with 85 positions including a Fire Chief, Deputy Fire Chief, Division Chief of Training, (3) Fire Battalion Chiefs, (3) Fire Captains, (12) Fire Lieutenants, (63) Firefighters/Paramedics and one Executive Assistant.

### **Personnel Expenditures**

<b>Regular Salaries 511110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$9,653,774</b>	<b>\$10,026,573</b>

Accounts for the salary expense for union positions (Firefighters/Paramedic, Fire Lieutenant, and Fire Captain) and non-union positions (Fire Chief, Deputy Fire Chief, Division Chief, Fire Battalion Chiefs, and Executive Assistant). The 2023 budget includes a 2.5% merit increase and merit bonuses for non-union positions. The current union contract expires on 12/31/2022 and the union negotiations will begin in the fourth quarter of 2022. The 2023 budget includes 2.75% as an estimated cost of living adjustment for union positions.

<b>Overtime Salaries 511210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,137,692</b>	<b>\$1,233,571</b>

Accounts for overtime salaries for Fire Department employees which primarily results from the commitment to maintain appropriate staffing levels. Overtime pay is also an essential element in sustaining the minimum number of personnel during unscheduled changes. Examples of such circumstances include sick time, injury, unforeseen shift occurrences, etc. Furthermore, overtime is needed due to training, vacations, and incidents that may take place towards the end of an employee's shift.

Since 2019, the Fire Department has hired 24 new staff members along with promoting 16 new officers from the ranks of Lieutenant through Battalion Chief. With the new hires and new promotions, the department will have an increased training budget over the next 3-4 years. There are seven department members attending paramedic class, which will impact years 2022-2024. Additionally, the need to train current staff in Fire Apparatus Engineer, Vehicle Machinery Operations and Rope Operations to meet their Advanced Firefighter requirements is anticipated. New staff officers will also require training in their positions to meet the department’s professional development model and meet the demands of their new positions. The overtime trend from 2019-2023 is as follows:

Description	2022	2023
Shift Overtime	\$529,920	\$368,640
Acting Company Officer Pay	\$80,000	\$80,500
Admin OT (Special Details)	\$25,000	\$25,000

Apparatus Maintenance and Build Outs/Communications	\$28,000	\$40,719
Unmanned Aircraft (Drone)	\$32,300	\$47,800
<b>TOTAL</b>	<b>\$1,137,692</b>	<b>\$1,233,571</b>

Shift Overtime:

- The Fire Department currently staffs and operates three advanced life support (ALS) ambulances. In addition, the Fire Department staffs five ALS fire suppression apparatus. With the additional hires in 2021, there will be less of a burden on overtime by eliminating the peak time staffing of Ambulance 8. As a result of this change, the Fire Department anticipates a reduction of hire-back overtime hours as seen in previous years.

Acting Company Officer Pay Overtime:

- Overtime related to Firefighters/Paramedics acting in the role of Lieutenants and Lieutenants acting in the role of Battalion Chief to cover for sick leave, vacation leave, injuries and other unforeseen shift vacancies. The 2023 budget is up from 2022 due to salary and personnel increases.

Administration Overtime:

- Overtime related to Fire Department personnel for Special Details such as Glenview Memorial Day Parade, Summerfest, July 4th Festivities, Blocktoberfest, and EMS coverage for special events. With activities and requests going back to pre-COVID levels, the 2023 budget remains at \$25,000 to respond to staffing requests for special events.

Emergency Medical Services (EMS) Overtime:

- In 2020 and 2021, the Fire Department had 12 members retire via the Voluntary Separation Program. In 2023, the impact of staff turnover will continue in the areas of EMS and training with seven members scheduled for paramedic class and one member in EMT-B. The EMS budget of \$218,540 is up due to an increase in the overtime required to backfill new hire training for EMT-Basic and Paramedic school attendees. The overtime cost to train new personnel for their EMS requirements in 2023 will be \$157,700.

HAZMAT Overtime:

- One of the functions of the Glenview Fire Department is to respond to incidents involving hazardous materials. The HAZMAT team personnel are required to attend training to maintain the ability to respond as a member of the Division 3 HAZMAT team. The 2023 budget is up from 2022 due to salary increases and replacement HAZMAT team members due to retirements.

Fire Investigations Overtime:

- Overtime due to the investigation of fires for the Village of Glenview and neighboring communities. The 2023 budget is up from 2022 due to salary increases and additional education requirements for the fire investigation staff.

Public Education Overtime:

- Overtime due to community outreach including school visits, fire prevention programs and CPR training provided by Glenview Fire Department personnel. The 2023 budget is up from 2022 due to salary increases and the addition of Community Risk Initiatives. This year, our pre-plan program, plan review and special events coordination will fall into this category.

Self-Contained Breathing Apparatus and Breathing (SCBA) Apparatus Systems Overtime:

- Overtime relating to the training and maintenance of the SCBA apparatus system. In 2021, the Fire Department replaced all SCBA breathing apparatuses. In 2023, the SCBA budget will decrease back to historical trends since inservice training for the new airpacks is complete.

Training Overtime:

- As mentioned above, the Fire Department had 12 members retire via the Voluntary Separation Program. This will require additional training of staff in the areas of officer development, Fire Apparatus Engineer certification, and training of new recruits. Budget increases in training are anticipated over the next 3-4 years.

Technical Response Team Overtime:

- The Glenview Technical Response Team (TRT) responds to incidents involving confined space, trench rescue and rope rescue emergencies. The TRT team personnel are required to attend training to maintain the ability to respond as a member of the Division 3 TRT team. The Glenview Fire Department currently has three members on IL-TF 1 Urban Search and rescue team. The 2023 budget is up from 2022 due to salary increases and the addition of new personnel that are replacing retired Fire Department members.

Dive Team Overtime:

- The Glenview Fire Department Dive Team responds to water related incidents. The Dive Team members are required to attend training to maintain the ability to respond to water related emergencies in Glenview and neighboring communities. The 2023 budget is up from 2022 due to salary and the addition of new personnel that are replacing retired Fire Department members.

Wellness Overtime:

- Overtime related to Fire Department Personnel to attend specialized training and develop fitness programs for department members.

Apparatus Maintenance and Build Out Overtime:

- Each fire engine requires personnel to configure the layout of the tools and equipment contained within that apparatus. The 2023 budget is up from 2022 due to salary increases along with the addition of a new fire engine and ladder truck. Overtime related to Fire Department Communications/Radio personnel has been moved into the apparatus overtime line item.

Unmanned Aircraft Drone Overtime:

- The Glenview Fire Drone team has become the most active special team over the past two years and is one of the most skilled drone teams in the area. They have assisted with incidents in Glenview as well as neighboring communities. In 2022, Glenview members were requested to become part of the K9/Drone Search and Rescue Strike Team which responds to incidents throughout Northern Illinois. Commitment to the team will continue in 2023. With that commitment, team members will have additional training requirements with many of the exercises being reimbursable.

<b>Holiday Pay 511230</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$290,513</b>	<b>\$286,313</b>

Accounts for the holiday pay that is 3% of base salary for Firefighter/Paramedic, Fire Lieutenants, and Fire Captains per the union contract and Fire Battalion Chiefs per the employee handbook. This amount is paid annually in one lump sum. There has been a slight decrease in the 2023 budget from 2022 due to turnover of staff.

<b>Longevity 511240</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$85,724</b>	<b>\$95,970</b>

Longevity amounts are paid to Fire union employees with 7 or more years of service per the union contract (53 employees) and Fire Department non-union, non-exempt employees with 7 or more years of service hired prior to 7/17/2012 per the Employee Handbook (1 employee). Longevity amounts are included in union contracts and the employee handbook and are increased annually based on the annual September change in CPI. The estimated change in CPI is 9% based on current trends. The 2023 budget increased due to an increase of eligible employees

<b>Vacation Buy Back 511270</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$40,000</b>	<b>\$40,000</b>

Accounts for the vacation time compensation paid to Fire Department employees for a certain number of accrued and unused vacation hours in accordance with the Fire Union contract and the Employee Handbook. The 2023 budget is based on a review of program participation in prior years.

<b>Sick Buy Back 511280</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$7,000</b>	<b>\$9,000</b>

Accounts for the sick time compensation paid to Fire Department employees for a certain number of accrued and unused sick hours in accordance with the Fire Union contract and the Employee Handbook. The 2023 budget is based on a review of program participation in prior years.

<b>Deferred Compensation 512110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$5,476</b>	<b>\$5,640</b>

Accounts for the deferred compensation paid to the Fire Chief at 3% of base salary.

<b>FICA Payments 514110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$169,838</b>	<b>\$176,894</b>

Accounts for the employer's FICA (Social Security (6.2%) and Medicare (1.45%)) payments applied to the FICA Wages (salaries, longevity, vacation and sick buy back, deferred compensation and auto allowance). All Fire Department employees are subject to Medicare while non-sworn employees are subject to both Social Security and Medicare.

<b>IMRF Payments 514210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$9,649</b>	<b>\$7,557</b>

Accounts for the employer share of Illinois Municipal Retirement Fund (IMRF) Pension Contributions for non-sworn Fire Department Staff. The 2023 employer rate is 7.39% of IMRF wages which include salaries, OT wages, vacation buy back, sick buy back and longevity. The 2023 rate is 24.05% lower than the 2022 rate of 9.73% primarily due to positive investment results and changes in the actuarial assumptions.

<b>Health Insurance 514410</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,250,078</b>	<b>\$1,456,226</b>

Accounts for the employer portion of health insurance, dental insurance and opt-out incentives for eligible Fire Department personnel. The Village offers employees a choice between two health insurance plans which include an HMO option and a PPO option. The HMO rates increased 1.0% and the PPO rates increased 4.7%. These rates combined with changes in employee elections lead to an increased 2023 budget.

<b>Incentives and Recognition 515300</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,500</b>	<b>\$5,000</b>

Accounts for the expenses associated with Fire Department retirements (\$1,000), promotions (\$1,000) and employee welfare (\$3,000). These funds will be used for employee recognition, retirements, and general employee welfare.

**Contractual Expenditures**

<b>Medical Services 521230</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$65,410</b>	<b>\$64,910</b>

Accounts for the annual fire physical program, physicals and stress tests (required by contract). These physicals meet the National Fire Protection Association recommendations along with OSHA requirements for respirator compliance. The 2023 budget decreased slightly due to age of Fire Department personnel.

<b>Description</b>	<b>Qty</b>	<b>Unit Cost</b>	<b>Total</b>
NFPA Physical	83	\$770	\$63,910
Stress Tests	1	\$1,000	\$1,000
<b>TOTAL</b>			<b>\$64,910</b>

<b>Other Professional Services 521290</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$168,175</b>	<b>\$676,875</b>

Accounts for the service fees and contracts with outside firms that support the work of the Fire Department. The 2023 budget increased significantly primarily due to the Ground Emergency Medical Transport (GEMT) program. With the GEMT program, Illinois Health and Family Services (HFS) and the Village evenly split the reimbursement revenue collected by adhering to specific guidelines in IGA for Medicaid transports specifically. The reimbursement will be collected by the Village of Glenview and then shared equally with HFS for their portion of the fees. The anticipated gross revenue involving the

GEMT program is \$1,100,000 of which the Village is obligated to pay HFS 50%. Completion of the Strategic Plan Document and completion of the implementation of Lexipol is included in the 2023 budget. There is an annual fee of \$9,500 to continue using Lexipol which is based on the size of the department. In 2022, the Fire Department contracted a new ambulance billing company which is saving 0.5% in fees. Some line items (Text ‘Em All, Image Trend, KNO2 and Zoll cloud services) were moved to the Software Licensing account (522160) as that is a more appropriate account for those expenses.

<b>Equipment Maintenance 522230</b>	2022 Budget	2023 Budget
	<b>\$119,338</b>	<b>\$124,031</b>

Accounts for the maintenance of equipment used in Fire Department operations. The 2023 budget is higher than the prior year due to new costs and increased costs for maintenance as described below.

Description	2022 Amount	2023 Amount
Administration – Chicago Communications maintenance fees (radios)	\$20,580	\$11,000
Administration – Wave Radio Fee	\$500	\$1,400

EMS – Stretchers, defibrillator calibration and equipment	\$18,300	\$30,500
Apparatus and Equip – Ladder, pump, generator testing, gas meters	\$16,621	\$19,781
Apparatus and Equip – Power Washing, Descaling and Corrosion Prevention	\$14,200	\$14,200
Apparatus and Equip – Corrosion repair	\$15,000	\$15,000
SCBA & BA Systems – Compressor maintenance, flow testing	\$11,840	\$14,200
Dive Team – Regulator maintenance, tank visual inspection	\$4,070	\$3,650
Vehicles – Headset and portable radio repairs	\$11,927	\$7,000
Fitness Equipment Maintenance (5 stations)	\$2,500	\$3,500
Drone Maintenance and Repair	\$3,800	\$3,800
<b>TOTAL</b>	<b>\$119,338</b>	<b>\$124,031</b>

- Administration – The Fire Department did not renew the radio maintenance agreement with Chicago Communications for Non-Starcom radios. Repairs will be paid for as needed. Minimal repairs are expected due to a purchase of new radios through an interoperability FEMA Assistance to Firefighters Grant.
- EMS - The Fire Department will also have an increase in the ambulance stretcher maintenance and inspections due to warranties expiring in 2021 and 2022. Similar budget amounts will continue moving forward until this equipment is scheduled for replacement. When new future purchases are received, they will be back under warranty and maintenance costs will decrease.
- Apparatus and Equipment – The 2023 budget contains the corrosion prevention program after deferring in 2021. Recent fire apparatus along with all future purchases will be built on a galvanized frame. This will decrease as new vehicles are built with galvanized frames within the next 10 years.
- Vehicles - The 2023 budget includes the maintenance and inspections for headsets and portable radios in vehicles.

<b>Selections &amp; Promotions 523020</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$56,850</b>	<b>\$26,075</b>

Accounts for recruitment/selection services, pre-employment physicals and psychological evaluations, polygraph testing and background checks. This account includes fees for promotional testing and the processing of potential new hires from the current eligibility list. The Fire Department will need to establish a new firefighter eligibility list in 2023. We are also including the cost to hold a Captain’s exam in 2023. The 2023 budget is lower due to not needing a lieutenant promotional exam until 2025.

