Techny Basin Ribbon-Cutting and Green Infrastructure Bike Tour

Join the Village of Glenview's Natural Resources Commission in celebrating the renovation of the Techny Basin bike path! After a short ribbon-cutting ceremony and overview of the basin's significance, we encourage you to join us on a bicycle tour of Glenview's green infrastructure. We will view sites between the basin and downtown Glenview where naturalized shoreline stabilization and other innovative practices are improving water quality in Glenview's largest watershed – the West Fork!

Date/Time: Sunday, August 15th, 10:30 a.m. (8.6-mile round trip)

Meet: At the northern edge of the Techny Basin bike path (please park at Richardson Park: 1950 Westleigh Dr., Glenview, IL 60025)

The tour is limited to 25 riders. Please contact Robyn Flakne at 847-904-4536 by August 12th to register

*****Bring your bicycle helmet and water**