<b>Appliances 531015</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,250</b>	<b>\$20,250</b>

Accounts for the small appliances in the fire stations such as toasters, crockpots, blenders, etc. In 2023, the Fire Department is taking some responsibilities from Facilities to expedite repairs and appliance replacements. This includes handling many small repairs and all appliance replacements in-house. The 2023 budget has increased to reflect the appliance replacements including a new stove at Station 7.

	<b>Qty</b>	<b>Unit Cost</b>	<b>Total</b>
Kitchen items (dishes, flatware, etc.)	6	\$25	\$150
Cooking utensils	6	\$40	\$240
Plates and bowls	4	\$100	\$400

<b>General Office Supplies 531110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$9,000</b>	<b>\$12,500</b>

Accounts for the office supplies in the Fire Department. This account includes misc. supplies for day-to-day operations (pens, pencils, folders, binders, flash drives, coffee, etc.). The 2023 budget increased due to higher projections for supplies for the five fire stations of the Village and an increase in coffee supply costs.

<b>Janitorial Supplies 531125</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$26,000</b>	<b>\$26,000</b>

Accounts for the department cleaning supplies. The Illinois Department of Public Health agency (IDPH) requires medical equipment to be cleaned and disinfected to a certain standard. Turn-out gear must be cleaned within manufacturer’s recommendations to honor warranty.

<b>Operational Supplies 531155</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$10,500</b>	<b>\$20,000</b>

Accounts for the station maintenance supplies budgeted at \$4,000/station for five stations. The increase is related to the Fire Department taking over the management of some of the repairs and appliance replacements for the fire stations which was previously handled by the Public Works Facilities division. This includes handling many small repairs and all appliance replacements for the five fire stations.

<b>Quartermaster 531180</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$133,452</b>	<b>\$145,284</b>

Accounts for the uniforms, shoes, and other staff gear provided for each of the sworn Fire Department personnel in the union contract or the Employee Handbook. The 2023 budget will increase due to manufacturer price increases and supply issues with all equipment including gear and uniforms.

	<b>Qty.</b>	<b>Unit Cost</b>	<b>Total</b>
Personal Uniforms	84	\$525	\$44,100
Shoe/Station Boot Stipend	81	\$100	\$8,100

		<b>TOTAL</b>	<b>\$145,284</b>

<b>Other Supplies/Tools 535050</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$183,497</b>	<b>\$237,059</b>

Accounts for front line supplies and equipment used daily in the Fire Department operations. The 2023 budget increased \$53,562 primarily due to the purchase of new extrication equipment for a new ladder truck as the current set has reached the end of its life cycle, a new tripod for the TRT team and increased oxygen costs. The plan is to build a replacement schedule into the CERF budget for replacement of extrication tools over the next 4 years. As with other areas of the budget, this account will be impacted by manufacturers price increases and supply issues. Those increases are reflected in the budget.

<b>Pension Expense 540240</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
		<b>\$5,869,323</b>

Accounts for the 2023 Village Fire Pension Contribution to the Firefighters’ Pension Fund. This employer contribution is funded through a separate line item on the 2022 Property Tax Levy. The 2023 budget has decreased from the 2022 budget primarily due to the pension fund actuary correcting an error in the prior year calculation.

<b>Training 540300</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$95,745</b>	<b>\$120,655</b>

Accounts for the employee development and career-pathing in specific areas. The training not only enhances the employees' career but maintains and develops additional skills for the benefit of the organization, special teams and the residents served. Turnover in personnel during 2021 and 2022 will require additional training as vacancies are filled. The 2023 budget reflects the increase in personnel and training. This includes training for new firefighters, new officers and new members of our special teams.

<b>CERF Charges 560010</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$683,219</b>	<b>\$788,101</b>

Accounts for charges from the Capital Equipment Replacement Fund (CERF) for future replacement of vehicles and equipment used by the Fire Department. The total CERF annual charges are calculated based on the Village's policy of maintaining a fund balance of 37% of accumulated reserves. Each fund's charges are determined by their share of the total reserves. In 2023, the CERF budget will increase due to manufacturer increases, supply chain issues and the addition of extrication equipment to the replacement schedule.

<b>FRRF Charges 560040</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$137,426</b>	<b>\$48,988</b>

Accounts for charges from the Facility Repair and Replacement Fund (FRRF) which sets aside resources for the major repairs and replacement of Village building components. The 2023 FRRF charges decreased due to several fire related projects being completed over the last two years and fewer projects anticipated in the next ten years.

<b>MERF Charges 560090</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$416,710</b>	<b>\$514,300</b>

## *Community Development Department*

The Glenview Community Development (“CD”) Department provides various development, building and engineering related services including economic development, land use planning, building permits, building and engineering plan review and inspections, engineering design and capital project management. These functions are accounted for in several Village Funds (Corporate Fund, Special Tax Allocation Fund, Glenview Water Fund, Glenview Sanitary Fund, Wholesale Water fund, Commuter Parking Fund, and Motor Fuel Tax Fund).

The Community Development Department is staffed with 15 full-time and 9 part-time positions including a Director, Deputy Director, Inspectional Services Division Manager, Engineering Division Manager, Executive Assistant, Administrative Coordinator, (2) Senior Planners, Development Center Manager, Plan Examiner, Engineering Project Manager, Natural Resources Manager, Sustainability Coordinator, Sanitarian, Fire Inspector, (6) part-time Fire Inspectors, and (3) part-time Permit Clerks. Approximately 26 contracted employees also perform engineering and inspectional service functions within the CD Department.

The 2023 Community Development Corporate fund budget increased \$556,702 or 11.5% over the 2022 budget and \$570,321 or 11.8% over the 2022 projection. Contractual costs increased with the addition of the Glenview History Center initiative and several one-time projects expected to be completed in 2022 offset by increases to building and plan review services associated with expected new development projects proposed for 2023. Other increases were associated with the addition of the Sustainability Coordinator and Executive Assistant. See chart at right.

### **Personnel Expenditures**

Regular Salaries 511110	2022 Budget	2023 Budget
		<b>\$1,347,080</b>

Accounts for a portion of the salary expense for full-time Community Development employees. The 2023 budget includes a 2.5% merit increase and merit bonuses for employees. The table below shows how the salaries are allocated across funds. The 2023 budget includes the addition of a Sustainability Coordinator and Management Analyst.

<b>Part Time Salaries 511120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$146,261</b>	<b>\$200,972</b>

Accounts for the salary expenses for six (6) part-time Fire Inspectors (4,888 total hours totaling \$133,311) and three (3) part-time Permit Clerks (3,120 total hours totaling \$65,719). The 2023 budget includes an increase in the total working hours for the fire inspectors based on the anticipated number of inspections projected. The 2023 budget includes a 2.5% merit increase for the part-time positions.

<b>Temporary/Seasonal Pay 511130</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$29,550</b>	<b>\$35,840</b>

Accounts for (1) Development Center Intern (480 hours totaling \$8,160), (2) Ecological Interns (525 hours each totaling \$16,800), and (1) Engineering Intern (680 hours totaling \$10,880). The 2023 budget has been increased to include an additional Ecological Intern due to increased staffing needs associated with focus on sustainability and to monitor and maintain the Village's natural resources. The hourly rates vary for each position to reflect both returning and new intern rates.

<b>Overtime Salaries 511210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$2,303</b>	<b>\$2,372</b>

Accounts for overtime costs of non-exempt CD staff, primarily those performing health and building inspections for special events conducted after normal business hours. Special events may include the Art Festival, Summerfest, Blocktoberfest, Glenview Farmer's Market, Bites & Brews, Kohl Children's Museum Special Event, Armenian Fest, and Greek Fest. The 2023 budget reflects a 2.5% wage increase.

<b>Longevity Pay 511240</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$3,685</b>	<b>\$4,124</b>

Longevity amounts are paid to non-exempt employees with 7 or more years of service hired prior to 7/17/2012 per the Employee Handbook (2 employees). Longevity amounts are included in the employee handbook and are increased annually based on the annual September change in CPI. The estimated change in CPI is 9% based on current trends. Longevity is allocated across funds in the same proportions as regular salaries.

<b>Vacation Buy Back 511270</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$21,250</b>	<b>\$24,500</b>

Accounts for the vacation time compensation paid to CD Department employees for a certain number of accrued and unused vacation hours in accordance with the Employee Handbook. The 2023 budget is based on a review of actual program participation over the last few years.

<b>Sick Buy Back 511280</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$3,000</b>	<b>\$4,000</b>

Accounts for the sick time compensation paid to Community Development department employees for a certain number of accrued and unused sick hours in accordance with the Employee Handbook. The 2023 budget is based on a review of actual program participation over the last few years.

<b>Deferred Compensation 512110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$4,328</b>	<b>\$4,508</b>

Accounts for the deferred compensation paid to the Director of Community Development at 3% of base salary. Deferred compensation is allocated across funds in the same proportion as regular salaries.

<b>Auto Allowance 512120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$4,680</b>	<b>\$4,680</b>

Accounts for the auto allowance paid to the Director of Community Development per the Employee Handbook. Auto allowance is allocated across funds in the same proportion as regular salaries.

<b>FICA Payments 514110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$117,154</b>	<b>\$141,975</b>

Accounts for the employer FICA (Social Security (6.2%) and Medicare (1.45%)) payments applied to the FICA Wages (salaries, longevity, vacation and sick buy back, deferred compensation and auto allowance).

<b>IMRF Payments 514210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$140,225</b>	<b>\$132,550</b>

Accounts for a portion of the employer share of the Illinois Municipal Retirement Fund (IMRF) Pension Contributions. The 2023 employer rate is 7.39% of IMRF wages which include salaries, OT wages, vacation and sick buy back, longevity and deferred compensation. The 2023 rate is 24.05% lower than the 2022 rate of 9.73% primarily due to positive investment results and changes in the actuarial assumptions.

<b>Health Insurance 514410</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$201,188</b>	<b>\$227,018</b>

Accounts for a portion of health insurance, dental insurance, and insurance opt-out incentive for eligible Community Development personnel. The Village offers employees a choice between two health insurance plans which include an HMO option and a PPO option. The HMO rates increased 1.0% and the PPO rates

increased 4.7%. These rates combined with staff changes in coverage and new positions added lead to an increased 2023 budget

<b>TOTAL</b>	<b>\$897,652</b>	<b>\$614,683</b>

This account includes costs for services related to retaining and/or growing the business environment in Glenview.

**CNSCVB**

The membership for Chicago North Shore Convention and Visitors Bureau (CNSCVB) allows Glenview hoteliers the opportunity to participate in regional advertising and networking. In 2020, due to the Coronavirus pandemic, the Bureau discounted the annual membership by 50% to provide economic relief during the unprecedented time. The Bureau will return to the regular annual membership rates incrementally over a three-year period, beginning in 2022. Accordingly, the 2023 budget reflects an incremental increase in dues.

**Village/Chamber Business Support Services**

Through an agreement, the Village and the Glenview Chamber of Commerce are coordinating annual economic development and business support services. The contract is set to be renewed for 2023 and include funds that would go towards securing the services of an event planner to oversee the management and promotion of four (4) community events annually.

**Development Advisor and Business Recruiter**

The Village contracted with a Development Advisor and Business Recruiter to implement the recommendations included in the Economic Development Strategic Plan, to facilitate business retention and recruitment, and to consult on public/private development opportunities associated with the spark site concepts.

Business Assistance Programs – Tenant Improvement and Façade Improvement

Consistent with the recommendations of the Economic Development Strategic Plan (EDSP), these business assistant programs are targeted to improve interior buildouts and storefronts that enhance the community’s shopping and dining opportunities. Additional funds are being allocated for the implementation of more projects associated with the Façade Improvement and Tenant Improvement Programs that were approved by the Board of Trustees in 2022, with a focus on the establishment of new businesses.

Special Events

Consistent with EDSP recommendations and community feedback these family-friendly special events would activate and enhance the awareness of key commercial areas. Following Village Board approval, an event planner would be hired to host a variety of small-medium sized, curated events (music, food trucks, themed, holiday, etc.) to attract people to our various business districts throughout the year.

<b>Traffic Engineering Services 521270</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$43,470</b>	<b>\$74,200</b>

Accounts for the traffic engineering services utilized by the department.

Traffic Engineering Consultant - Traffic Committee

The Village’s Traffic Committee utilizes a traffic engineer to review Village-wide traffic calming concerns (i.e. speeding, engineering design, intersection control, traffic regulatory signage, parking regulations, sight distance evaluations, traffic studies, etc.). Studies and analysis are needed to address resident’s traffic concerns and attendance is often required at neighborhood open houses or Village Board meetings to relay the results of a study or recommendation. The 2023 budget includes an increase to allow for additional traffic studies due to an increase in resident traffic calming requests.

<b>Description</b>	<b>2022 Amount</b>	<b>2023 Amount</b>
Traffic Engineering Consultant – Traffic Committee	\$15,000	\$20,000
Battery Powered Speed Boards (One-time expenditure of 4 @ \$5,150 each)	-	\$20,600

Speed Board Battery Chargers (4 @ \$150 each)	\$125	\$600
Traffic Engineering Consultant – Development Review	\$15,000	\$12,000
<b>Total</b>	<b>\$43,470</b>	<b>\$74,200</b>

Battery Powered Speed Boards – One-time expenditure

Due to increased resident requests for a temporary speed board, a one-time request for four (4) battery powered speed boards are requested to enable staff to rotate them around residential public streets to educate drivers on their speed compared to the speed limit. The boards also collect speed and trip data which is used to clearly delineate existing traffic conditions.

Speed Board Software Subscription

Annual subscription fee for the Traffic Suite Application software to monitor and report on twelve (12) speed boards which will allow the Traffic Committee and the Police Department to monitor speeds and collect data throughout the Village. The 2023 budget was increased due to the pending purchase of four (4) additional speed boards in 2023.

Speed Board Battery Chargers – One time expenditure

A one-time expenditure for four (4) additional chargers to re-charge the batteries used for existing speed boards. Each speed board uses four (4) rechargeable batteries, and one battery charger is included with the

purchase of each speed board. Staff is requesting two additional battery chargers to hasten the charging process and increase efficiency.

Traffic Engineering Consultant

A traffic engineer reviews the traffic engineering studies submitted by applicants for proposed developments to determine their impacts on the existing traffic conditions and may need to attend Commission/Board meetings to answer questions. An estimated 16 studies are anticipated to be reviewed in 2023 and a majority of these costs are passed through to developers. The anticipated number of studies has decreased from 20 studies in 2022.

<b>Other Professional Services 521290</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$366,000</b>	<b>\$559,237</b>

Accounts for the service fees for outside firms and agencies that support the work of the Community Development Department. The 2022 budget included multiple one-time projects that will be completed in 2022 offset by new one-time projects for 2023, such as the creation of a sustainability plan, landscaping enhancements at Village Hall, and building demolition associated with spark site concepts. The expenditures associated with documents scanning and Persolvent credit card fees were previously in the Information Technology budget and are being reallocated to departmental budgets in 2023.

Glenview History Center

Through a service agreement with the nonprofit Glenview History Center and the Glenview Public Library, the Village would be providing maintenance and ongoing upkeep of the Farmhouse Museum and Hibbard Library at 1121 Waukegan Road, similar to what currently occurs at other Village facilities. Staffing and programming of educational and informational events and services associated with Glenview history would be supported by the Library and Village. The goal of this agreement is ensure the long-term preservation and appreciation of the Village of Glenview’s local history through educational programs and by offering community access to historical resources.

<b>Engineering Services 521295</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$677,521</b>	<b>\$723,582</b>

Accounts for the outsourced professional services under the Baxter & Woodman contract to perform the services outlined in the table below. The Village began using Baxter & Woodman for various services in 2010. Over the years, the services have expanded and/or been reduced based on the Village's needs. The 2023 budget is based on an estimate of 4,800 hours to conduct approximately 1,550 engineering reviews for single-family, multifamily and commercial properties, 250 utility reviews, and an estimated 1,760 hours of associated inspections, including utility project inspections and as-built reviews. The increased number of plan reviews is based on the last three years and is reflected in the increased budget. The plan reviews include tasks associated with compliance and resolutions related to the neighbor notification process required as part of the plan review, as well as an increased number of utility reviews. The localized and neighborhood storm water engineering management tasks are based on the average of the last three years, with an anticipated 130 drainage remediation reviews and inspections, which is similar to previous and current year. See below map of 2022 Drainage Complaints. Additional project management resources will be utilized in 2023 to coordinate plan reviews and CIP projects, and to overseeing grant writing and

management given the increased availability of transportation funds on both state and federal levels. A 3% cost increase based on the current contract and the Consumer Price Index (CPI) growth is accounted for in 2023.

<b>Building, Plan Review, and Inspection Services 521315</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$681,568</b>	<b>\$980,952</b>

Accounts for the outsourced professional services under the Safebuilt contract to perform the services in the table below. The Village began using Safebuilt for these services in 2013. The contract was extended in 2018 for another three years, with the option to renew for two one-year extensions. Renewal of the contract to include additional extensions will be considered in 2023. The volume of services is projected by analyzing the four-year average of core permit services, plus anticipated one-time large-scale projects (see below map for 2022 permit locations). Core permits are associated with small and medium projects, which are typically issued by the Development Center, and consist of small projects like decks, patios, sheds and fences, as well as medium-sized projects like residential and commercial remodeling, detached garages and house additions. The large permit volume is projected based on the anticipated construction of developments such as new residential projects and new retail or industrial developments. The 2023 budget is based on an estimate of approximately 854 plan reviews for the single-family, multi-family and commercial properties, 9,880 building permit and complaint inspections, and 425 health inspections. An increase in the number of inspections is expected due to the volume of expected new development projects proposed for 2023. Performance measures in the contract outline the cost for each task. A 3.0% cost increase based on the current contract and Consumer Price Index (CPI) growth is accounted for in 2023.

## ***Municipal Equipment Repair Fund***

---

Internal service funds are used to report any activity that provides goods or services to other funds, departments, or agencies of the primary government and its component units, or to other governments, on a cost recovery basis.

The Village of Glenview, Illinois, has established a Municipal Equipment Repair Fund (MERF) to account for the cost of labor, equipment, parts and contracted professional services. These resources are used to maintain and repair all the Village's vehicles and equipment, as well as the cost of fuel consumed by these assets. The Fleet Services staff, which includes a Supervisor and two Mechanic Technicians, is responsible for the development, implementation and maintenance of a preventative maintenance schedule for all vehicles and equipment, as well as all other repairs that are needed. Proper preventative maintenance is necessary to ensure all vehicles and equipment meet their full useful life expectancy.

The Charges for Services rendered through MERF are intended to cover the operating expenses of the Fleet Services Division. The MERF fund balance is to be managed to a cash balance equal to four months of the next year's operating expenses. Operating costs are an estimate and actual results may slightly fluctuate from the budget on an annual basis. Remaining fund balance at the end of the year is to be used toward the next years' expenses.

## *Capital Equipment Replacement Fund*

---

Internal service funds are used to report any activity that provides goods or services to other funds, departments, or agencies of the primary government and its component units, or to other governments, on a cost recovery basis.

The Capital Equipment Replacement Fund (CERF) accounts for the funds annually set aside for the timely replacement of vehicles and equipment that meet the current business operations. Vehicles include all the Village fleet for providing Village services. Equipment includes computers, printers, copiers, data storage devices, scanners, and telecommunications equipment. The Village Board established a CERF policy in 2005 that recorded assets and contributions in accordance with GASB 34. The Board updated the CERF policy in 2009, 2011, and again in 2017 to smooth annual contributions and to set a revised fund balance level.

The 2017 review of the CERF policy concluded that a lower accumulated reserve of 37% is suitable to maintain an adequate fund balance. The 2023 Budget calculated charges for services to the operating departments using 37% of accumulated reserves as the fund balance target.

### ***Revenues***

Annual department charges for services are calculated amounts based on the accumulated reserve needs per asset, proceeds from the sale of assets, and interest income. The accumulated reserve needs are based on the determined life of an asset and replacement value. Charges for services are budgeted by department. CERF charges for services will be expensed in the department operating budget and recorded as revenue in CERF. Assets begin to receive a CERF contribution in the year after the purchase. Once an asset is fully funded, no additional charges for service will be expensed. For purposes of this policy, “fully funded” shall mean that the accumulated reserve balance is equal to or greater than the replacement cost of the asset.

### **Charges for Services**

<b>CERF Charges 480320</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$2,342,693</b>	<b>\$2,752,652</b>

Accounts for monthly transfers from other Village funds to accumulate reserves to pay for asset replacements in future years. CERF charges are calculated based on the Village’s policy of maintaining a fund balance of 37% of accumulated reserves. For the 2023 Budget, CERF will charge other Village funds a total of \$2,752,652 to maintain a fund balance of 37% accumulated reserves.

<b>CERF Charges</b>	\$2,217,489	\$2,153,193	\$2,153,193	\$2,342,693	\$2,752,652

### **Investment Income**

<b>Interest – Savings 460110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$0</b>	<b>\$360</b>

Accounts for interest income from the Village’s savings account at Busey Bank. The revenue from this account is dependent on short-term interest rates and investable funds.

<b>Interest – Investment 460120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$3,000</b>	<b>\$30,000</b>

Accounts for interest income for the savings account and the investments of certificates of deposits, treasuries and securities through PMA, Inc. Interest rates and investment options have been increasing as COVID-19 pandemic recovery continues. The 2023 budget increase over 2022 reflects these rising interest rates.

**Other Revenues**

<b>Sale of Fixed Assets 470935</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$29,500</b>	<b>\$87,000</b>

Accounts for proceeds from auctions for the sales of replaced vehicles or equipment. Once a vehicle or a piece of equipment has been replaced, the Village determines the best course of action for it: auctioned, scrapped for parts, disposed of, or kept for other Village purposes. The Village auctions obsolete vehicles or equipment two times during the year (May and October). The auction date depends on when an asset is determined to be obsolete. Depending on when the replacement asset is purchased, sales of replaced assets may not always take place in the year in which the asset is replaced (i.e. if an asset isn't replaced until November it cannot be auctioned until May of the following fiscal year).

<b>Asset</b>	<b>2023 Budget</b>
Police – Squads (5)	\$15,000
Police – SUV (4)	\$12,000
Fire – Engine & Ladder Truck	\$60,000
<b>Total</b>	<b>\$87,000</b>

The asset's salvage value (the estimated resale value of an asset at the end of its useful life) is used to project potential future sale proceeds. The above table details the replaced vehicles or equipment that will be auctioned in 2023.

## ***Expenditures***

The only expenditures made within the fund are for replacement of vehicles and equipment that have been funded through Charges for Services in previous years. The 2023 Budget includes the replacement or purchase of IT electronic equipment and workstation components, three Police SUVs, 4 Police squad cars, one Police van, one Fire engine, one Fire ladder truck, two Public Works trucks, and one Public Works overhead hoist.

## ***Insurance and Risk Fund***

---

Internal service funds are used to report any activity that provides goods or services to other funds, departments, or agencies of the primary government and its component units, or to other governments, on a cost recovery basis. The Insurance and Risk Fund accounts for the financial activity of the Village's employee benefits and risk management programs. These programs are managed by the Human Resources team within Management Services.

The primary revenue of the fund are Charges for Services received from operating departments, which funds health insurance, general liability premiums, property casualty claims, workers' compensation premiums and claims, as well as operating costs within the fund. The long-term model of the fund is for revenues to cover all expenditures in a given year.

The primary expenditures of the fund are health insurance, property casualty claims, workers compensation claims, premiums for general liability, workers' compensation, and excess liability insurance coverage, and a non-cash expense for incurred but not reported claims. This non-cash adjustment decreases or increases the liability for incurred but not reported claims based on an annual actuary study. The 2023 budgeted adjustment is an expense in the amount of \$125,190.

The Village's Employee Benefits Committee, comprised of employees for the purpose of reviewing, evaluating and recommending changes to the Village's insurance program, has recommended the implementation of a plan design change that reduces the PPO deductible and out of pocket maximum. This recommendation was approved by the Village Manager and was made to be more in alignment with the Village's comparable communities in order to attract and retain high quality talent. The premium increase for the HMO Illinois plan is 1.0% and the PPO plan is 4.7%. The premium costs for the Benistar Medicare Supplemental Program are estimated to increase 5%, however, this is funded 100% by retirees. These premium increases and the projected enrollment census resulted in a \$183,174 or 3.3% increase, to the Village's health insurance program in 2023.

<b>Dental Insurance Premiums – Employees 480280</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$45,163</b>	<b>\$54,824</b>

Accounts for the Village employee’s portion of their premiums for dental benefits. These revenues are recorded on a bi-weekly basis as part of the payroll process. The Village employee portion of the premium is 15% and the Library employee portion is any premium beyond employee only coverage.

<b>Reimbursements – Library 480355</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$31,250</b>	<b>\$0</b>

Accounts for payments from the Library to the Village to pay for employee wellness incentives under a previous program. The Library expense related to the 2022/2023 Wellness Program will be paid directly by the Library, therefore there is no reimbursement for program costs from the Library budgeted in 2023.

**Investment Income**

<b>Interest – Investments 460120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$2,000</b>	<b>\$44,000</b>

Accounts for interest income for the savings account and the investments of certificates of deposits, treasuries and securities through PMA, Inc. Rates have begun to recover from pandemic levels, so expected

interest income has increased. Based on the anticipated interest rates and investable funds, the Village's 2023 budget is \$44,000.

***Expenditures***

**Personnel Expenditures**

<b>Regular Salaries 511110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$196,788</b>	<b>\$251,050</b>

Accounts for a portion of the salary expense of the positions listed below. The 2023 budget is up from the 2022 budget due to the addition of one Human Resources Manager position and two Assistant to the Village Manager positions, offset by the reduction of one Management Analyst I position and one Management Analyst II position. The 2023 budget includes a 2.5% merit pool for the following positions:

<b>Salary Allocation by Fund</b>						
<b>Position</b>	<b>Ins. &amp; Risk</b>	<b>Corporate</b>	<b>Water</b>	<b>Wholesale Water</b>	<b>Sanitary Sewer</b>	<b>FRRF</b>
Assistant Village Manager	15%	85%	-	-	-	-

<b>Insurance Opt-Out 511290</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$225,600</b>	<b>\$172,800</b>

The Health Insurance Opt-Out program provides employees declining some or all coverage for themselves and/or dependents a cash incentive. The 2023 budget is expected to decrease from 2022 to 2023 to more accurately reflect historical spend. The 2022 projection is \$162,625 and the 2021 actual was \$145,678.

<b>Deferred Compensation 512110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$2,155</b>	<b>\$2,263</b>

Accounts for a portion of deferred compensation paid to the Assistant Village Manager (30%) and the Director of Management Services (30%) at 3% of their base salary. Deferred compensation is allocated across funds in the same proportions as regular salaries.

<b>Auto Allowance 512120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$2,700</b>	<b>\$2,700</b>

Accounts for a portion of the auto allowance paid to the Assistant Village Manager (30%) and the Director of Management Services up to \$6,000 per year. Auto allowance is allocated across funds in the same proportions as regular salaries.

<b>FICA Payments 514110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$23,731</b>	<b>\$21,943</b>

Accounts for a portion of the employer FICA (Social Security (6.2%) and Medicare (1.45%)) payments applied to the FICA Wages (salaries, longevity, vacation and sick buy back, deferred compensation and auto allowance).

<b>IMRF Payments 514210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$13,519</b>	<b>\$14,286</b>

Accounts for a portion of the employer's share of the Illinois Municipal Retirement Fund (IMRF) Pension Contributions related to salaries and the Insurance Opt-Out program. The 2023 employer rate is 7.39% of IMRF wages. The 2023 rate is 24% lower than the 2022 rate of 9.73% primarily due to positive investment results and changes in the actuarial assumptions.

<b>Unemployment Benefits 514310</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$35,000</b>	<b>\$30,000</b>

Accounts for the cost of unemployment benefits for eligible former employees.

<b>Health Insurance 514410</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$16,724</b>	<b>\$17,234</b>

Accounts for a portion of health insurance, dental insurance, and insurance opt-out incentive for eligible personnel. The Village offers employees a choice between two health insurance plans which include an HMO option and a PPO option. The HMO rates increased 1.0% and the PPO rates increased 4.7%. These rates and new positions added to the fund lead to an increased 2023 budget.

<b>Dental Reimbursement 514420</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$238,102</b>	<b>\$293,122</b>

Accounts for premiums under the Village dental program. The cost of the Library dental premiums are allocated in this account. The 2023 budget is higher than the 2022 budget due to an increase in estimated enrollment and an increase in premiums of 1.6%. There are revenues associated with these expenses including premium reimbursement from the Library and premiums from employees.

<b>Incentives and Recognition 515300</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$60,000</b>	<b>\$23,400</b>

Accounts for the cost of the Village and Library Wellness program incentives paid to participating employees under a new program.

<b>General Liability Premiums 526030</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$479,542</b>	<b>\$588,372</b>

Accounts for the cost of the Village’s annual insurance premiums for General Liability Insurance (\$587,522) and the Village Manager Bond (\$850). The 2022 projection for General Liability Insurance is estimated at \$452,790 for the insurance term approved by the Board at the April 19, 2022 meeting. The variance between the 2022 projection and 2023 budget is based on a 30% projected increase in premiums resulting from market conditions for general liability coverage based the current “hard market”. A hard

market can be caused by a variety of factors including decreased investment returns for insurers, increases in frequency or severity of losses and regulatory intervention deemed to be against the interests of insurers.

<b>Workers' Compensation Premiums 526035</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$154,625</b>	<b>\$175,244</b>

Accounts for the cost of Village's annual insurance premiums for Workers' Compensation Liability Insurance (\$167,244), payment to the Illinois Second Injury Fund based on actual claims experience (\$2,000), and the annual Workers' Compensation Audit (\$6,000).

<b>Insurance Premiums 526070</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$6,639,388</b>	<b>\$6,863,026</b>

Accounts for the employer cost of premiums for employee/retiree health insurance and life insurance for both the Village and the Library. There are revenues associated with these expenses including reimbursement from the Library and premiums from employees and retirees.

<b>Plan</b>	<b>2022 Amount</b>	<b>2023 Amount</b>

	<b>\$115,880</b>	<b>\$167,480</b>

Accounts for the cost of Village's annual insurance premiums for Excess Liability Insurance. The variance between the 2023 Budget and 2022 projection of \$128,831 is based on higher than anticipated increases in the Village's excess liability coverage based on the current "hard market". A hard market can be caused by a variety of factors including decreased investment returns for insurers, increases in frequency or severity of losses and regulatory intervention deemed to be against the interests of insurers. The increase in the 2023 budget for Excess Liability Insurance is based on a conservative evaluation of continued anticipated "hard market" conditions.

<b>Property/Casualty Claims 526140</b>	<b>2022 Budget</b>	<b>2023 Budget</b>

## ***Facility Repair and Replacement Fund***

---

The Facility Repair and Replacement Fund (FRRF) is an internal service fund that was created in 2006 for the purpose of setting aside resources for the major repairs and replacement of Village building components. Internal service funds are used to report any activity that provides goods or services to other funds, departments, or agencies of the primary government and its component units, or to other governments, on a cost recovery basis.

The original fund balance was the result of a one-time transfer from the Capital Equipment Replacement Fund (CERF). In 2016, the Village Board of Trustees reviewed and approved methodology like CERF to accumulate funds annually for major repairs and system replacements to Village-owned facilities. The current fund balance policy for FRRF is to maintain a target of 35% of accumulated reserves according to the replacement schedule; this amount has been determined to be sufficient to meet the Village's annual building component repair and replacement needs. The 2023 Budget calculated Charges for Services to the operating departments using the 35% of accumulated reserves as the fund balance target.

### ***Revenues***

#### **Charges for Services**

<b>FRRF Charges 480335/480345</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,101,445</b>	<b>\$1,193,810</b>

Accounts for the annual charges for service that are calculated by department based on the accumulated reserve needs per asset.

#### **Investment Income**

<b>Interest – Savings 460110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$0</b>	<b>\$180</b>

Accounts for interest income from the Village's savings accounts at Busey Bank. The revenue from this account is dependent on short-term interest rates and investable funds. Based on the anticipated interest rates and investable funds, the Village's 2023 budget is \$180.

<b>Interest – Investment 460120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$4,800</b>	<b>\$20,600</b>

Accounts for interest income for the savings account and the investments of certificates of deposits, treasuries and securities through PMA, Inc. Rates have begun to recover from pandemic levels, so expected interest income has increased. Based on the anticipated interest rates and investable funds, the Village's 2023 budget is \$20,600.

Masonry Repairs and Pump Replacements	\$1,135,453

**Laramie Pump Station (\$646,000)-**

As recommended in the 2022 Water Strategic Plan, pump replacements and Motor Control Center (MCC) replacements are recommended as a Year 1 (2023) project for implementation. The Laramie Pump Station was originally constructed in 1938 and is the first initial potable (drinking) water receiving facility from

Wilmette. Combining these recommended projects with other maintenance completed in 2022, will help reestablish and extend this pump station’s service life and use.

**Rugen Senior Pump Station (\$1,135,453)-**

The Rugen Senior Pump Station is the second initial potable water receiving facility from Wilmette built in 1964. The project’s recommended combine two recently completed assessments into one implementation year. First, recommended in 2019 in an architectural assessment, masonry work and other minor repairs are recommended on the building’s exterior. In addition, the 2022 Water Strategic Plan recommended pump replacements at the facility. Both projects will reestablish and extend this pump station’s service life and use.

Over the last few years, the Village has executed numerous preventative maintenance contracts to stay on top of needed facilities repairs. In addition, over the last four years, nine architectural analyses were completed to identify short- and long-term needs for some of the Village’s oldest facilities. With the recent increase in preventative maintenance and a five-year FRRF plan matching local needs, staff anticipates that unplanned/emergency replacements will remain flat for FY 2023.

<b>Transfer to Cap Project Fund 590410</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$0</b>	<b>\$519,500</b>

Accounts for accumulated funds being transferred for A&E fees for the Public Works Campus project. An evaluation was completed of the existing Public Works facility and grounds to determine if improvements could be made to improve operational efficiencies and address current maintenance needs. Efficiency needs identified included a need for additional local salt storage, more formal covered and open materials storage areas along with drainage improvements and repaving dating to the original campus construction in 1983. This draft budget includes design and permitting proposed for FY 2023 to confirm the project design, secure site plan approval and complete an updated pre-bid cost estimate. Following this schedule, the construction could then be proposed during next year’s budget process for completion in FY 2024.

## *Special Tax Allocation Fund*

The former Glenview Naval Air Station closed in 1995 and was redeveloped by the Village of Glenview. The redevelopment is called The Glen, and the Special Tax Allocation Fund (STAF) was the primary fund used to account for its annual revenues and expenditures. The project established a Tax Increment Financing (TIF) district, which was closed on December 31, 2021.

The largest revenue source was incremental property taxes which is now directed to the individual taxing jurisdictions including the Village of Glenview. The other revenues and expenditures previously accounted for in this fund were evaluated and were either eliminated or absorbed by the Village of Glenview Corporate Fund in 2022.

The closure ordinance included the establishment of The Glen TIF Cash Reserve Account to fund specific development projects and Glen TIF related capital projects approved by the Board prior to closure, paying property tax refunds ordered by Cook County post-closure for the tax years that The Glen TIF was open, and administrative costs incurred by the Village for professional, legal, and other services related to the administration of this fund and The Glen TIF Cash Reserve Account.

The 2023 budget includes Investment Income of \$93,060 and costs of \$1,677,486 for projects started in 2022 with final completion in 2023 as detailed on the following page.

## ***Waukegan/Golf TIF Fund***

---

On December 11, 2012, the Village of Glenview (“Village”) approved a Memorandum of Understanding (“MOU”) with Regency Centers (“Regency”) regarding redevelopment of the former Avon/Baker Development property: a 20.98 acre parcel located at 1601 Overlook Drive and 3 Waukegan Road in Glenview. Regency, a national shopping center developer, proposed and subsequently built a 75,429 square foot Mariano’s Fresh Market grocery store, 15,289 square feet of inline retail, an 8,554 square foot retail outlet building, and a 3,689 square foot Glenview Bank & Trust building. Regency partnered with Focus Development who constructed a 238-unit apartment building called The Reserve on the northern portion of the site.

Regency requested assistance from the Village as extraordinary off-site infrastructure improvements were needed, most of which were roadway and traffic signal improvements on Waukegan Road and the Waukegan/Golf intersection to address current and projected traffic. In accordance with a redevelopment agreement, the Village funded \$3,500,000 of the off-site infrastructure costs by taking the appropriate steps to establish a redevelopment project area, a redevelopment plan, and tax increment financing pursuant to the Illinois Tax Increment Financing Act (65 ILCS 5/11-74.4) (the “Act”).

Ordinances required to establish the Waukegan Road/Golf Road Tax Increment Finance (“TIF”) District were approved at the Board of Trustees meeting on April 16, 2013:

- a) An Ordinance of the Village of Glenview, Cook County, Illinois, approving a Tax Increment Redevelopment Plan and Redevelopment Project for the Waukegan Road/Golf Road Redevelopment Project Area.
- b) An Ordinance of the Village of Glenview, Cook County, Illinois, Designating the Waukegan Road/Golf Road Redevelopment Project Area a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act.
- c) An Ordinance of the Village of Glenview, Cook County, Illinois, Adopting Tax Increment Allocation Financing for the Waukegan Road/Golf Road Redevelopment Project Area.

The Village of Glenview now manages the project revenues and expenses related to this TIF district as outlined below.

### ***Revenues***

#### ***Taxes***

<b>Property Tax – Incremental 410150</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$2,674,563</b>	<b>\$2,674,563</b>

Accounts for the property taxes generated by the incremental value of the redeveloped property within the Waukegan/Golf TIF District. These revenues can be used to pay project expenses; the primary expenses are Bond Series 2013B debt service and the Per Capita Tuition Charges.

The 2022 budget of \$2,674,563 was based on the net incremental property taxes estimated to be received for tax year 2021 collected in 2022. The 2023 budget is based on the incremental property taxes estimated to be received in 2022 grown at 0%.

**Investment Income**

<b>Interest – Savings 460110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$3,180</b>	<b>\$2,640</b>

Accounts for interest income from the Village’s savings accounts at Busey Bank. The revenue from this account is dependent on short-term interest rates and investable funds. Based on the anticipated interest rates and investable funds, the Village’s 2023 budget is \$2,640.

<b>Interest – Investment 460120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,200</b>	<b>\$24,000</b>

Accounts for interest income for the savings account and the investments of certificates of deposits, treasuries and securities through PMA, Inc. Interest from the Cook County Treasurer (property taxes) is also recorded to this account. Rates have begun to recover from pandemic levels, so expected interest income has increased. Based on the anticipated interest rates and investable funds, the Village’s 2023 budget is \$24,000.

**Expenditures**

**Personnel Expenditures**

<b>Regular Salaries 511110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$7,321</b>	<b>\$7,467</b>

Accounts for a portion of the salary expense for the Deputy Director of Management Services. The 2023 budget includes a 2.5% merit pay increase for non-union employees. Salaries are allocated across several funds (see below) based on work area demands and are reviewed annually.

<b>Salary Allocation by Fund</b>				
<b>Position</b>	<b>Corp</b>	<b>Waukegan/ Golf TIF</b>	<b>Water</b>	<b>Sanitary Sewer</b>
Deputy Director Management Services	91%	5%	3%	1%

<b>FICA Payments 514110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$555</b>	<b>\$572</b>

Accounts for a portion of the employer portion of FICA (Social Security (6.2%) and Medicare (1.45%)) payments applied to the FICA Wages (salaries).

<b>IMRF Payments 514210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$705</b>	<b>\$552</b>

Accounts for a portion of the employer’s share of the Illinois Municipal Retirement Fund (IMRF) Pension Contributions. The 2023 employer rate is 7.39% of IMRF wages which include salaries, OT wages, vacation and sick buy back, longevity and deferred compensation. The 2023 rate is 24% lower than the 2022 rate of 9.73% primarily due to positive investment results and changes in the actuarial assumptions.

<b>Health Insurance 514410</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,059</b>	<b>\$1,074</b>

Accounts for a portion of health insurance, dental insurance, and insurance opt-out incentive for eligible personnel. The Village offers employees a choice between two health insurance plans which include an HMO option and a PPO option. The HMO rates increased 1.0% and the PPO rates increased 4.7%.

**Contractual Expenditures**

<b>Audit Services 521140</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,613</b>	<b>\$1,831</b>

Audit services were competitively bid in 2017 and a five-year contract with a five-year extension was entered into with Baker Tilly Virchow Krause, LLP (“Baker Tilly”). The financial charge for service is calculated by resource demand across funds and updated annually (see table). The 2023 Baker Tilly service is \$62,018 with \$311 proposed for the Waukegan/Golf TIF Fund FY 2023 budget. Fund specific accounts are charged for special projects such as the annual Waukegan/Golf TIF Compliance Report and Continuing Disclosure services, which for 2023 are \$1,232 and \$288 respectively, for this fund.

<b>Finance &amp; Accounting Services 521205</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$5,560</b>	<b>\$5,727</b>

The Village outsourced financial services to Lauterbach & Amen in 2009. The 2023 budget includes comprehensive finance management services provided through 7 full-time on-site staff as well as additional Chief Financial Officer and managerial staff support. The financial charge for service is calculated annually by resource demand across funds. The majority of activity is in the Corporate Fund (88.5%). The remaining

11.5% represents work effort in the other funds. The 2023 budget projects a base contract increase of 3% from the 2022 contract amount, for a total contract value of \$1,145,411 with the Waukegan/Golf allocation being \$5,727 (0.5% of the total fee).

<b>Other Professional Services 521290</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$10,000</b>	<b>\$10,000</b>

The 2022 and 2023 budgets include a general professional services budget of \$10,000 for unforeseen requirements, and potentially for TIF closure.

<b>Per Capita Tuition Charge 526112</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$454,456</b>	<b>\$454,456</b>

Per Capita Tuition Charges are required by the TIF Act to partially compensate the impacted school districts for additional students that are generated within the development; payments are to Elementary School District 34 and High School District 219. The 2022 budget was based on the net residential TIF revenue of \$1,136,140, which was the estimated amount to be received in 2021. The 2023 budget is based on the net residential TIF revenue of \$1,136,140, which is the estimated amount to be received in 2022. As shown below, per the TIF Act, School District 34 receives a maximum of 27% and School District 219 receives a maximum of 13% of the net residential TIF revenue.

<b>District</b>	<b>2022</b>	<b>2023</b>

**Other Charges**

<b>Bond Interest 540030</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$45,250</b>	<b>\$23,800</b>

To fund the needs of the Waukegan Road/Golf Road Tax Increment Finance District, in December 2013, the Village issued a new taxable bond of \$4,385,000 (“Bond Series 2013B”), which included \$4,003,390 for project costs, \$342,443 for three years (2014-2016) of capitalized interest and \$39,167 for costs of issuance. The interest expense for Bond Series 2013B for 2023 is \$23,800. December 1, 2023, is the due date for the final payment on Bond Series 2013B.

<b>Bond Principal 540040</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$660,000</b>	<b>\$680,000</b>

Per the debt repayment schedule, the principal payment for Bond Series 2013B is \$680,000 for 2023. December 1, 2023, is the due date for the final payment on Bond Series 2013B.

<b>Paying Agent Fees 540230</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$750</b>	<b>\$750</b>

Wells Fargo is the paying agent for Bond Series 2013B. A paying agent accepts payments from the issuer of a bond and then distributes the payments to the bondholders. The annual fee for Bond Series 2013B is \$750. As Bond Series 2013B will be paid in full in 2023, 2023 will be the last year for this fee.

## *Police Special Fund*

The Police Special Fund is used to account for funds received through the forfeiture of assets as directed by the State of Illinois court system. Direction on the use of these funds is controlled by state statutes. In general, resources are used based upon the type of crime that led to the court-ordered forfeiture of assets. The 2023 budget includes funds for training.

## *Foreign Fire Fund*

---

The Foreign Fire Fund was established in 2002 in accordance with state statute 65 ILCS 5/11-10-2. Per this statute, the revenues accounted for in this fund are restricted for use by direction of the Foreign Fire Insurance Tax Board. The revenues are derived from a 2% charge on the premiums received from companies that are not incorporated in the State of Illinois, but that are engaged in providing fire insurance within the Village. Expenditures approved by the Foreign Fire Insurance Tax Board must benefit everyone within the Fire Department. The funds will be utilized as required to assist the Fire Department in continuing to deliver its high standard of service.

## *Corporate Purpose Bonds Fund*

Debt service funds are used to account for payment of principal and interest on debt and the associated fees paid from governmental fund resources. Long-term debt of enterprise and TIF funds are recorded and paid directly from the respective fund.

Currently, there are two outstanding Corporate Purpose Bonds Fund debt issuances, General Obligation Refunding Bond Series 2012B and General Obligation Purpose Bond Series 2013A. GO Refunding Bond Series 2012B was originally issued in 2004 to fund the construction of the Municipal Center and GO Purpose Bond Series 2013A was issued in 2013 to finance the Municipal Center expansion, including the Village Hall relocation.

The Corporate Fund transfers to the Corporate Purpose Bonds Fund for both the 2012B and 2013A debt. The 2012B debt amount is funded from property taxes and the 2013A debt amount is funded from Corporate Fund revenues. The Corporate Purpose Bonds Fund records the debt service payments. The total 2023 budgeted expenditures are \$2,237,807.

## *Police Pension Fund*

The Village's sworn police employees participate in the Police Pension Employee's Retirement System (PPERS). PPERS functions for the benefit of these employees and is governed by a five-member pension board consisting of two members appointed by the Village's President, one elected pension beneficiary and two elected police employees. The Village and PPERS participants are obligated to fund all PPERS costs based upon actuarial valuations. The State of Illinois is authorized to establish benefit levels and the Village is authorized to approve the actuarial assumptions used in the determination of contribution levels. Although it possesses many of the characteristics of a legally separate government, the PPERS is reported as if it were part of the Village for budgetary purposes because of the Village's fiduciary responsibility to the Pension.

## *Firefighters' Pension Fund*

The Village's sworn fire employees participate in the Firefighters' Pension. The pension provides retirement benefits to firefighters and is governed by a five-member pension board consisting of two Village President appointees, two elected fire employees, and one elected pension beneficiary. The Village and the participants are obligated to fund all pension costs based upon actuarial valuations. The State of Illinois is authorized to establish benefit levels and the Village is authorized to approve the actuarial assumptions used in the determination of contribution levels. ## *Special Service Area Fund*

Special Service Area debt issues are not obligations of the Village because they are secured by the levy of taxes on the real property within the Special Service Area. The Village is not liable for repayment, but acts as the agent for the property owners in levying and collecting the assessments and forwarding the collections to pay the debt. The Village prepares a budget to reflect the principal and interest amounts for the assessments that are required to be collected and then paid to retire the debt.

## Glenview Water Fund

The Glenview Water Fund (“Water Fund”) is an enterprise fund which means the fund operates as a business and user charges are the main source of revenue, as opposed to taxes or other general revenues. This fund is used to account for the revenue and expense activities associated with the delivery of water to customers. The Village’s water source is Lake Michigan, and is treated and delivered through the Village of Wilmette.

The Glenview Water Fund includes operational activities performed by the following departments: Public Works, Management Services, and Community Development. The Public Works Department performs general maintenance on the system such as water main break repairs, hydrant flushing, meter replacements, and water quality testing. The Management Services Department performs support activities to assist with service operations and the overall management and administration of the fund and its associated operations. These activities include responding to water and sewer customer inquiries, water and sewer billing, accounts payable, payroll, financial support, information technology support, geographic information system (GIS) mapping, and general management and administration. The Community Development Department supports long-term infrastructure improvements including planning, design, project management and construction of the water main projects for capital improvements. These projects could include a new water main or replacement of the deteriorated infrastructure.

The Village’s water customer base includes approximately 16,320 customers, 1,630 of whom are in unincorporated Glenview. The Village separates its customers into five customer classes: residential, commercial, government, industrial and municipal. Approximately 95% of total customers are residential, 4% commercial, and 1% industrial, government and municipal customers. Glenview customers are billed quarterly.

### *Revenues*

#### Licenses & Permits

<b>Water Connection Charges 420330</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$85,000</b>	<b>\$85,000</b>

Accounts for charges assessed to a homeowner or a business that wishes to connect to the Village water system. A connection charge is assessed per the Village’s Municipal Code and then a permit is issued for construction. Applicants are charged as provided in section 30-1 of the Municipal code, in addition to paying all fees for materials and labor related to such connections at the time the application is made.

Total revenues from connection charges vary depending on the number of homeowners or businesses that are connecting to the Village’s water system in a given year. Based on an analysis of prior year and year-to-date receipts, the Village is budgeting \$85,000 in Water Connection Charges.

	2020	2021	2022 Estimate	2023 Budget
<b>Water Connection Charges</b>	\$83,626	\$133,859	\$95,000	\$85,000

<b>Water Meter 420335</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$2,000</b>	<b>\$2,000</b>

Accounts for water meters used for construction by residents, but not returned to the Village. There is a \$96 fee for each water meter that is not returned. Based on past years, the Village estimates that approximately twenty water meters used by residents for construction will not be returned, resulting in a 2023 budget of \$2,000.

<b>Water Permit 420340</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$700</b>	<b>\$700</b>

Accounts for fire hydrant meter permits to provide convenient access to water from fire hydrants to qualified applicants. Applicants are charged a \$35.00 hydrant permit fee. The Village’s 2023 budget of \$700 is based on historical activity dating back to 2016. The Village is budgeting to receive twenty applications for hydrant meter permits in 2023, resulting in a budget of \$700.

<b>Water Charges 440105</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$15,225,200</b>	<b>\$15,956,359</b>

Accounts for charges for the delivery of water including residential, commercial, government, industrial and municipal customers that are connected to the Village’s water supply. The Village’s water customer base includes approximately 16,320 customers, 1,630 of whom are in unincorporated Glenview. Approximately 95% of customers are residential, 4% commercial, and 1% industrial, government and municipal customers. All Glenview customers are billed quarterly.

The Village of Glenview purchases potable Lake Michigan water pumped from the Village of Wilmette for \$1.87/1,000 gallons. The percentage of gallons purchased from the Village of Wilmette that have been billed to customers by the Village is detailed as follows:

During 2017, the Village completed a water and sanitary sewer rate study which resulted in a recommendation to maintain the current water and sanitary sewer rate structures of a fixed component plus a consumption component. The study further recommended that the Water Fund fixed component recover more than the current 6.7% of total water fund costs by increasing this portion of the rate structure to a recovery percentage of 15% by 2022. The new rates were adopted and were increased starting in 2018. The fixed and consumption rates for 2021, 2022, and 2023 are detailed in the table below which shows that the goal was met in 2022:

Village Water Rates

Water Charges are budgeted to be \$15,956,359 in 2023, which is \$865,217 higher than the 2022 estimated revenues. The budgeted amount takes an average of the previous three years' water usage.

Water for Construction 440115	2022 Budget	2023 Budget
	\$15,000	\$15,000

Accounts for charges assessed to customers for water equipment used for construction. These charges fluctuate depending the amount and type of construction conducted in the Village each year. Since 2014, the Village has received between \$4,000 and \$56,000 in annual receipts due to large, one-time payments for water equipment that are made on an inconsistent basis. In light of this, the Village is budgeting \$15,000 in receipts for 2023.

<b>Temporary/Seasonal Salaries 511130</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$57,820</b>	<b>\$59,972</b>

Accounts for a portion of the cost of four (4) winter seasonal employees and four (4) summer seasonal interns to assist with Public Works core service delivery. These positions are allocated as such: 29% to the Corporate Fund, 58% to the Water Fund, 4% to the Wholesale Water Fund, and 9% to the Sanitary Sewer Fund.

<b>Overtime Salaries 511210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$211,485</b>	<b>\$212,507</b>

Accounts for a portion of the overtime salary expense for non-exempt personnel allocated to the Water Fund. The 2023 budget is based on the Village’s hybrid model that leverages the value of in-house PW staff and outside contractors through outsourcing to perform typical PW functions such as locate services, hydrant flushing, valve exercising, etc. This is based on a three-year average. Overtime for Resolution Center staff (\$2,007) includes two hours per month for the utility billing clerk to respond to unforeseen billing issues and two hours per month for four customer service representatives for special events or emergency call backs.

<b>Longevity Pay 511240</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$29,652</b>	<b>\$31,051</b>

Longevity is paid to union employees per the union contract with 7 or more years of service hired prior to 1/1/15 (15 employees) and non-union non-exempt employees per the employee handbook with 7 or more years of service hired prior to 7/17/2012 (11 employees). Longevity amounts are included in union contracts and the employee handbook at a specific point in time and are increased annually based on the annual September change in CPI. The estimated change in CPI is 9% based on current trends. Longevity is allocated across funds in the same proportions as regular salaries.

<b>Vacation Buy Back 511270</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$2,750</b>	<b>\$2,500</b>

Accounts for the vacation time compensation paid to employees for a certain number of accrued and unused vacation hours in accordance with the Employee Handbook and union contracts. The 2023 budget is based on review of program participation in prior years.

<b>Deferred Compensation 512110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$2,568</b>	<b>\$4,946</b>

Accounts for a portion of deferred compensation paid to the Village Manager, Deputy Village Manager, Director of Management Services, Director of Community Development, and Director of Public Works at 3% of base salary per the Employee Handbook. The 2023 budget is up from the 2022 budget due to the addition of the Director of Public Works position to the Water Fund.

<b>Auto Allowance 512120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$3,696</b>	<b>\$5,436</b>

Accounts for a portion of the auto allowance as the regular salary allocation paid to the Village Manager, Deputy Village Manager, Director of Management Services, Director of Community Development, and Director of Public Works per the employee handbook. The 2023 budget is up from the 2022 budget due to the addition of the Director of Public Works position to the Water Fund.

The Village provides various methods to give citizens a range of payment options for commuter parking permits, building permits, Police issued local ordinance violations, ambulance billing and other miscellaneous payments, some of which can be processed online. An annual transaction receipt analysis of accounts charged to each fund began in 2017 to determine the subsequent years fund allocation. Fund allocations (see table) are based on an analysis of receipt activity.

<b>Finance &amp; Accounting Services 521205</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$66,723</b>	<b>\$68,725</b>

The Village outsourced financial services to Lauterbach & Amen in 2009. The 2023 budget includes comprehensive finance management services provided through 7 full-time on-site staff as well as additional Chief Financial Officer and managerial staff support. The financial charge for service is calculated annually by resource demand across funds. The majority of activity is in the Corporate Fund (88.5%). The remaining 11.5% represents work effort in the other funds. The 2023 budget projects a base contract increase of 3% from the 2022 contract amount, for a total contract value 1,145,411 with the Water Fund allocation being \$68,725 (6% of the total fee).

<b>Information Technology Services 521215</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$41,980</b>	<b>\$45,596</b>

Information technology (IT) functions are supported through contracted services. The primary IT contract is a managed service provider with on-site technical resources during business hours and after hour's emergency support. The program staffing level is annually reviewed and allocated across funds based on general technology resource demands (see table). The proposed 2023 Budget includes one-time projects such as upgrades to wireless access within the Village facilities, offsite data back-ups, and storage upgrades.

<b>Information Technology</b>			
<i>The IT contract was outsourced in three solicitations in 2007, 2013 and 2019. The FY 2022 budget proposes \$686,898 for information technology support. Additionally, there are special projects for one-time hardware upgrades such as Storage Upgrades, Antivirus upgrades, and responses to security events totaling \$24,013. The budget anticipates a first phase of transition to a cloud service provider with a total data center service fee of \$25,000, applying the IT funds allocations.</i>	5%	\$911,915	\$45,596
<i>One-Time: Also proposed in FY 2022 is a one-time item to redesign the Village website (which was last updated in 2014) in the total amount of \$82,766, applying the IT fund allocations. Expenses related to transitioning the Village's ERP software (MUNIS) to the cloud environment are in this budget line totaling \$20,919.</i>			

<b>Other Professional Services 521290</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$197,936</b>	<b>\$257,394</b>

Accounts for the service fees for outside firms and agencies that support the work of the Water Fund. This includes services managed by the Management Services Department as well as Public Works. The main variation between FY 2022 and FY 2023 for the technology portion of the budget is due to the completion of the one-time projects and allocation of costs between the Water and Wholesale Funds.

<b>Software Licensing 522160</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$85,940</b>	<b>\$87,756</b>

This account includes ongoing software maintenance charges as well as any proposed projects that require software. Initial purchases of software licensing are competitively bid and awarded, and ongoing maintenance costs are budgeted annually. The charges are allocated across funds based on general technology resource demands, updated annually, and summarized below by function. Software that supports a specific function is charged directly to the appropriate account. For example, utility billing software is charged toward the Water and Sanitary Sewer Funds and the Tyler Public Safety software is offset through Joint Dispatch revenue.

The FY 2023 software budget includes ongoing support of MUNIS SaaS (Software as a Service); telephones; dispatch software solution to interface Glenview’s Computer Aided Dispatch software to neighboring jurisdiction’s Computer Aided Dispatch software; police ALJ software; and O365;. New Software requests total approximately \$160,000 and include Payroll, Performance Metric tracking, and updated offsite data back-up for disaster recover. Additionally, staff has budgeted 7-10% increases for core software packages such as MUNIS, O365, and Talentspace (SABA performance tracking software).

## Sanitary Sewer Fund

---

The Sanitary Sewer Fund (“Sewer Fund”) is an enterprise fund which means the fund operates as a business and user charges are the main source of revenue, as opposed to taxes or other general revenues. This fund is used to account for the revenue and expense activities associated with the transmission of wastewater from customers to the Metropolitan Water Reclamation District (MWRD).

The Sewer Fund includes operational activities performed by the following departments: Public Works, Management Services, and Community Development. The Public Works Department performs general maintenance for the system such as sewer line and lift station repairs, and geographic information system (GIS) mapping. The Management Services Department performs support activities to assist with service operations and the administration and management of fund related operations. These activities include responding to customer inquiries, billing, accounts payable, payroll, financial support, general administration and management, and information technology support. The Community Development Department supports long-term infrastructure improvements including planning, design, project management and construction of the sanitary sewer main projects for capital improvements. Projects could include a new sanitary sewer main and replacement of deteriorated infrastructure.

The Village’s sewer customer base includes approximately 11,900 customers. Some properties in the Village receive water service but are not connected to the Village’s sanitary sewer system. The Village separates its customers into five customer classes: residential, commercial, government, industrial and municipal. Approximately 95% of total customers are residential, 4% commercial, and 1% industrial, government and municipal customers. Glenview customers are billed quarterly.

### ***Revenues***

#### **Licenses & Permits**

<b>Sewer Connection Charges 420330</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$8,000</b>	<b>\$10,000</b>

Accounts for charges assessed to a homeowner or a business that wishes to connect to the Village sanitary sewer system. A connection charge is assessed per the Village’s Municipal Code and then a permit is issued for construction. Applicants are charged as provided in section 30-1 of the Municipal code, in addition to paying fees for materials and labor related to such connections at the time of application.

Revenues from connection charges vary depending on the number of homeowners or businesses that are connecting to the Village’s sanitary sewer system in a given year. The 2023 budget is based on prior year averages.

<b>Heatherfield 420350</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$5,000</b>	<b>\$10,000</b>

Accounts for quarterly payments under the Cost Sharing Agreement between the Village, the Heatherfield Master Community Association, the Haverford Homeowners Association and Heatherfield LLC. The 1996 Amended and Restated Annexation Agreement between the Village, the Missionary Sisters Servants of the Holy Spirit and Marathon U.S. Realities, Inc., included a requirement that a sanitary lift station be

constructed and maintained. The agreement provided that the Village would perform ongoing maintenance and repair of the lift station with the expenses paid by Heatherfield. The Village assesses each of the three associations a proportionate share of the lift station expense (Heatherfield Master Association: 71.10%, Haverford: 22.04%, and Heatherfield Center: 6.86%). For the 2023 budget, the Village is anticipating these revenues to remain level with the 2022 projection.

**Charges for Services**

<b>Sewer Charges 440110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$2,789,771</b>	<b>\$2,884,077</b>

Accounts for the sanitary sewer user charges. The charge is intended to require each user of the sanitary sewer system to pay a proportionate share of the operation and maintenance costs, including replacement, of the sanitary sewer system of the Village. The Village currently maintains sewer rates that include a fixed charge and a consumption charge. The fixed charge is assessed quarterly based on the size of the customer’s water meter and the consumption charge is based on the quarterly metered water use.

	2020	2021	2022 Projection	2023 Budget
<b>Sewer Charges</b>	\$2,467,581	\$2,609,168	\$2,789,771	\$2,884,077
<b>Percentage Change</b>	6.70%-	6.74%	6.92%	3.38%

During 2017, the Village completed a water and sanitary sewer rate study which resulted in a recommendation to maintain the current water and sanitary sewer rate structures of a fixed component plus a consumption component. The study further recommended that the Water Fund fixed component would recover more than the current 6.7% of total water fund costs by increasing this portion of the rate structure to a recovery percentage of 15% by 2022. The study also suggested that the fixed rate component for the Sewer Fund rate structure be maintained at the cost recovery level of 27%. All of these recommendations were reviewed and approved by the Village Board. The new rates were adopted and were increased starting in 2018. In 2021, the Board gave direction to amend the fixed charges for the three smallest meter sizes, so that the fee was the same. This adjustment caused an increase in the recovery percentage, which will level out over time. The fixed and usage rates for 2021, 2022, and 2023 are detailed in the table below:

**Investment Income**

<b>Interest – Savings 460110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$0</b>	<b>\$120</b>

Accounts for interest income from the Village’s savings accounts at Busey Bank. The revenue from this account is dependent on short-term interest rates and investable funds. Based on the anticipated interest rates and investable funds, the Village’s 2023 budget is \$120.

<b>Interest – Investment 460120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$100</b>	<b>\$16,000</b>

Accounts for interest income for the savings account and the investments of certificates of deposits, treasuries and securities through PMA, Inc. Rates have begun to recover from pandemic levels, so expected interest income has increased. Based on the anticipated interest rates and investable funds, the 2023 budget is \$16,000.

<b>Regular Salaries 511110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$341,676</b>	<b>\$367,896</b>

Accounts for the portion of the salary expense for the full-time positions listed below allocated to the Sewer Fund. The 2023 budget includes a 2.5% merit pay increase for non-union employees and a 3.0% increase for union positions. The 2023 budget decreased by three positions (one Resolution Center Supervisor, one Management Analyst I, and one Management Analyst II). This was offset by an increase of four positions (one Customer Service Representative, two Assistants to the Village Manager, and one Director of Public Works). This combined with merit pay results in an increased 2023 budget.

<b>Part-Time Salaries 511120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
		<b>\$2,063</b>

Accounts for a portion of the salary expense for one part-time Customer Service Representative, a decrease of one from the prior year. The 2023 budget includes a 2.5% merit increase.

<b>Temporary/Seasonal Salaries 511130</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
		<b>\$8,820</b>

Accounts for a portion of the cost of four (4) winter seasonal employees and four (4) summer seasonal interns to assist with Public Works core service delivery. These positions are allocated as such: 29% to the Corporate Fund, 58% to the Water Fund, 4% to the Wholesale Water Fund, and 9% to the Sanitary Sewer Fund.

<b>Overtime Salaries 511210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$46,792</b>	<b>\$50,787</b>

Accounts for a portion of the overtime salary expense for non-exempt personnel whose regular salaries are allocated to sewer (\$50,414). This is based on a three-year average. Overtime for Resolution Center staff (\$373) includes two hours per month for the utility billing clerk to respond to unforeseen billing issues and two hours per month for four customer service representatives for special events or emergency call backs.

<b>Longevity Pay 511240</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$4,603</b>	<b>\$4,822</b>

Longevity is paid to union employees per the union contract with 7 or more years of service hired prior to 1/1/15 (15 employees) and non-union non-exempt employees per the employee handbook with 7 or more years of service hired prior to 7/17/2012 (10 employees). Longevity amounts are included in union contracts and the employee handbook at a specific point in time and are increased annually based on the annual September change in CPI. The estimated change in CPI is 9% based on current trends. Longevity is allocated across funds in the same proportions as regular salaries.

<b>Deferred Compensation 512110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$805</b>	<b>\$1,307</b>

Accounts for a portion of deferred compensation paid to the Village Manager, Deputy Village Manager, Director of Management Services and the Director of Community Development at 3% of their base salary per the Employee Handbook. The 2023 budget is up from the 2022 budget due to the addition of the Director of Public Works position to the Sewer Fund.

<b>Auto Allowance 512120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$852</b>	<b>\$1,392</b>

Accounts for the same portion of the auto allowance as the regular salary allocation paid to the Village Manager, Deputy Village Manager, Director of Management Services, Director of Community Development, and Director of Public Works per the employee handbook. The 2023 budget is up from the 2022 budget due to the addition of the Director of Public Works position to the Sewer Fund.

<b>FICA Payments 514110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$30,572</b>	<b>\$29,034</b>

Accounts for a portion of the employer portion of FICA (Social Security (6.2%) and Medicare (1.45%)) payments applied to the FICA Wages (salaries, longevity, deferred compensation and auto allowance).

<b>IMRF Payments 514210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$38,440</b>	<b>\$27,669</b>

Accounts for a portion of the employer's share of the Illinois Municipal Retirement Fund (IMRF) Pension Contributions. The 2023 employer rate is 7.39% of IMRF wages which include salaries, OT wages, vacation

and sick buy back, longevity and deferred compensation. The 2023 rate is 24% lower than the 2022 rate of 9.73% primarily due to positive investment results.

<b>Health Insurance 514410</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$62,357</b>	<b>\$65,525</b>

Accounts for a portion of health insurance, dental insurance, and insurance opt-out incentive for eligible personnel. The Village offers employees a choice between two health insurance plans which include an HMO option and a PPO option. The HMO rates increased 1.0% and the PPO rates increased 4.7%.

**Contractual**

<b>Audit Services 521140</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,154</b>	<b>\$1,406</b>

Audit services were competitively bid in 2017 and a five-year contract with an optional five-year extension was entered into with Baker Tilly Virchow Krause, LLP (“Baker Tilly”). The financial charge for service is calculated by resource demand across funds and updated annually (see table). Fund specific accounts are charged for special projects such as the annual Waukegan/Golf TIF report and The Glen TIF Compliance Report. The total budget for audit services is \$69,900, with a \$1,406 proposed Sewer Fund FY 2023 budget.

Finance & Accounting Services 521205	2022 Budget	2023 Budget
	\$22,241	\$22,908

The Village outsourced financial services to Lauterbach & Amen in 2009. The 2023 budget includes comprehensive finance management services provided through 7 full-time on-site staff as well as additional Chief Financial Officer and managerial staff support. The financial charge for service is calculated annually by resource demand across funds. The majority of activity is in the Corporate Fund (88.5%). The remaining 11.5% represents work effort in the other funds. The 2023 budget projects a base contract increase of 3% from the 2022 contract amount, for a total contract value 1,145,411 with the Sewer Fund allocation being \$22,908 (2% of the total fee).

Information Technology Services 521215	2022 Budget	2023 Budget
	\$8,396	\$9,119

Information technology (IT) functions are supported through contracted services. The primary IT contract is a managed service provider with on-site technical resources during business hours and after hour’s emergency support. The program staffing level is annually reviewed and allocated across funds based on general technology resource demands as shown in the table.

<p><i>The IT contract was outsourced in three solicitations in 2007, 2013 and 2019. The FY 2022 budget proposes \$686,898 for information technology support. Additionally, there are special projects for one-time hardware upgrades such as Storage Upgrades, Antivirus upgrades, and responses to security events totaling \$24,013. The budget anticipates a first phase of transition to a cloud service provider with a total data center service fee of \$25,000, applying the IT funds allocations.</i></p> <p><i>One-Time: Also proposed in FY 2022 is a one-time item to redesign the Village website (which was last updated in 2014) in the total amount of \$82,766, applying the IT fund allocations. Expenses related to transitioning the Village’s ERP software (MUNIS) to the cloud environment are in this budget line totaling \$20,919.</i></p>	1%	\$911,915	\$9,119

<b>Other Professional Services 521290</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$220,073</b>	<b>\$227,505</b>

Accounts for the service fees for outside firms and agencies that support the work of the Sewer Fund. This includes services managed by the Management Services Department as well as Public Works.

As part of a new mandate from the Metropolitan Water Reclamation District of Greater Chicago (MWRD), the Village is responsible to start a sanitary sewer condition assessment program for the Village’s sanitary sewer system. Starting in 2021, the Village hired a contractor to televise the Village’s sanitary sewer main lines and provide a written report. This will be above-and-beyond the sewer televising typically completed to support planning for the Village’s five-year Capital Improvement Program (CIP). The full sewer condition assessment program is to be completed in ten years, and each year’s budget should contemplate completing 1/10<sup>th</sup> (10%) of the program, or approximately 100,000 linear feet, which will keep the Village on-schedule to meet this new countywide requirement.

<b>Postage 522145</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$5,915</b>	<b>\$6,696</b>

Accounts for \$5,950 (17%) of the total postage cost of \$35,000 for water/sewer utility bills mailed to Village customers by the third-party vendor Third Millennium. There are also costs budgeted in this account for

postage related to water/sewer utility bill mailings processed through the Village’s postage machine. Additional costs are identified to be: \$116 for the Village’s postage machine lease, \$24 for the postage machine supplies and \$605 for the postage cost from the Corporate Fund.

<b>Software Licensing 522160</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$17,188</b>	<b>\$14,706</b>

This account includes ongoing software maintenance charges as well as any proposed projects that require software. Initial purchases of software licensing are competitively bid and awarded, and ongoing maintenance costs are budgeted annually. The charges are allocated across funds based on general technology resource demands, updated annually, and summarized below by function. Software that supports a specific function is charged directly to the appropriate account. For example, utility billing software is charged toward the Water and Sanitary Sewer Funds and the New World software is offset through Joint Dispatch revenue.

# Wholesale Water Fund

The Wholesale Water Fund is an enterprise fund which means the fund operates as a business and user charges are the main source of revenue, as opposed to taxes or other general revenues. This fund is used to account for the revenue and expense activities associated with the purchase of water from the Village of Wilmette for sale to other water systems.

## Revenues

### Charges for Services

<b>Water Charges 440105</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$6,007,859</b>	<b>\$5,944,987</b>

Accounts for the sale and delivery of Lake Michigan water to Aqua, Illinois American Water Company (IAWC) and the Village of Golf. The Glenview water system receives potable water from Lake Michigan through the Village of Wilmette. Glenview purchases water from the Village of Wilmette for a current rate of \$1.87/1,000 gallons. The wholesale rates charged to Aqua, IAWC and the Village of Golf are based on the terms of each of the water service agreements with the Village.

The water service agreements require regular (monthly for Aqua and IAWC and quarterly for Village of Golf) billing on several components. These components include a purchase water charge, a charge for maintaining facilities and operations, a return on capital investment, depreciation expense charge and an administrative charge. The billing rates for Aqua, IAWC and the Village of Golf are re-calculated on an annual basis.

The revenue budgets for Aqua, IAWC and the Village of Golf are calculated by multiplying the estimated number of gallons purchased by Aqua, IAWC and the Village of Golf from the Village by the current billing rates. The 2023 estimated number of units (1,000 gallons) purchased by Aqua, IAWC and the Village of Golf are 775,809, 598,996 and 22,636, respectively. Aqua’s estimated purchased gallons are based on the trend of gallons used since June 2020. The IAWC and Village of Golf estimated gallons are based on a three-year average of water gallons purchased. In 2022, Water Charges of \$3,669,576 are budgeted for Aqua, \$2,174,355 are budgeted for IAWC, and \$101,056 are budgeted for the Village of Golf. The chart below details the number of gallons purchased per year by Aqua, IAWC and the Village of Golf.

*\*Aqua is six months in 2020 (July to December)*

**Investment Income**

<b>Interest – Savings 460110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$40</b>	<b>\$120</b>

Accounts for interest income from the Village’s savings accounts at Busey Bank. The revenue from this account is dependent on short-term interest rates and investable funds. Based on the anticipated interest rates and investable funds, the Village’s 2023 budget is \$120.

<b>Interest – Investment 460120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$40</b>	<b>\$17,170</b>

Accounts for interest income for the savings account and the investments of certificates of deposits, treasuries and securities through PMA, Inc. Rates have begun to recover from pandemic levels, so expected interest income has increased. Based on the anticipated interest rates and investable funds, the Village’s 2023 budget is \$17,170.

**Personnel**

<b>Regular Salaries 511110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$164,271</b>	<b>\$172,669</b>

Accounts for the portion of the salary expense for the full-time positions listed below allocated to the Wholesale Water Fund. The 2023 budget includes a 2.5% merit pay increase for non-union employees and a 3.0% increase for union positions. This combined with merit increases and allocation updates resulted in an increased 2023 budget.

<b>Temporary/Seasonal Salaries 511130</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,960</b>	<b>\$4,136</b>

Accounts for the cost of four (4) winter seasonal employees and four (4) summer seasonal interns to assist with Public Works core service delivery. These positions are allocated as such: 29% to the Corporate Fund, 58% to the Water fund, 4% to the Wholesale Water fund, and 9% to the Sanitary Sewer fund. Another factor in this increase in the Wholesale Water allocation for these roles is doubling the allocation from 2% to 4%.

<b>Overtime Salaries 511210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$10,596</b>	<b>\$10,600</b>

Accounts for a portion of the overtime salary expense for non-exempt personnel whose regular salaries are allocated to Wholesale Water. The 2023 budget is based on the Village's hybrid model that leverages the value of in-house PW staff and outside contractors through outsourcing to perform typical PW functions. This is based on a three-year average.

<b>Longevity Pay 511240</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,874</b>	<b>\$1,954</b>

Longevity is paid to union employees per the union contract with 7 or more years of service hired prior to 1/1/15 (15 employees) and non-union non-exempt employees per the employee handbook with 7 or more years of service hired prior to 7/17/2012 (7 employees). Longevity amounts are included in union contracts and the employee handbook at a specific point in time and are increased annually based on the annual September change in CPI. The estimated change in CPI is 9% based on current trends. Longevity is allocated across funds in the same proportions as regular salaries.

<b>Deferred Compensation 512110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$955</b>	<b>\$1,095</b>

Accounts for a portion of deferred compensation paid to the Village Manager and the Deputy Village Manager Development at 3% of base salary per the Employee Handbook.

<b>Auto Allowance 512120</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$960</b>	<b>\$1,080</b>

Accounts for a portion of the auto allowance as the regular salary allocation paid to the Village Manager and the Deputy Village Manager per the employee handbook.

<b>FICA Payments 514110</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$13,094</b>	<b>\$13,574</b>

Accounts for a portion of the employer portion of FICA (Social Security (6.2%) and Medicare (1.45%)) payments applied to the FICA Wages (salaries, longevity, deferred compensation, and auto allowance).

<b>IMRF Payments 514210</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$17,290</b>	<b>\$13,769</b>

Accounts for a portion of the employer's share of the Illinois Municipal Retirement Fund (IMRF) Pension Contributions. The 2023 employer rate is 7.39% of IMRF wages which include salaries, OT wages, vacation and sick buy back, longevity and deferred compensation. The 2023 rate is 24.05% lower than the 2022 rate of 9.73% primarily due to positive investment results and changes in the actuarial assumptions.

<b>Health Insurance 514410</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$30,048</b>	<b>\$30,035</b>

Accounts for a portion of health insurance, dental insurance, and insurance opt-out incentive for eligible personnel. The Village offers employees a choice between two health insurance plans which include an HMO option and a PPO option. The HMO rates increased 1.0% and the PPO rates increased 4.7%.

**Contractual**

<b>Audit Services 521140</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$1,692</b>	<b>\$1,861</b>

Audit services were competitively bid in 2017 and a five-year contract with an optional five-year extension was entered into with Baker Tilly Virchow Krause, LLP ("Baker Tilly"). The financial charge for service is calculated by resource demand across funds and updated annually (see table). Fund specific accounts are charged for special projects such as the annual Waukegan/Golf TIF report and The Glen TIF Compliance Report. The total budget for audit services is \$69,900, with a \$1,861 proposed Wholesale Water Fund FY 2023 budget.

<b>Finance &amp; Accounting Services 521205</b>	<b>2022 Budget</b>	<b>2023 Budget</b>
	<b>\$33,362</b>	<b>\$34,362</b>

The Village outsourced financial services to Lauterbach & Amen in 2009. The 2022 budget includes comprehensive finance management services provided through 7 full-time on-site staff as well as additional Chief Financial Officer and managerial staff support. The financial charge for service is calculated annually by resource demand across funds. The majority of the activity is in the Corporate Fund (87.5%). The remaining 12.5% represents work effort in the other funds. The 2023 budget projects a base contract increase of 3% from the 2022 contract amount, for a total contract value of \$1,145,411 with the Wholesale Water Fund allocation being \$34,362.

<b>Other Professional Services 521290</b>	<b>2022 Budget</b>	<b>2023 Budget</b>

## Commuter Parking Fund

The Village maintains commuter parking lots and the related facilities at both train stations located in downtown Glenview and at The Glen. The downtown station offers both Metra and Amtrak service, while The Glen station only offers Metra service. The Village offers a daily parking option and monthly, semi-annual, or annual permits. Parking fees and parking violation fees from these lots are the primary Commuter Fund revenue sources. Additional revenue has been collected sporadically in prior years through reimbursements from Metra for significant building maintenance projects. Expenditures include costs of services to maintain the parking lots and facilities, snow and ice control, Interfund charges for future repairs and replacements, and a portion of personnel costs. The Commuter Parking Fund has historically been designated as a Village enterprise fund, meaning that revenues generated by fund activity were adequate to cover fund expenditures.

Cash reserves of the Commuter Parking fund are being depleted due to the low revenue collections and are currently projected to run out during 2024. Based on this analysis and the inability for the fund to remain self-sustaining, commuter parking revenues and expenditures will be absorbed into the Corporate Fund beginning in 2023.

## *Capital Projects Fund*

This fund accounts for the expenditures related to capital improvement projects for most governmental funds. Revenues typically include transfers from other funds for their respective projects, grants, and can include bond proceeds when applicable. Expenditures for capital projects of Enterprise Funds and the Motor Fuel Tax Fund are shown within those funds.

A series of public meetings and presentations to the Board of Trustees occur with this portion of the budget. The Capital Improvement Program (CIP) is developed separately from the operating budget. The fund may end any given year with a fund balance, as these proceeds are not always spent in the year received but are typically assigned to a previously approved project that will be completed in a subsequent year.

The 2023 revenue budget includes the on-going transfer from Corporate Fund of \$7,030,400 to support the annual CIP. The Capital Projects Fund has \$19,044,805 in expenditures for the 2023 budget which includes \$14,642,544 for 2023 projects and \$4,377,890 for prior years' projects. These projects are primarily road reconstruction, including underground infrastructure improvements, road resurfacings, stormwater and special projects, and related design and project management supporting the CIP. A list of capital projects is included within the CIP section of this document.

## *Glen Capital Projects Fund*

---

The Glen Capital Project Fund is used to account for capital projects and development fees within The Glen tax increment financing (TIF) district. The fund is supported by The Glen Special Tax Allocation Fund. There are no capital projects planned for 2023 as the TIF district was closed on December 31, 2021.

## ***Permanent Fund***

---

Pursuant to the September 3, 1996, Business/Operational Plan prepared by Deloitte & Touche for the Glenview Naval Air Station redevelopment project (now known as “The Glen”), the Village of Glenview established a Permanent Fund to receive a Master Developer fee totaling approximately \$40 million defined as 20% of the gross proceeds of land sold within the project, excluding the approximate 44-acre Navy Disposition Parcel that was purchased in 2006 and resold in 2014.

An interim policy was established by Resolution 02-40 to temporarily use part of the proceeds (\$11.2 million) as an intergovernmental loan to the project to enhance cash flow, reduce overall project risk and minimize General Obligation bond requirements (this loan was paid back in 2021 with the closure of The Glen TIF). A formal policy regarding use of the fund’s assets was established by Resolution No. 05-16 on March 15, 2005. The general goal of the fund was to provide resources for Village-wide capital expenditures and economic development improvements *outside* of The Glen. Capital expenditures include expenditures for real property or improvements to real property including, but not limited to, construction of and major alterations to the following:

1. Transportation Projects
  - a. Street Improvements
  - b. Sidewalks and Bikeways
  - c. Street Lighting
  - d. Bridges
  - e. Railway Crossings
  - f. Traffic Signals and Intersections
  - g. Landscaping
2. Land Acquisition
3. Storm Sewer Projects
  - a. Storm Water Management Projects
  - b. Detention Projects
4. Sanitary Sewer Projects
5. Village-owned Buildings, Structures and Physical Facilities
  - a. Fixed Equipment
  - b. Landscaping

Economic development initiatives include those that meet Village financial and strategic goals, provide for reinvestment in the community, and establish and maintain long term revenue streams.

The 2022 budget included a \$1,000,000 transfer to the Capital Projects fund for potential downtown parking improvements and \$420,000 for the I-294 Access Phase I Preliminary Design. Neither project will take place in 2022 however, the 2023 budget includes both projects at \$800,000 and \$360,000, respectively.

## *Motor Fuel Tax Fund*

The Motor Fuel Tax (MFT) Fund includes both Illinois Motor Fuel taxes and local Motor Fuel taxes. The state motor fuel tax is based on the consumption of motor fuel. In 2022, the State of Illinois set the motor fuel tax to 55.9 cents per gallon. The diesel motor fuel tax rate was set to 62.7 cents per gallon. The State of Illinois distributes 54.4% of the monies to local taxing districts based on a statutory formula. The Local Motor Fuel Tax (LMFT) was initially approved by the Village Board in 2010 at a rate of \$0.02 per gallon. During the 2017 budget process, the Village Board approved an additional \$0.02 per gallon, making the LMFT rate \$0.04 per gallon beginning January 1, 2017. The MFT and LMFT are expected to generate approximately \$2,134,056 and \$801,373, respectively for the resurfacing of Village roadways in 2023. A list of roadways that will be resurfaced is included within the Capital Improvement Program (CIP) Section of this document.

Expenditures of Illinois MFT funds require the supervision and approval of the Illinois Department of Transportation (IDOT). The corporate authorities of the municipality must adopt an ordinance or resolution appropriating the MFT funds and stating how the funds will be used.

## Capital Improvement Program

### CORE INFRASTRUCTURE

**\$16,569,376**

#### Design

**\$2,214,570**

Annual activities include road surveying, clean construction and demolition debris soil testing, material testing, Capital Improvement Program (CIP) design (road, water, sanitary, storm and natural resources), inspectional and project management services, bridge and retaining wall inspection, drainage analysis and assessment, and associated design contingencies.

#### Road Resurfacing

**\$2,242,806**

Road resurfacing projects involve grinding of street surface, underground utility spot repairs, minor concrete work including sidewalk and curb and gutter replacement, roadway patching, new street surface placement, and landscape restoration. In addition, Minor Area Repair Strategy – Asphalt (MARS-A) and Minor Area Repair Strategy - Concrete (MARS-C) patching is included throughout the Village. There will be a total of 4.6 miles resurfaced in 2023. The roadways include:

- Gladish Lane (Glenview Road to North End)
- Thistle Road (Independence Avenue to Lehigh Avenue)
- Thistle Road (Annapolis Drive to Independence Avenue)
- Bluestem Lane (Chestnut Avenue to Cottonwood Drive)
- Cottonwood Drive/Fielding Drive (Thistle Road to Primrose Lane)
- Timothy Drive (Primrose Lane to Cottonwood Drive)
- Daisy Avenue (Bluestem Lane to Primrose Lane)
- Independence Avenue (Fielding Drive to Patriot Boulevard)
- Indian Ridge (Mohawk Lane to Osage Drive)
- Indian Ridge CDS (Indian Ridge to end of CDS)
- Prairie Lawn Road (Independence Avenue to East Lake Ave)
- Peachgate Road/Lane & CDS's (Prairie Lawn Road to Peachgate Lane)
- Huber Lane (East Lake Avenue to North CDS)
- Monroe Avenue (North End to Chestnut Avenue)
- Jefferson Avenue (Monroe Avenue to West End)
- Rogers Avenue (Monroe Avenue to West End)
- Huber Lane (Harrison Street to Central Road)
- Alley Reconstruction (Waukegan Road to Maplewood Lane)
- MARS Asphalt (various locations Village-wide)
- MARS Concrete (supplemental to Public Works budget)

#### Road Reconstruction

**\$12,112,000**

Typical work involves street removal, curb removal, underground utility installation/replacement/relining/repairs, public utility relocations, curb installation, sidewalk replacement, roadway base repair, street pavement installation, parkway grading, and landscape restoration. There will be a total of 3.1 miles reconstructed in 2023. The roadways include:

- Blackthorn Drive (Sequoia Trail to Silverwillow Drive)
- Redbud Lane (Basswood Circle to Blackthorn Drive)
- Maclean Court (West End to Waukegan Road)

Linneman Street (Larkdale Drive to Elm Street)  
 Spruce Street & Alleys (Linneman Street to Henley Street)  
 Spruce Street (Glenview Road to Fir Street)  
 Washington Street (Golf Road to Colfax Avenue)  
 Lincoln Street (Colfax Avenue to Harrison Street)  
 Prairie Lawn Road (Linneman Street to Glenview Road)

**SPECIAL PROJECTS**

**\$5,096,930**

**Glenview Road and Harlem Avenue Streetscape Phase I \$50,000**

This project consists of completing preliminary design (Phase I Engineering) and plans for the Glenview Road adjacent to the Library and Harlem Avenue between Dewes Street and Washington Road. The planned improvements will include upgraded streetscape, streetlight replacement, and traffic signal replacement at Harlem and Glenview. This project started in FY2022 and will continue next year. Streetscape improvements and enhancements to the landscaping were raised as desired outcomes in the Economic Development Strategic Plan and including these CIP components would allow for a consistent streetscape design (e.g., street, and pedestrian lighting, landscaping, sidewalk, street furniture, and potential public parking) throughout the downtown along Glenview Road.

**Intelligent Traffic Management Program \$500,000**

This project consists of completing Phase I of a local Intelligent Traffic Management Program (or SMART intersections) for the Village to implement on areas and intersections surrounding Glenbrook South High School (GBS). This project would include new technology with cameras that would adapt and adjust signal timing to actual needs in the field. Staff met with multiple consultants and communities that have implemented new SMART intersections and will have a recommendation to start this Phase I before the end of this year with implementation in FY 2023. Coordination will be required with both the state (IDOT) and the count (Cook County Highway Department) who maintain the impacted signals. With lessons learned after implementation of Phase I, the project could expand to cover additional intersections and corridors of concern.

**Streetscape Improvements for Waukegan Road – Phase I Engineering \$400,000**

This CIP project consists of completing Phase I Engineering (concept design), to begin in FY2023 and be completed in FY2024 in coordination with IDOT. This CIP streetscape project plan would include updated street and pedestrian lighting, sidewalks, street furniture and landscaping, and other features consistent with the streetscape design for the Waukegan Road corridor and make it consistent with the other downtown streetscape enhancements along Glenview Road.

**East Lake and Waukegan Road Intersection Phase II \$225,000**

This project consists of engineering design (Phase II) and plans for the intersection of East Lake Avenue and Waukegan Road, which is supported by the Congestion Mitigation and Air Quality (CMAQ) grant funding, and Illinois Department of Transportation (IDOT). The planned intersection and pedestrian improvements will increase capacity, level of service, and safety of this regionally significant intersection. The proposed project will include geometry modifications to add right turn lanes and improved left turn channelization, traffic signal upgrades, pedestrian crossing safety improvement, multi-use sidewalk construction, and lighting improvements. Phase II Engineering began in FY2022

and is anticipated to be completed by 2024.

### **Milwaukee-Zenith Intersection- Pedestrian Improvements**

#### **Construction and Inspections**

**\$550,000**

The intersection of Milwaukee Avenue and Zenith Drive serves as the entrance to the Glenview Park District's Community Park West, which is home to numerous Park District sports fields, a dog park, skate park, and existing multi-use paths. The existing signalized intersection at this location currently lacks pedestrian signals and marked crosswalks which have been requested for several years. The proposed project at this intersection is to improve pedestrian safety by replacing the existing traffic signal with modern and decorative equipment including pedestrian countdown signals. The existing ADA deficient pedestrian crossings will be replaced with ADA compliant sidewalk ramps, crosswalks, and associated signage. Curbs will be replaced at the intersection corners to widen and improve vehicle turning movement capabilities for Zenith Drive traffic. This project is supported by Illinois Transportation Enhancement Program (ITEP) grant funding in the amount of \$175,500 and by the Invest in Cook in the amount of \$142,000. The construction for these improvements is scheduled to be completed in FY2023.

### **Glenview Road Bridge Middle Fork Phase I**

**\$50,000**

This project consists of completing a preliminary design (Phase I) and plans for the future reconstruction of the Glenview Road Bridge over the Middle Fork of the North Branch of the Chicago River, which is located west of Harms Road. This project started in FY2022 and will continue in FY2023.

### **Illinois Department of Transportation Willow Road/Pfingsten Improvements And Willow Road Resurfacing Project**

**\$250,000**

The Willow Road and Pfingsten Road Intersection improvements and Willow Road Resurfacing are managed by IDOT. The intersection project is anticipated to be finalized next year and consisted of adding eastbound and westbound dedicated right-turn lanes on Willow Road, improving the sightlines for the eastbound and westbound left-turn movements on Willow Road by incorporating a 4' striped median between left-turn lanes and the adjacent thru lanes to align the opposing left-turn lanes. Additional improvements include widening the sidewalks on the south side of Willow Road to 8-feet, upgrading the pedestrian crossings/traffic signal at the intersection, and upgrading and replacing the traffic signal with decorative posts and mast arms. The Willow Road Resurfacing consists of repaving the Willow Road between Landwehr and Waukegan Road as well as traffic signal improvements and replacement of some concrete medians with landscape medians. This project is anticipated to be completed next year. This cost represents the Village cost share for the improvements, including construction of a multi-use path, upgrading traffic signal with new Emergency Vehicle Preemption system and other improvements requested by the Village. The construction of both improvements will be completed in FY2023.

### **Reach 1 Payback (Year 12)**

**\$24,370**

During 2010, the Village received a 0% interest loan along with a grant (25%) to rebuild Reach 1 of the North Branch of the Chicago River, just south of Willow Road, as a high-priority natural resources project. The project re-meandered the river, stabilized the banks and provided various riffle pools. The 2023 CIP reflects year thirteen of the twenty-year payback schedule.

### **Chestnut Avenue Widening Construction & Inspections**

**\$690,000**

This construction project consists of improving Chestnut Avenue between Lehigh Avenue and Waukegan Road. The planned improvements include widening of the roadway to provide a continuous center left-turn lane or green median as well as storm sewer upgrade to improve drainage for both the

roadway and adjacent properties. Additionally, a 10 ft.-wide multi-use path is proposed on the north side of Chestnut, supported by Illinois Transportation Enhancement Program (ITEP) grant funding in the amount of \$823,780, which includes construction costs. Phase II Engineering was approved and started in FY2021 and completed and bid in FY2022. Start of construction will begin in Spring of 2023. This project is supported by the Surface Transportation Program Grant in the amount of \$3,003,000 for the construction and construction engineering.

**Pfingsten/East Lake/West Lake Intersection – Phase I Engineering** **\$225,000**

The intersection of Pfingsten Road, West Lake Avenue and East Lake Avenue provides connectivity between existing trail, residential, business, and multiple school destinations. This project consists of completing Phase I Engineering for reconstruction of the West Lake Avenue and Pfingsten Road intersection to provide improved traffic flow, vehicle safety, and pedestrian/bicycle safety. New right turn lane channelization is proposed at West Lake Avenue going northbound on Pfingsten, as well as reconfiguration of the lanes of the West Lake Avenue and GBS main entrance. The existing traffic signal will be replaced, and the existing pedestrian/school crossing at the intersection will be enhanced with new pedestrian countdown timers and high visibility crosswalks. This project is supported by the Invest in Cook funding in the amount of 112,500 and Phase I Engineering is scheduled to be completed in FY2023.

**1700 Block Glenview Parking – Downtown** **\$800,000**

As part of the Downtown Revitalization Plan, funding has been allocated to provide additional parking within the downtown area. This project consists of adding and improving parking at 1700 block of Glenview Road.

**Pebbleford/Mary Kay Pond Fence** **\$25,000**

This project consists of replacing of approximately 100 linear feet of deteriorated fence, including the gate surrounding the Village’s detention pond. This fence replacement is scheduled in conjunction with the improvements on Pebbleford and Mary Kay Lane.

**Longvalley Riverbank - Natural Resources Project Construction**  
**\$400,000**

This is a water quality project for the West Fork of the North Branch of the Chicago River on the 1200 block of Longvalley on the floodplain buyout property, where structures were removed in 2015 due to frequent and excessive flooding. The Village applied for a grant from the Illinois Environmental Protection Agency’s 319(h) program that will cover approximately half of the improvement costs on Village-owned property that will reduce pollutants in the river. The proposed project consists of construction of the proposed improvements, which follow best management practices, include removing invasive plant species along the west riverbank, installing a bio-swale and rain garden along and within 40 feet of the river and stabilizing the riverbank. The bank will be stabilized using rock armoring and vegetation and a rock riffle structure. These improvements will improve the immediate area by creating naturalized flora which will encourage native fauna. Additionally, the reduced pollutant runoff to the river will further improve the water quality of this scenic waterway. There is no anticipated impact to the east riverbank. The proposed design for this project is anticipated to be completed in FY2022 and constructed in FY2023.

**Public Works Campus Project** **\$519,500**

Design and permitting costs to confirm the project design, secure site plan approval and complete an

updated pre-bid cost estimate for the improvements to the campus. The proposed improvements will be made in 2024 to expand operational efficiencies and address current maintenance needs.

**Construction Project Contingency** **\$314,961**

This budget is reserved as contingency funds related to any of the reconstruction or special projects programmed for construction in FY2023 and localized quick-win improvements (landscaping, grading, drainage, repairs) to the Village’s infrastructure on public property or within public right-of-way, or under mitigating circumstances on private property.

**The Glen and Glenview Road Landscaping** **\$100,000**

This budget is reserved to improve and replace landscaping areas in the Glen Town Center and Downtown Glenview. an inventory for the Village-wide streetlights and identify recommended improvements in the future plan.

**Comprehensive Plan Initiative to Coordinate Street Lighting** **\$25,000**

This budget is reserved to initiate and conduct an inventory for the Village-wide streetlights and identify recommended improvements in the future plan.

**Miscellaneous Restoration / Landscaping** **\$65,000**

To facilitate closure of projects from the previous construction season, isolated restoration measures in the parkway tend to re-occur the following spring which require separate budget funds. Capital Projects staff will re-inspect all current and previous year capital projects and utilize this project funding to address any follow-up restoration measures and residents’ reimbursements before transferring parkway maintenance responsibilities back to the adjacent residents and the Public Works Department.

**Crack Sealing** **\$63,600**

This is the Village’s annual crack-sealing program managed by Public Works funded from the CIP. Crack- sealing is an important maintenance strategy to protect the roadway base course from early failure.

**Seal Coating** **\$20,000**

In coordination with the Village’s Public Works Department approximately one-half mile of Village roadway will be seal coated to extend the service life of the existing pavement.

**WATER SYSTEM PROJECTS** **\$7,164,000**

**Water Main Replacement Projects** **\$7,164,000**

The Village prioritizes replacements of aged water mains that have a record of breaking and causing water service interruption. Whenever possible, water mains are replaced in coordination with other necessary capital improvements. The 2023 program will replace 20,100 feet (3.8 miles) of water main as proposed, which includes the planned reconstruction streets as well as the additional water main replacements added to those streets to be resurfaced based on the recommendations of the approved Water System Strategic Plan.

Mary Kay Lane (Maple Leaf Drive to Greenwood Road)

Lilac Avenue (Maple Street to Milwaukee Avenue)  
Dearlove Road (Central Road to Milwaukee Avenue)  
Wildberry Drive (South CDS to 1820 Wildberry Drive)

**SANITARY SEWER PROJECTS**

**\$497,075**

**Sanitary Sewer Television Inspections**

**\$110,000**

This project will televise sections of sanitary sewer throughout the Village to assist in prioritizing future capital improvement projects primarily with road reconstruction programs. Additional high-concern sanitary televising is also included as directed by Public Works.

**Sanitary Sewer and Manhole Lining**

**\$372,075**

Sanitary sewer and manhole lining is a cost-effective rehabilitation program that lines sewers without requiring excavation and extends the life of the sewer. These funds are for use in areas throughout the Village.

**Cost Sharing Program - Overhead Sanitary Conversion**

**\$15,000**

This budget is reserved as cost-sharing with homeowners who convert private “gravity” sanitary sewer service to “overhead”. This reduces the risk of sanitary sewer backup into homes. The program funds projects 50/50 with a Village participation cap of \$7,500.

**STORMWATER PROJECTS**

**\$566,032**

**Storm Sewer TV Inspections**

**\$91,032**

This project will televise sections of sanitary sewer throughout the Village to assist in prioritizing future capital improvement projects primarily with road reconstruction programs. Additional high-concern storm sewer televising is also included as directed by Public Works.

**Quick-win Storm Water Project Design and Construction**

**\$50,000**

As identified in the Village’s stormwater master plan, the Flood Risk Reduction Program, there are multiple projects that are moving forward to improve the storm water level of service for local neighborhoods. This funding is reserved for design and construction of the improvements.

**Stormwater Master Plan Updates**

**\$315,000**

This project will consist of updating the Village-wide Stormwater Master Plan, including reviewing, and updating the projects completed as part of the Stormwater Task Force 2010 recommendations. The goal is to update the Plan, including modeling and mapping, and review the existing programs to provide recommendations for future implementation of drainage improvement programs including cost sharing programs. The work on the plan started in FY2022 and it’s anticipated to be completed in FY2023.

**Rain Garden Program**

**\$5,000**

This is a continuation of a program started in FY2007 to partially subsidize the cost of installation of rain gardens on private residential properties to mitigate storm water runoff and provide water quality improvements. Residents with an existing drainage issue submit an application along with a proposed landscaping plan. If the plan has a drainage benefit and a proper planting plan, they will qualify for the Village to reimburse them 50% of the project costs up to \$1,000 upon final inspection. This program assists the Village in meeting portions of requirements

**Storm Water Lining**

**\$95,000**

Storm sewer lining is a cost-effective rehabilitation program that lines sewers without requiring excavation and extends the life of the sewer. These funds are for use in non-street specific areas throughout the Village.

**Cost Sharing Program – Holistic Engineering Inspections**

**\$10,000**

One of the cost sharing programs approved by the Village Board includes completing an engineering inspection and report by a Drainage Engineer. The Village has negotiated rates and pays 50% of the cost (or \$400).
